Nico: Another dark tape.

Cuffs Lane: Yes, this was from 1985, a day after Caleb switched to living at home after Cage and Travis appeared in New York University and Caleb's blood got Cage back to his senses and when he got his mark. But, on that day, he and Sharon Daniels, Ryan Daniels, Alan Edwards, Cory Richards, Mary Pearson, Alan's girlfriend, Reggie Stevens, Cory's girlfriend, and Laura Stevens would wind up encountering Cage and Travis in the daytime and at New York University, and that caused Caleb to tell them his secret before he told Hunter and his friends of his secret.

Nico: Wait, what?!

Hunter: (German Accent) I remember that day. Caleb told me about it after he came back home.

Cuffs Lane put the tape in and it played on the big screen and it showed New York during the daytime hours of 1985, a day had passed after Caleb switched to living at home after Cage and Travis appeared in New York University and Caleb's blood got Cage back to his senses and when Caleb got his mark. Now, Caleb was with Sharon Daniels, Ryan Daniels, Alan Edwards, Cory Richards, Mary Pearson, Alan's girlfriend, Reggie Stevens, Cory's girlfriend, and Laura Stevens.

Past Ryan Daniels: So, what's on the agenda for today? You up for hitting the arcade after class?

Past Caleb Maxwell: Not me, I got to get home to do the work from our classes, and report in for training at the academy. Captain Whitten told me of the drills we're doing today.

Past Sharon Daniels: Same with me.

Past Alan Edwards: Cory and I got dates with Mary and Reggie.

Past Laura Stevens: And I got to help Mom and Dad with our family reunion.

Past Caleb Maxwell: Looks like you're on your own, Ryan.

Suddenly, Caleb felt something as he felt a pain in his right arm as blood suddenly seeped out in drops and landed on the tile floors.

Past Caleb Maxwell: (Thinking) What's this?! Why am I feeling this...darkness in the air?

But, then, Caleb Maxwell saw two individuals: Cage Blunt and Travis Tackett, and he had a dreadful look on his face when he saw them again.

Past Caleb Maxwell: Oh God, why are they here and out in the daylight?!

Sharon Daniels, Ryan Daniels, Alan Edwards, Cory Richards, Mary Pearson, Reggie Stevens, and Laura Stevens noticed that look in Caleb's eyes.

Past Alan Edwards: Caleb, what's wrong?

Suddenly, they saw Cage Blunt and Travis Tackett.

Past Sharon Daniels: You know them?

Past Caleb Maxwell: I do, but I wish they hadn't come here especially during the daylight hours. We need to go now!

Past Mary Pearson: Caleb, it's still the middle of the day, besides, we got more...! (Realizes something) Oh, that's right, we got done with our classes. Okay, let's go, but where can we go?

Past Cory Richards: We could head for Chinatown, I know a guy who can help us.

Past Caleb Maxwell: Okay. Let's get to the parking lot.

They rushed for the parking lot, and Caleb saw Cage's Red Viper Camaro here.

Past Alan Edwards: Oh sweet, that's a 1965 Red Viper Camaro!

Past Caleb Maxwell: Alan, don't touch! It belongs to the brown-furred cat you guys saw!

He backed away, and they got in their cars with Caleb going with Sharon and Ryan and they headed for Chinatown, but they hadn't noticed that Cage and Travis saw them.

Past Cage Blunt: (Smirks) Going to Chinatown, eh? They think they can hide from us there?

Past Travis Tackett: (Smirks) Especially with the gangs and local punks there who want to kill Caleb? They're playing with fire, and they're gonna get burned badly.

Me: That's the sort of thing I say about mad scientists and those who think they can play God with other peoples' lives.

Lincoln: But, not with those who are trying to hide from two vampires by heading for Chinatown.

We watched the screen and Caleb Maxwell, Sharon Daniels, Ryan Daniels, Alan Edwards, Cory Richards, Mary Pearson, Reggie Stevens, and Laura Stevens arrived in Chinatown.

Past Ryan Daniels: Ah, Chinatown!

Past Caleb Maxwell: We're not here for the sightseeing, Ryan. Cory, you said you know a guy here in Chinatown who can help us?

Past Cory Richards: I do. Come on, he's not that far.

They ran and they arrived at a building, but when they did, they found Cory's guy, a male tan-furred cat with black hair and black tail named Shen, but he got injured!

Past Cory Richards: Shen?! What happened?!

Shen: I got injured by two local punks, they're from The Crimson Dragon Gang.

?: HEY, ASSHOLE!

Suddenly, Caleb saw the two punks, two male black-haired white furred cats named Xin and Li.

Past Caleb Maxwell: Xin and Li, local punks of The Crimson Dragon Gang! Why am I not surprised? I knew this was your dirty work.

Xin: What? You want to suffer like Shen did? Bring it on, wuss!

Li: Yeah, our reps will get better when we kill you.

They got out broadswords, and that alone caused Caleb's eyes to turn from brown to crimson red with hate.

Past Caleb Maxwell: Y-you punks...!

Suddenly, Caleb's guns appeared in his hands as he approached them as they got into combat form, and then...!

Past Caleb Maxwell: (SCREAMS AT THE TOP OF HIS LUNGS) YOU BLOODY CHINATOWN PUNKS!

BANG! BANG!

Caleb Maxwell shot Xin and Li in the arms and they dropped their swords.

Past Caleb Maxwell: Tell your boss if I ever see any of you Crimson Dragon punks so much as spit in my direction again, I will blow your heads off and send you back to your boss in body bags!

Caleb said that with pure venom and hate in his voice, and that got the punks pissed off that they tried to attack again, but the captains of their gang came and got them, and after they dragged them off, their boss arranged to call Caleb to offer his apologies to him. Then, Caleb and his friends got inside Shen's apartment.

Past Cory Richards: Thanks, Shen. Now, Caleb, what's going on? How do you know those two guys who came here? Is there something wrong?

Caleb took a deep breath.

Past Caleb Maxwell: I guess I can't hide it for long. Sharon, Ryan, you remember what happened in 1984 in LaGuardia High School?

They remembered.

Past Sharon Daniels: I remember, so those two, they're...!

Past Caleb Maxwell: Yes, they're vampires, but not like what happened in LaGuardia. I ran into them when they arrived in New York during my first year in NYU in the fall of 1984, they seemed like two good guys, not like with what happened in LaGuardia High. But, then when I ran into them again, I found out they drank Demon Blood, and it made them even more vicious and dangerous. I had to run from them along with The Syndicate thugs, and it's how I got this.

Caleb showed them his vampire cross mark on his right arm.

Past Ryan Daniels: How did you get that?

Past Caleb Maxwell: It was the day after, and last night, I was sleeping in the dorms, but then, I heard a noise and went out to check. That was when my mark reacted, and I saw that guy, Cage Blunt, who is a pureblood vampire, and

I ran back to the dorm room, but as soon as I did, I also saw his blood brother, Travis Tackett, in the room, and Cage came in and he bit me and drank some of my blood, but it got him back to normal, and after tying up Travis..., he helped pack my things and drove me back home.

Past Alan Edwards: So, that's why you're no longer sleeping in the dorms.

Past Caleb Maxwell: Exactly.

Past Sharon Daniels: I also remembered when we went to Yuridia, I heard one of those guys say about how you and your family have always been part of their world, what did he mean by that?

Past Caleb Maxwell: Now that I don't know, Sharon. But, I intend to find out, and I think I'm gonna have to sell the house. Once I die at age 21, Allie and Mom are gonna be in severe danger, my dad's scumbag relatives will try to take the house from them, burn their belongings, and kick them out. I arranged a talk with Uncle Christiano and Mom and Allie had agreed to it as well. He has the huge apartment where he and our family members live: hi-tech security cameras, security guards, and it's right near the police station.

Past Shen: I remember, I'd come across it many times in the past, and I know how mean your uncle can get if someone hurts his family. When are you going to move there?

Past Caleb Maxwell: Tonight. Mom already packed her stuff, Allie's, and mine and moved them to the room in the apartment he built and owns. Once I head back home, that's when we begin to move to his apartment. Once those scumbags find out, they'll realize they've been had.

Past Sharon Daniels: But, if this reaches Drake, he'll...!

Past Caleb Maxwell: I could care less what he'll do to me, I don't care anymore, he stopped being my younger brother the day he fell into darkness and left so many scars on me physically and mentally, if he keeps this up, he's gonna be dealing with a real demon.

They gasped, they know if Drake Maxwell keeps this up, Caleb's going to unleash pure chaos on him as the video ends.

Me: Whoa, so the moment you saw Cage and Travis at NYU...!

Caleb Maxwell: We had to get ourselves out of here. Luckily, we were done with classes for the day.

Jack Howard: And the Captain told us that you guys were moving to that apartment your uncle owns.

Captain Whitten: I knew you'd be moving there, but that made it a lot worse. That meant you had to run to and back to the apartment from NYU, I asked you before if you were going to get a car.

Lincoln: That's true. (Realizes something) Wait, you were planning to get a car when you got your job, right?

Caleb Maxwell: Looking back now, I should've gotten a car long ago, but I didn't think of that.

Nico: And there you could've gotten a quick getaway from your brother's thugs, but Cage and Travis, I doubt it since they can fly and Cage has a car of his own.

Cage Blunt: True, but Caleb knew what car I drive, and he's seen it many times in the past.

We got a shower, and then, Lincoln, Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone are heading to Everbay Coast.

Lincoln snapped his fingers, and the 14'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone were dressed in colored two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, and Lincoln brought back Merlona Watson, but they had to watch out: Alecto Slytherin has sent clones of Lady Tungurahua and Wolf Carnage after them.

Zekka Miyamoto: Wow, we're here in Everbay Coast, it's so beautiful.

Lincoln: You said it, Zekka, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone a deep tissue massage, and when he was done with that, she relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone got an extremely massive and deep atomic red blush on her faces when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Zekka Miyamoto: (Swooning) What a handsome and manly wolf hunk.

Suddenly, they saw the clones of Lady Tungurahua and Wolf Carnage.

Aika Kiryuu: It's them.

Lincoln: Yep.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clones of Lady Tungurahua and Wolf Carnage and he began absorbing them and assimilating Lady Tungurahua's powers over fire, lava, rock, and earth and temperature of over 10,000 Fahrenheit and Wolf Carnage's moonlight powers, power over blood, and werewolf powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones of Wolf Carnage and Lady Tungurahua, and Lincoln sucked out every last bit of energy from the clones' souls and the clones faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Zekka Miyamoto, Lilebette

D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone and he hugged them in his abnormally massive and powerful muscular arms, and Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with four white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Lily the Mermaid: Wow, now Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone are in your harem, Linky.

Zekka Miyamoto, Lilebette D'Artagnan Lunaire, Aika Kiryuu, and Merlona Watson the Female Detective Drone showed the marks Lincoln made on the right side of their trapezius.

Jenna: You had no trouble at all.

Lincoln: Unfortunately, we did. Alecto Slytherin sent clones of Lady Tungurahua and Wolf Carnage after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into their chests, and I absorbed them and assimilated Lady Tungurahua's powers over fire, lava, rock, and earth and temperature of over 10,000 Fahrenheit and Wolf Carnage's moonlight powers, power over blood, and werewolf powers. Then, I sucked out every bit of energy from their souls and as the clones faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Zekka Miyamoto: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta,

NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad

Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: Well next we're going after the Light Doom Raider, Luminous at Sunscraper Spire. Sunny Solar, Luan Loud, Lane Loud, Princess Celestia, Sunburst, Knight Light, Spotlight, Dark Magician Girl, Celestia - Lightsworn Angel, Bright Man and Rainbow Man are going next.

Nico: Better bring some shades for this.

Qin: Good idea.

Laney: This is the last of the Doom Raiders to face.

Qin: Yep.

We went into the simulator and it activated and we were at SUNSCRAPER SPIRE!

In the past, the Doom Raider Luminous was imprisoned within Sunscraper Spire by Knight Light to prevent him from threatening Skylands again.

Me: So this is Sunscraper Spire.

Sunny Solar: Yep. Years ago this spire was used to imprison the Light Doom Raider, Luminous to make sure he never threatens Skylands again.

Knight Light: That was my doing back then. I put him in there back then.

Nico: Wow!

?: Guys!

We saw what appeared to be Maria trapped inside.

Luan: Maria?! But where's Luminous?!

Maria?: Evilon already killed him and trapped me in here! You need to get me out!

Me: Wait something is seriously up!

Maria: That is not me! Also my face is not supposed to be glowing like that!

We saw that it was glowing.

Nico: She's right!

Me: One sec!

We went into the spire.

Me: Okay Luminous you can drop the act! You are Not Maria!

He changed back and in a flash of light it was really LUMINOUS!

Being from the element of Light, Luminous has always feared the dark. Even his own shadow used to frighten him so he became determined to find a source of light so powerful and bright, no darkness, not even shadow, exists. This quest drove him quite mad and he set out to destroy all who opposed him. Finally, he managed to find what he was looking for - The Starlight. A source of light and energy so great, darkness could never escape. But it was protected by the Skylanders and Luminous was unable to get his hands on it. When the entire Light Realm became cut-off from the rest of Skylands, Luminous seized the opportunity and tried once again to steal this Starlight, but what he didn't know was that a Skylander of the Light Element, Knight Light, was left behind as well. After an intense battle over several days, Knight Light was able to imprison Luminous in Sunscraper Spire, where he remains to this day. Just hope nobody lets him out.

Years later, the modern-day Skylanders arrived with Mags at Sunscraper Spire to investigate its presence after the destruction of Cloudcracker Prison. Seeing this as a chance to finally escape his prison, Luminous took on the guise of Mags and led the heroes around the towers, tricking the Skylanders into unlocking the seals that imprisoned him in the center tower. Once all of the the seals were unlocked, Luminous revealed his true identity to the Skylander once they had reached inside The tower. He engaged them in battle, and despite his renewed power over the Light element, the Doom Raider was defeated. The Portal to a Light Trap opened up, and Luminous accepted his fate, running towards the light within the portal.

After his capture, the Skylanders returned to Sunscraper Spire for his Villain Quest with Buzz, called "Buzz Has a Hat?". The Mabu war veteran explained to the heroes that his Secret Ninja Commando Senses detected Luminous's presence nearby, which turned out to be true, as Knight Light had imprisoned him within the Spire itself many years prior. Buzz deduced that the Doom Raider had moved a nearby island with his lucky hat and required his assistance in retrieving it. Once Luminous accomplished the task, Buzz decided that he should have his lucky hat instead, as it didn't fit him anymore. Luminous was awarded with Buzz's thanks, a new outfit, and the Lighthouse Hat.

Luminous: What gave me away?

Me: Uh the glowing face and Maria has water powers not Light Powers.

Horsea: Also I am always with her!

Me: And another thing, Evilon is next that we have planned for next time. So the cat's out of the bag on that one.

Luminous: Can't blame me for trying!

Me: You aren't the first one. Lots of villains tried their hand at fooling us and failed.

Nico: Yep.

Sunny Solar: That's right Luminous.

Luminous: Sunny! It is en-Light-ening to see you again.

Sunny Solar: I haven't forgotten those good light puns of yours.

Luan: (LAUGHS) That was a good one.

Eddy: (LAUGHS) Yeah it sure was!

Luminous: I'm glad you liked that. Lets Shed some Light on this!

Me: Lets Shine On!

Sunny Solar: Lets Shine The Light!

Knight Light: SEE THE LIGHT!

Spotlight: TIME TO SHINE!

Luminous: If I can Shed some Light on things.

He fired beams of light and I fired beams of rainbow light and the blasts collided and exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

Luan: I can do those too!

She fired beams of light and they hit him and blasted him.

Me: Lets make this a Prismatic Venture!

I fired a beam of light and it split into 7 colors and blasted him all over from all angles.

Luan: This will Shine in our path! (LAUGHS) Get it?

Luminous: That was a good one!

Luan and Lane fired beams of light and blasted him all over.

Luminous: You know what just occurred to me? I haven't shown you the massive power you have unwittingly helped me to generate. Come Team Loud Phoenix Storm, right this way. Ooh, this is going to be sweet!

Me: Lets see the light!

I flared up an aura of darkness and Luminous gasped!

I fired waves of darkness and he fired beams of energy and light and the blasts collided and exploded!

Eddy fired his blaster and blasted him.

Princess Celestia: As Princess of The Sun and the Light, I order you to stand down Luminous.

Luan: I can also do puns too. I Light the way you shine! (LAUGHS)

Luminous: That was a good one.

Sunny Solar: Light the way through the dark!

She fired waves of light and blasted him.

Me: Lets make this a Prismatic Victory!

Sunny Solar, Luan Loud, Lane Loud, Princess Celestia, Sunburst, Knight Light, Spotlight, Dark Magician Girl, Celestia - Lightsworn Angel, Bright Man and Rainbow Man: RAINBOW STRIKE OF THE SEVEN SUNS!

They fired waves of red, orange, yellow, green, blue, indigo and violet light and it combined and it formed into a rainbow sun and it slammed into Luminous and knocked him down!

LUMINOUS DEFEATED!

Me: The Darkness Before The Dawn!

Princess Celestia: Now for the grand finale!

She held up a trap and a yellow vortex appeared!

Luminous: I must head towards the light without fear. Even in defeat, I shall shine like a STTAAAAARRRRRR...!

He jumped into the vortex on purpose and got sucked in!

Luminous: "Uh, how is this going to affect the status of my evil plans? I assume negatively, but just thought I would check."

LUMINOUS TRAPPED!

Princess Celestia: As Princess of The Sun and the Light and Ruler of Equestria you are hereby under my command of light and good and my command to you is to be good.

Luminous: "I suppose I have seen the light."

Me: Nice job guys! All the Doom Raiders have been caught!

WE CHEERED!

Me: Now one last thing.

I gave my trap with Chef Pepperjack to Sunset Shimmer.

We gave the traps containing the Doom Raiders to Twilight and friends.

Nico: Who gets which Trap?

Me: Well Rarity gets the Gulper for Water.

Laney: Flutershy gets Chompy Mage for Life.

Me: Sunset Shimmer gets Chef Pepperjack for Fire.

Qin: Rainbow Dash gets Dreamcatcher for Air.

Camie: Twilight Sparkle gets Pain-Yatta for Magic.

Ymir: Pinkie Pie gets Dr. Krankcase for Tech.

Varie: Starlight Glimmer gets Wolfgang for Undead.

Apple Bloom: Applejack gets Golden Queen for Earth.

Brittney: Princess Luna gets Nightshade for Dark.

Me: And lastly Princess Celestia gets Luminous for Light.

Nico: Fitting because they are the princesses of the Skylanders.

Sunny Starscout: That is so amazing!

Me: Don't worry Sunny we haven't forgotten about you and your friends. I have something special planned for next time. Like Luminous said, we're facing Evilon next and you are going to have the honor of trapping him.

We left the simulator.

Later we were in the jungles of Colombia and we were there for an amazing treasure hunt.

Nico: Good to be in Colombia.

Xenia: It sure is.

Nico: So what's the treasure we're after?

Nicole: It's called the Emerald Sword of Tepeyollotl, the God of Nature in Aztec myth. It is said to have the power over all things in nature.

Camie: WHOA! That is cool.

Ymir: It sure is.

Dew Gayl: Where's the treasure?

Nicole: Under these ruins.

Ymir: What's the story behind all these ruins?

Nicole: These ruins were once home to the extinct Malenque Civilization. Centuries ago the Malenque were once one of the most feared warmongering tribes in all of South America. They made a deadly bioweapon to wipe out their enemies. But it backfired on them and wiped them out in one fell swoop. The Antidote was in a medallion found by Jessie long ago.

Jessie Bannon: That's right. I found it.

Me: Yep. I remember.

Jessie Knudson: After we stopped Dr. Rabel Salazar the first time, I made sure the Malenque Mummies got destroyed and made sure that plague of theirs never gets recreated again. I wiped it all out.

Nico: That's good.

Me: Yeah it was terrible. That was when we were here in Colombia on our Worldwide Adventure to see the worlds volcanoes.

Nico: Yep.

Emerald Sustrai: Lets get to it!

Nicole: According to the map, we have to find a temple with this symbol.

It was the symbol of the Aztec God of Nature.

Nicole looked.

Nicole: Hmm.

She saw something on a temple and it was the symbol.

Nicole: Bingo.

She pressed it and a door opened and it lead down a hall.

Nico: Wow.

Me: This will be awesome.

Natalia: Where are we going?

Natalia was with us and she had bandages on her eyes still. We gave her new bionic cybernetic eyes. But it would take a while for her to recover because of it. She was on my back.

Me: We're heading down a hall into a temple. It's a treasure hunt.

Natalia: I love those.

Me: Yep.

Nicole: Stay close guys.

We went down some stairs and I formed a flashlight from a ball of energy.

It was all amazingly well built. The ruins in the temple were hundreds of years old.

Undermine: It's really old.

Nicole: These ruins are over 750 years old. They were even used as hiding grounds and escape passages for some of the surviving members of the Malenque that weren't wiped out. It's how there were descendants of the Malenque after all these years.

Nico: Yep.

Nicole: Lets see.

Nicole looked at the map and saw the same symbol on a door in the temple.

Nicole: This must be it.

She pressed it and a door opened and in a HUGE ROOM was an amazing EMERALD TEMPLE with plants and nature around it!

Me: WHOA!

Nicole: The Emerald Temple of Tepeyollotl!

Nico: WHOA!

We went up the steps.

Natalia: Have we found the treasure?

Me: We found the temple that has it.

Hardhead: This is too easy

Me: Yeah.

We then entered the temple and saw a massive emerald room with nature and plants and in the middle of the room we saw an altar and it had an EMERALD SWORD IN IT!

Nicole: There it is! At long last we found it! The Emerald Sword of Tepeyollotl!

Daring Do: This is an amazing find.

Rainbow Dash: It sure is awesome!

Me: Natalia should get it. She went through a lot.

Nico: Okay.

Sunset Shimmer and me guided her to the altar.

Me: Okay.

I had her hand on the hilt.

Nico: Steady.

She pulled it out and then the sword glowed and then a massive vortex of nature and leaves swirled around her!

(ESCAFLOWNE FOX KIDS INTRO EXTENDED PLAYS)

A MASSIVE SURGE OF ENERGY WAS FELT! She got new green clothes and then emerald green wings popped out of her back and then her bandages flew off and her eyes turned emerald green and glowed intensely with amazing energy! She then got symbols of leaves and flowers on her arms and legs. When the vortex faded we were shocked and how much she changed!

Me: WHOA! Natalia you look incredible!

Natalia: (GASP) I... I can see! I can see!

She saw us!

Me: Your eyes! You are all better and you look more amazing!

Sunset Shimmer: You sure do!

We showed a mirror to her and she looked amazing!

Natalia: I look so amazing! And I have wings now! Wow!

Nico: You sure do!

Poromon: Time to go.

But then we heard a SCREAM OF RAGE AND FURY!

Me: Oh boy. Sounds like someone is pissed.

Nico: Yep.

Jessie Knudson: Wait I know who that scream belongs to. That's Dr. Rabel Salazar! He has come back to finish what he started no doubt.

Nico: Man he just doesn't quit.

Me: Nope.

Natalia: Lets go get him.

Me: You read my min.

We went after him.

Dr. Rabel Salazar was pissed! HIS ANCESTORS WERE ALL INCINERACTED AND THEIR LEGACIES WERE DESTROYED!

Dr. Rabel Salazar: (Spanish Accent) NO! This is all your fault Jessie Knudson!

An energy blast flew at him and he dodged it and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!

The explosion blasted the temple he was in apart and daylight came in.

We were facing him.

Dr. Rabel Salazar was the main villain of "The Real Adventures of Jonny Quest" episode "The Mummies of the Malenque". He was voiced by Fernado Escandon.

Dr. Rabel Salazar was a descendent of the Malenque, an ancient Amazonian tribe who researched the plague that had killed most of his people, after his brother, Colonel Salazar, found the mummified remains of the Malenque. He planned to use the residual bacteria, harvested from the infected mummies, to engineer a deadly plague with which to take over the world. He alone held the antidote, kept in a medallion he wore around his neck. He was a ruthless and sadistic man, even testing the plague on one of his own henchmen. He also infected Jessie Bannon.

Jonny Quest and Hadji Singh discovered his plot along with Jessie, during which time Jessie was infected with the disease when Salazar threw a vial of it at her. He left in the Quests' helicopter but Jonny and Race Bannon, using Colonel Salazar's Jeep, chased him. Jonny got aboard the chopper and the henchman who was with Salazar at the time fell out. As Jonny and Salazar struggled over the controls the chopper crashlanded in the pit where the infected mummies were.

To their horror, the mummies began coming alive. One of them explained that they had been the ones to create the disease which destroyed them, and that they would not let Salazar do it again. The mummies attacked the scientist, and a vial of the disease was shattered, infecting Salazar. He laughed, sayng he had the antidote, only for a mummy to snatch the medallion away and toss it aside. It was retrieved by Jonny, who then escaped. As Salazar succumbed to the disease, sparks from the crashed helicopter ignited some gasoline, and the mummies, and the disease, were incinerated in an explosion.

Jessie Knudson: Remember me you monster!?

Dr. Rabel Salazar: (Spanish Accent) YOU RUINED EVERYTHING! THE MALENQUE WERE THE RIGHTFUL RULERS OF THIS WORLD!

Hardhead: I knew it was too easy!

Jessie Knudson: You will never leave here alive!

Jessie flew at Dr. Salazar he charged at her and Jessie punched him in the face and Dr. Salazar kicked at her. She dodged is punches and kicks and Jessie punched him in the stomach and kicked him in the head. Jessie punched him in the face and kicked him in the stomach.

Dr. Salazar: Nothing will stop me! Do you hear!? Nothing!

Jessie K: Except me and all of us!

She kicked him in the mouth and knocked out a tooth and kicked him and knocked out more teeth.

Dr. Salazar: (Spits out blood) Do you think you can stop me? The Malenque will rise again!

Jessie K: Like heck they will!

Jessie punched him in the chest and kneed him in the chin and punched him in the head.

POW!

She punched him and kicked him in his face!

I punched him and kicked him!

It was a FEROCIOUS FIGHT!

I punched him in his face and Nico kicked him in his back!

Me: Give up Dr. Salazar! You will never win against all of us. There's thousands of us and only one of you.

Poromon pecked him!

POINK POINK POINK POINK POINK!

Natalia slashed him across his chest!

SLASH!

Natalia: WHOA!

Nico: Yep.

But then...

SCREAMS OF PAIN!

We saw him getting mercilessly thrashed by 4 Mega Oricorio of each dancing class!

Me: WHOA! 4 Mega Oricorio of each class.

Nico: WOW!

Poromon: What are their attacks?

Pom Pom Mega Oricorio blasted him with lightning.

Sensu Mega Oricorio blasted him with with ice.

Baile Mega Oricorio blasted him with fire.

Pau Mega Oricorio blasted him with wind.

Me: WHOA! That answers that.

Nico: Cool!

Me: They must be Dark Gale's work.

Nico: They could be.

We tied up Dr. Salazar.

Me: You're not worth killing.

Casey Rhodes: Lets see.

He used telepathy and gasped!

Casey: It's my sisters Vicky, Rhonda, Callie and Bella! You guys are going to be surprised at what they are for the Jungle Fury Rangers.

Me: Lets go help them.

We went over to them.

Casey: Girls it's me Casey.

They launched their attacks at us

I blocked them and deflected them back and it hit them.

Me: Okay then.

I snapped my fingers and they reverted back.

Vicky was a girl with pink hair and pink eyes and pink wings and had Pau Mega Oricorio on her forehead and the Jungle Fury symbol with a Flamingo on her arm.

Rhonda was a girl with orange hair and orange eyes and orange wings and had Baile Mega Oricorio on her forehead and the Jungle Fury Symbol with a giraffe on her arm.

Callie was a girl with brown hair and brown eyes and had brown angel wings and had the Pom Pom Mega Oricorio on her forehead and had the Jungle Fury Symbol with the Hippopottamus on her arm as a cutie mark.

And Bella was a girl with Black hair and blue eyes and blue angel wings and had Sensu Mega Oricorio on her forehead and had the Jungle Fury Symbol with the Swan on her arm as a cutie mark.

We wrapped them in blankets and brought them over.

Me: Wow! Amazing. The Swan, Hippopottamus, Giraffe and Flamingo Rangers? Wow!

Casey Rhodes: Yep.

They woke up and groaned.

Bella Rhodes: (Groans) What happened?

Rhonda Rhodes: I feel like I got hit by Dai Shi times 1,000.

Callie Rhodes: Me too.

Vicky Rhodes: Yeah.

Casey Rhodes: Are you girls okay.

Bella: (GASP!) Casey!

Girls: CASEY!

They hugged him.

Callie Rhodes: We're glad you're okay.

Me: You all were turned into Mega Oricorio of each class by Dark Gale.

Rhonda Rhodes: Dark Gale? Who is that?

Me: Oh a Villain Organization for Pokemon we destroyed. What were you girls doing when you got slammed?

Bella Rhodes: We were fighting a strange new monster. It looked like a strange brass flower woman monster with flower weapons.

Eli: (GASP) That was Yang's Secretary Miranda! She is from the Gekiranger movie Juken Sentai Gekiranger: Nei-Nei! Hou-Hou! Hong Kong Decisive Battle.

Me: That was a Japanese monster you guys faced.

Rhonda Rhodes: I didn't know about that.

Bella Rhodes: Wow!

Eli: Yeah and also that's the Sea Anemone Rinshi.

Isabel: That's one we haven't met or faced yet. The Sea anemone represents adaptation, patience and survival in the face of adverse conditions. Serving as a spirit animal, it showcases inner strength.

Me: Very symbolic.

Xenia: Yeah.

Qin: Yeah.

Nico: Dai Shi will be fought in the future

Me: Yeah.

Jarrod: And we'll make sure we make him pay for his crimes. Especially for making me an evil bastard and an asshole.

Nico: Yeah!

Me: Also girls we defeated each Rinshi in each of the usual battles one by one and as a result we got these.

We showed our spirit rings and the Wild Zord Crystals we got.

Bella Rhodes: That is amazing!

Isabel: It sure is and your spirits are very perfect for you. Vicky you are the Flamingo. The flamingo spirit animal can represent balance, self-assurance, and community. It can also symbolize the need to connect with others and to be authentic

Vicky Rhodes: That is amazing!

Isabel: It sure is. Rhonda you are for the Giraffe. The giraffe spirit encourages you to embrace your individuality and celebrate your uniqueness. Just as the giraffe stands tall and proud, it reminds you to express your true self and to honor the gifts that make you special. They also symbolize peace, gentleness and sincerity. To feel close to your spiritual guide in your daily life.

Rhonda Rhodes: Wow that is cool!

Isabel: It sure is. Callie you are for the hippopottamus. The hippopotamus is of profound significance and it embodies adaptability, motherly love, and emotional depth. Its spiritual energy flows with a gentle current of protection and nurturance, beckoning us to delve into the depths of our emotions and relationships with tender care.

Callie Rhodes: Amazing and interesting.

Isabel: It sure is. And Bella you are for the Swan. The swan spirit animal can symbolize many things, including grace, love, and transformation. Swans are often seen in pairs because they mate for life.

Bella Rhodes: That is amazing!

Me: Very symbolic and spiritualistic.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them new sports clothes matching their clothes. Vicky's was pink, Rhonda's was orange, Callie's were brown and Bella's were white and Casey gave them back their morphing goggles.

Bella Rhodes: We look great!

Me: You sure do.

Qin: Yep.

Bella Rhodes: How does Isabel know all about the spirits?

Me: She's the chief shaman of the team and knows all about what spirit each person represents.

Nico: Yep.

Bella Rhodes: Wow!

We went back home and sent Dr. Rabel Salazar back to prison. This time in the Neptune Prison.

We arrived back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Nico: Yeah.

Veon: The rest of the Traps will go to different people

Me: Good idea. We'll have to decide on that when we cross that bridge.

Poromon: I have a feeling that I'm getting close to eating Mr. Mind again

Me: We did say you are gonna do it.

Ymir: Yep.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Mercury Black, he's on the move. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, Mercury Black is on the move.

Eli: It's time.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Mercury Black, and he's on the move.

EVERYONE GASPED!

Emerald: So, he's finally on the move.

Lincoln: Yep. But, unlike with Cinder, Adam Taurus, and Tyrian Callows, he's also honorable. But, we are still taking him down.

Suddenly, Lincoln had a terrible feeling.

Lincoln: Oh God. I also have a terrible premonition: it's Zero, he's gonna ruin Edd's good name again and he's gonna try and destroy The Reverse World again!

WE GASPED IN HORROR!

Edd: I knew Zero was a repulsive excuse for a human being, but this is unforgiveable. I got a feeling he's gonna launch an attack tonight.

Lincoln: The second it happens, Officer Jenny's gonna tell us. But, we'll worry about Zero tomorrow, right now, we got to get to Remnant.

Nico: Right. But, you just exposed who we're gonna face tomorrow, Lincoln. We'll make sure that monster, Zero, dies tomorrow for his crimes. Alright, team, let's get to Remnant, we got another monster to take down.

Lincoln: Even after four years, you never learn, do you, Mercury Black? Well, you're gonna see we're not the same back then.

The previous group came.

Private HIVE: (SALUTES) Private HIVE and the previous group reporting for duty sir!

Me: At ease soldier!

Pete: Can me, Doctor Octopus, Springfield Mafia, Cargill, Vreedle Brothers, Krusty, Kalin, Private HIVE, Control Freak, and Abis Mal go with you guys?

Legs: If it's alright with you.

Nico: YEs it is.

Legs: (To me) Get in my way and I'll whack you in the lobanza.

Me: Get in my way Legs and I'll kick you in the fucking balls.

Legs: HEY!

Louie: Nico, which Gene Slammer do you think you'll meet next?

Red Lantern Ratchet: I hope it's a strong one

Nico: Numbers 8, 7, 6 and 5 next.

Me: Ooh! This will be good.

Qin: It sure will.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was the clones of The God of Light and The God of Darkness, the very Gods who punished Salem wrongfully, and they're here to destroy us. When we saw it, we knew it meant trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Clones of The God of Light and The God of Darkness, the very Gods who punished Salem wrongfully, and they're here to destroy us. This wasn't even Alecto's doing.

Salem: It's them, no doubt about it.

Enkhjargal Cooper: We'll take them down and Lincoln's going to absorb them.

Lincoln: Right, it'll serve as a prelude to when we do go after them.

Nico: That's for sure. Alright, team, let's go, we got to deal with Mercury Black and send him to The M.O.E.

Lincoln: And I'm gonna send a threatening message to Zero just to make sure he knows Death is coming for him tomorrow, and I'll do the same to The Gods who wrongfully punished Salem, and once Mercury Black is taken care of, you two clones of The Gods of Light and Darkness are next.

Enkhjargal Cooper: You two wrongfully punished Salem and made her into The Dark Queen of The Grimm, you may be Gods, but to do that to her, you crossed a serious line, and we'll make you pay by getting rid of your clones.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Remnant to take down Mercury Black and send him to The M.O.E. and Lincoln's going to send a very threatening message to Zero to let him know Death's coming for him tomorrow same with The God of Light and The God of Darkness for cursing Salem long ago, and once we get done with her, Enkhjargal Cooper and Lincoln are going to destroy the clones of The God of Light and The God of Darkness and Lincoln's going to absorb them both.

We went to the ship and we were off to Remnant again.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14068.2: The U.S.S. Valorous Phoenix is en route to Remnant where we are going to battle Mercury Black and we're going to send him to the M.O.E.

Me: Mercury Black thank goodness is not like Cinder Fall thankfully.

Varie: That's good.

Rhomboid: We're still blowing him up real good!

Applejack: YEEHAW! Yes we are!

Fat Tony: Let's call Private HIVE.

Private HIVE:…I'm standing right here, soldier

Fat Tony: Oh sorry.

Me: Yesterday's fight with Cinder Fall was intensely explosive!

Nico: Yeah it sure was! Wow! This one won't be as explosive but it will be a good one.

Varie: Yep.

Universe 666 May: It sure will.

Ryu: I'm looking forward to this

Indigo Zap: I know you are

Mindy Chan: I am too. This is gonna be fun.

Nico: You're looking forward to this sis.

Mindy Chan: Yep.

Lola: We all are excited.

Emerald Sustrai: At least Mercury Black is more honorable than Cinder Fall ever was.

Octagon: I remember you and him worked together lots of times. Reminds me of me and Boid

Emerald Sustrai: That's right.

Ymir: What is his history?

Me: Well it's crazy.

I went over it.

Mercury lived in the mountains with his father, Marcus Black, who was an assassin and heavy drinker that would abuse and beat him. He spent his childhood being "trained" to be a killer, being constantly forced to defend himself from Marcus' attacks. When Mercury finally unlocked his Semblance, Marcus stole it away and told him it would only make him weak. He told Mercury he would give it back if he got stronger, but never did. One night, Mercury snapped, fought against his father, and killed him.

Cinder Fall and Emerald Sustrai saw their fight from afar and were hoping to recruit his father for their cause. However, due to Marcus' death, Cinder asked Mercury if he took after his father. He joined Cinder's faction and has been traveling with them since.

In "Best Day Ever", Mercury and Emerald arrive at a bookstore owned by Tukson and Emerald asks him if he has certain books. Meanwhile, Mercury continues to pick up books and slams them loudly during Emerald's questioning before asking if he has any comics. When Emerald begins to reveal why they are really there, Mercury dims the windows of the shop and kills Tukson when he tries to attack them.

Mercury returns to Roman Torchwick's hideout with Emerald and informs Roman that they were out "cleaning up his problems". Cinder soon arrives and Mercury confirms that they had indeed killed Tukson before he had the chance to flee. When Roman tries to explain to Cinder why he hadn't done the job himself yet because of how busy he is stealing Dust, Mercury compares him to any punk with a gun and ski mask. He then leaves the warehouse with Cinder and Emerald.

In "Welcome to Beacon", Mercury arrives at Beacon with Emerald and Cinder, posing as students from Haven Academy. The three bump into Ruby Rose, where Mercury informs her that they got turned around looking for their building. Ruby then tells them the direction of their building and the trio continue on their way as Ruby welcomes them to Beacon Academy.

In "Extracurricular", Mercury is seen watching Pyrrha Nikos fight with Team CRDL in a class based training fight. Once Pyrrha finishes with the former, Mercury challenges her to a sparring match. Glynda Goodwitch briefly protests this, but Pyrrha gives her approval and the match begins.

The fight is tense, with both parties probing for weaknesses and studying their opponent's skills. Pyrrha briefly uses her Semblance of polarity to manipulate Mercury's boots, throwing him off-balance. Midway through the brief but intense match, Mercury abruptly forfeits, stating that Pyrrha, a world-renowned fighter, is completely out of his league. After the match, he briefly converses with Emerald and enthuses about how much fun he finds learning. He is later seen discussing Pyrrha's Semblance and skills with Emerald and Cinder in their dorm rooms, conveying his findings from their match.

In "Burning the Candle", Mercury enters the ballroom with Emerald and is welcomed by Yang Xiao Long, followed by his answer that both of them wouldn't miss the dance for the world.

In "Dance Dance Infiltration", Mercury is seen dancing with Emerald, while talking to Cinder through a headpiece at certain points throughout the dance. After Cinder arrives at the dance, having successfully completed her mission, Mercury dances with her and asks how her night was, to which she responds that it was much more exciting than expected.

In "Breach", Mercury appears alongside Emerald and Cinder during the Grimm attack on Vale, who silently nods to the two to attack and help in taking out the Grimm attacking humans. Shortly after the fight, Mercury, Emerald and Cinder are overlooking the city of Vale from a rooftop. When Cinder remarks on the day being successful, Mercury adds that with them having lost so much Faunus in the caves, the White Fang won't listen to them anymore. At that moment, Adam Taurus appears and reassures them that they will listen to him.

In "Round One", Mercury is first seen observing different boots at a stand in the fairgrounds. After Emerald is done conversing with Team RWBY, she returns to Mercury, and he asks if she got the information. She tells him Weiss and Yang will be fighting in the second round. He is later seen eating a big bowl of popcorn while spectating the match between Team JNPR and Team BRNZ along with Emerald and Cinder.

In "It's Brawl in the Family", Mercury witnesses the fight between Qrow Branwen and Winter Schnee. As soon as he recognizes Qrow, he becomes worried and runs off to report to Cinder.

In "Lessons Learned", Mercury and Emerald are faced off with Coco Adel and Yatsuhashi Daichi of Team CFVY in the double match due to Cinder rigging the match up. He and Emerald easily win the match.

In "Never Miss a Beat", Mercury is later seen doing push-ups in the Beacon dorms with Emerald and Cinder nearby as the latter looks through James Ironwood's files and finds information on Penny Polendina.

In "Fall", Mercury is elected to represent his faction in the finals round of the tournament, facing off against Yang in the first match. While the two are appear to be evenly matched in the beginning, Mercury unleashed a storm of rounds at her. Just as he walks away, brushing his clothes off in confidence of his "victory", Yang rebounds from his attack and proceeds to unleash a beatdown that costs him the match.

However, he is involved in an elaborate ruse where Yang is tricked by Emerald into seeing Mercury attack her despite his lack of Aura. This causes Yang to attack him in self-defense and "fracture" his leg; allowing him to frame Yang for seemingly assaulting a non-combative opponent. Emerald rushes to his side as he clutches his leg and cries out in pain. However, his legs are prosthetic, unbeknownst to the others present, and he can repair them himself.

In "Beginning of the End", Mercury is evacuated by Cinder and Neopolitan in an Air Bus to their secret warehouse where he hides away so that nobody knows his leg is fine. Cinder's plan carries on with him in hiding.

In "Destiny", Ruby finds Mercury in the stadium with fully healed legs. He notes that the next matchup, Pyrrha versus Penny, will be chaotic due to Pyrrha's polarity and Penny's metal body. Mercury then assumes a fighting stance, preparing to attack an unarmed Ruby.

In "PvP", Ruby attempts to both speed past Mercury and call for help via her Scroll, to no avail, as Mercury impedes her movement, and shoots her device from her hand. Ruby eventually manages to evade and escape, but only arrives to see Penny's destruction at the hands of her opponent. Seeing the plan was successful, Mercury leaves Ruby to grieve without further harming her, going back the way he came.

In "Battle of Beacon", Mercury is seen with Cinder and Emerald, standing on a rooftop as he is filming the Grimm's attack on Beacon with a Scroll. Cinder instructs him to focus on the infected Atlesian Knight-200s, before he is interrupted by the Grimm Dragon's arrival, which Mercury also focuses on.

In "The Next Step", Mercury is seen present at Salem's Domain surveying its surroundings and accompanying Cinder alongside Emerald. He gets upset when Watts mocks him, but is restrained by Emerald.

In "Of Runaways and Stowaways", Mercury and Emerald watch Cinder receive "treatment" from Salem. Both he and Emerald back away in fear as a Seer comes in to report the Grimm's lack of success in finding the relic at Beacon Academy.

In "No Safe Haven", Mercury is seen watching Cinder train with Grimm and then incinerate a vision of Ruby created by Emerald.

In "Rest and Resolutions", Cinder arrives at the Branwen Tribe campground with Watts, Mercury and Emerald.

In "A Perfect Storm", Mercury introduces the group as people Raven should be afraid of, and upon Raven's dismissal, Cinder quiets Mercury's ensuing outburst. They tell Raven to bring Vernal as the Spring Maiden to Haven Academy to unlock its Relic's chamber. After negotiations, Mercury and the group return to a ship where they take rest.

In "The More the Merrier", Mercury then accompanies Cinder as she leads the assault of Haven and confronts Yang, demanding for an apology for his leg back at the tournament. They fight, but their battle is interrupted when Cinder impales Weiss Schnee.

In "Vault of the Spring Maiden", Mercury teams up with Emerald in stopping Yang from following Cinder into the vault, using her hallucination Semblance to create multiple clones of him. However, their advantage is cut short when Ruby rushes in to save Yang and assist her in the fight.

In "Downfall", Mercury knocks Crescent Rose out of Ruby's hands and taunts her lack of skills without it. However, he is shocked when Ruby headbutts him and proceeds to retrieve it. Mercury later attempts to stop Yang from reaching the vault and grabs her prosthetic arm, but she detaches it and makes it inside.

In "Haven's Fate", Mercury shows annoyance when Lionheart flees in terror after Blake and the authorities arrive. Eventually, Mercury is brought to his knees and realizes their side is losing the battle. When Yang returns from the vault with the Relic of Knowledge, Mercury assumes the worst for Cinder and tells Emerald they need to retreat. When Emerald overexerts her Semblance to create a massive hallucination, Mercury and Hazel grab her and take the opportunity to escape, their mission at Haven a failure.

In "So That's How It Is", Mercury attends a meeting called by Salem, where Hazel admits that it was Cinder's fault that they lost the Battle of Haven. Salem tells them all that they must leave Cinder behind, though Mercury is just surprised to hear that she is still alive.

In "Lost", Emerald regrets leaving Cinder behind and considers that fact that she may not want to continue what she is doing without her. She asks Mercury what he wants out of what they are doing, and he states that he simply wants to be on top when Salem remakes the world. When Emerald thinks back to Cinder, Mercury has to tell her that Cinder does not care about her, causing her to get angry and attack him. The two fight, with Mercury explaining that his father trained him to be a killer by beating and abusing him throughout his whole life, even stealing his Semblance away with his and never returning it. The two fight until Tyrian intervenes, telling them that if they do not love what they do regardless of the circumstances, they are in over their heads already. He then leaves, telling them that he and Watts have been assigned a special mission in Atlas.

In "Our Way", Emerald goes to apologize to Mercury, but finds him staring out a window, shocked. She looks to see Salem creating hybrid Beringels with wings on their backs. Hazel tells them that she is taking matters into her own hands.

In "Divide", Mercury, Emerald, and Hazel meet with Salem upon which they spot Cinder and Neo. Emerald expresses relief her old master is alright and goes to greet her, while Mercury and Hazel silently stand firm. After Salem tells Cinder to know her place, she waves her hand, and dismisses Mercury alongside the other subordinates.

When it was done everyone was shocked.

Gus Grav: He doesn't seem that bad.

Vulcan: If anything, Cinder used him like a tool like with Emerald

Salem: Yes Cinder always treated him as such.

Me: Well now that Cinder is gone he can get a new job that treats him better.

Nico: Yep.

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw that we were at Remnant again.

Kalin: We're back at Remnant

Me: Yep.

We got to landing and we were by Atlas again.

Me: Atlas again for another round.

Nico: It sure is.

Krusty: Thanks for beating up that cartel for me guys.

Mushi: No problem, Krusty

Bart: No one beats up my hero and gets away with it.

Me: That is for sure.

Krusty: Thanks guys. Besides I still have lots of fight left in me! (GOOFY LAUGHTER)

Me: Yeah!

Control Freak: What should I summon this time?

Nicole: I got something.

She whispered and he summoned the Data Versions of Organization XIII from Kingdom Hearts II.

Nico: OOH! The Data Versions of Organization XIII. Nice choice.

Control Freak: I thought so too.

Lola: Yeah!

Kalin: No one tries to hurt one of our own and gets away with it!

Me: You got that right!

Qin: Yeah!

Carly Atlas: You got that right too!

Me: Yeah!

Nico: Okay guys we get it.

Me: , Lincoln wound up getting a serious nosebleed as blood gushed out of his nose!

But then...!

TEX AVERY WOLF HOWLS! CATCALLS!

Lincoln did Tex Avery McWolf gags and then was launched by a huge nosebleed into a palm tree!

Then...

BLANG! BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG!

Lincoln got hit on the head with 10 Coconuts!

Patrick: DAHAHAHA! THAT GUY GOT HIT ON THE HEAD WITH 10 COCONUTS!

Me: Oh man! Lincoln, you okay?

Lincoln: Yeah, and Patrick, that guy was me!

Patrick: Sorry.

Me: Uh oh! Intensely Smoking Hot Akuma bikini babe alert?!

Lincoln: You better believe it! Her name is Hypnotic Emerald and she is one smoking one babe! The Hypothetical Akuma of Emerald Sustrai and a beautiful and hypnotically voluptuous girl that has the powers of emeralds and crystal. She can draw in people with her beauty. She was made because of the atrocities of Salem and vowed to destroy her!

WE GASPED!

Then, Lincoln showed us a sketch of her on his sketchbook and she was a smoking hot bikini girl with a sparkling bikini and wings!

Me: YOWZA! First, Rose Seducer, Flametaurette, Stormbikini, Blake Cat, and Crystalschnee, and now, it's Hypnotic Emerald.

Lincoln: I'll let her pull some of her seductive poses. (Smirks) But, that's when I use my bodybuilding poses on her and use my own art of seduction against her.

Nico: Fighting fire with fire? This should be good.

Brimstone: Juru's probably liking her.

Juru: I am.

Nicole: Anyone thinks of anything perverted and I will kill you!

Nico: Oh boy.

Then we saw a bunch of people gathering in a spot.

Me: Wonder what's going on there.

We got passed the crowd and saw her! We saw HYPNOTIC EMERALD!

Me: WHOA!

Hypnotic Emerald: Hey there guys. Like what you see?

She did a pose and winked and Lincoln melted into a puddle of slop!

I soaked Lincoln up with a sponge and squeezed him out and he was back to normal.

Lincoln: Thanks J.D.

Me: No problem.

Abis Mal: Emerald? Is that you?

Hypnotic Emerald: Yes it's me.

Me: You made Lincoln melt into a puddle at the sight of you.

Hypnotic Emerald: I sure did. Let me make that fun.

She went over and kissed him on the lips. Then he turned red and turned into a firework rocket and flew into the sky and a massive fireworks show was on!

Lincoln came down and he held on trying not to go wild, but then...!

SUDDENLY, A MASSIVE WALL OF RAGING WILDFIRE APPEARED BEHIND LINCOLN!

Then, Lincoln proceeded to do the bodybuilding poses he used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that caused Hypnotic Emerald's nose to gush out blood!

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, Emerald?

She was really swooning over him especially when he started showing off by flexing his muscles.

Hypnotic Emerald: (Thinking) (Swooning) What a handsome and manly wolf hunk.

Lincoln: (Smirks) (Thinking) Gotcha!

Then, Lincoln pounced on Hypnotic Emerald and pinned her to the ground with him on top of her.

Me: Whoa!

Nico: He's got her beat!

Nicole: Beaten at her own game of seduction by Lincoln.

Hypnotic Emerald: (Thinking) Oh man, he got me good with bodybuilder poses and pouncing on me.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally massive sex drive, hyperpuberty, and genes he'd inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Suddenly, Hypnotic Emerald began to wrap her legs around Lincoln's waist, and and he wrapped his massive muscular arms around her waist and then, he leaned down to her face and they kissed each other on the lips deeply and passionately and it got seriously intense as she placed her hands on his massive hairy pecs.

Then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Hypnotic Emerald with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Hypnotic Emerald: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be, you got me good and beat me at my own game of seduction. Who could've guessed the boy I met long ago would grow up into a 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs.

Lincoln let out a seductive wolf growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Hypnotic Emerald: (Smirks) Well, well, someone's a little...aroused.

Then, Lincoln let go and he carried her bridal style.

Lincoln: You'll have time for a little...intimacy later on tonight at the hot springs in my room, I promise.

Emerald: And that's indeed a promise.

Hypnotic Emerald: First lets get my battle done.

Private HIVE: Soldier, you're getting a court martial if you don't calm down!

Me: I Think the only thing she needs a court martial for is making Lincoln fall head over heals with her.

WE LAUGHED HYSTERICALLY!

Qin: That is true!

Nico: Funny!

Lincoln came down.

Me: See what I mean?

Hypnotic Emerald: Yes you're right and I know Salem is back and redeemed.

Me: Yes that's right.

Hypnotic Emerald: Lincoln can mark me and then you guys can come at me.

Lincoln: Okay.

Lincoln marked her like he did with Weiss's Akuma and others.

Me: Okay then.

I fired waves of energy and blasted her.

Private HIVE did the same and blasted her down.

Hypnotic Emerald: My turn!

Me: Just don't do anything that will make Nicole kill us!

Hypnotic Emerald: Oh it's not like that.

She raised her hand and formed a line of crystal clusters and we dodged them and fired waves of energy and blasted her down.

Me: YEAH!

Nico: That was cool!

Lincoln: Yep, Now, let's go teach Mercury Black a lesson.

Nico: (Smirks) Planning on giving Hypnotic Emerald another display?

Luna: Dude, if he did that, she'd be sent flying to the skies in a nosebleed rocket!

Nicole: Just making sure you guys don't do anything Jiraiya would like. Like this!

She fired a blast of energy and it hit a tree and exploded and out came Jiraiya and he screamed and fell to the ground! Nicole opened a portal and he went through it and Lady Tsunade was sleeping! Then...

KRASMASH!

He crashed right on top of her and had his face in between her breasts.

Me: And cue thrashing in three... two... one...

Lady Tsunade: JIRAIIIIIIYAAAAA!

MASSIVE THRASHING OF EPIC PROPORTIONS!

SMASH BASH WHAM BIFF KROW!

She beat the living shit out of him times 10!

Naruto: I swear, Pervy Sage doesn't know how to take a hint.

Me: No he doesn't bro.

Qin: Yep.

Emerald Sustrai: When we see Mercury, I know how to start things off.

Private HIVE: Can't wait to see it, soldier

Me: Lets go get him now.

Nico: Right.

Eli: He's 30 miles north northeast.

Me: Lets go.

We were off.

We saw Mercury Black, and he was waiting.

Nico: There he is. He's waiting for us.

Lincoln let out a growl as his deep sapphire eyes with yellow rings surrounding them remain the same, but his pupils turn to slits, and his abnormally massive and powerful

upper and lower body muscles bulged even more as more veins formed and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair remained the same, his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner remained the same, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and markings of his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln went wild on Mercury Black as he punched, kicked, and slashed at him like a wild beast, and he left scars on him.

Then, Lincoln held out his left hand and fired five massive balls of fire at Mercury Black, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

Lythos (to Ebonwumon): Emerald's Akuma is a SMOKING HOT BABE! What can she do?

Ebonwumon: (Irish Accent) Oh she is one amazingly well made beautiful lass. Her name is Hypnotic Emerald and she even made Lincoln do Tex Avery style wild takes. {Second Head} She was made because of the atrocities that Salem did and vowed to bring her down. {First Head} Oh way to spoil the plot line Mr. Rub-It-In-McEager Pants!

Lillymon: But she was really smoking hot for Lincoln. He had a nosebleed that sent him flying into a coconut tree and he did all kinds of wild takes.

Crimson Comet: It was funny.

Starlight Glimmer: It sure was! And her bikini was sparking like a bunch of diamonds. Same with her wings. Even Rarity complimented her on it.

Moonlight Glimmer: That was amazing.

Kari: Well some of the people of Remnant are not going to be forgiving to him for all the crimes he did to them.

Angewomon: I agree there too. The people of Earth might be forgiving but Remnant isn't to some.

Candy Apple: Especially to everyone that he hurt.

Princess Celestia: Yeah no kidding there. What happened was horrible. Mercury actually has honor whereas Cinder Fall did not.

Dawn Eclipse: Yeah what a monster.

Princess Celestia (G5): Yeah I agree! But this will be another of the Remnant Core Members done with their day. And then we have Lie Ren's day to finish.

Cernumon: I agree there on that one.

Aria Blaze: Yeah that is for sure.

Princess Luna: That is for sure and it will be awesome.

Dusk Eclipse: I think some of the Jarrod is the only one out of the entire Jungle Fury Team that doesn't have an archenemy.

Princess Luna (G5): Yeah that's right.

Private HIVE: Time for my shield to give you an honorable discahrge from Anti Monitor's team!

He fired a blast of energy and blasted Mercury down!

Me: You deserve much better than a monster like Anti-Monitor.

I fired energy and blasted him too.

Lincoln and his harem: STREET FIGHTER FINAL SMASH: HADOUKEN BLAST!

Lincoln and his harem fired a barrage of Hadoukens at Mercury Black which exploded with incredible power as they hit him and left him with really big boo-boos. Then, Lincoln delivered a powerful roundhouse kick to Mercury Black and sent him into a portal that led to The M.O.E.

We cheered as we holstered our weapons and powered down.

Nico: And that is that.

Me: You said it. Now, Mercury Black is in The Masters of Evil.

Lincoln: We showed him how much we'd grown and evolved over the past four years. Now, there's one last thing to do and one last loose end to tie up: The clones of The God of Light and The God of Darkness.

We then turned our attention to the clones of The God of Light and The God of Darkness who were still in suspended animation.

Clones of The God of Light and The God of Darkness: YOU! WHEN WE GET OUT OF THIS, WE WILL DESTROY YOU!

We were amazed by Enkhjargal Cooper's transformation, but when Lincoln saw her, he had a bright atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose gushed out blood like a fountain and it hits the clones of The God Brothers as they screamed in pain as they got burned badly by Lincoln's acid blood.

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death. Clones of The God Brothers, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Time to die, you clones of The God Brothers.

Lincoln, Enkhjargal Cooper, Nico, and I went after the clones of The God Brothers, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at the clones of The God Brothers, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Enkhjargal Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Enkhjargal Cooper, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making the clones of The God Brothers even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit the clones of The God Brothers and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound the clones of The God Brothers.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of the clones of The God Brothers and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the clones of The God of Light and The God of Darkness and he began absorbing them and assimilated The God of Light's Vast Powers of Creation, Nigh-Omnipotence, Materialization, Shapeshifting, Photokinesis, Immortality, and Magic and The God of Darkness' Vast Powers of Destruction, Nigh-Omnipotence, Materialization, Shapeshifting, High Intelligence, Umbrakinesis, Immortality, and Magic, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones and he also sucked out all the energy remaining in the clones' souls and they faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Enkhjargal Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Enkhjargal Cooper: It's over for you, clones of The God Brothers, and to this we say good riddance. Thanks for helping me get rid of those clones, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Enkhjargal.

Me and Nico: Our pleasure, Enkhjargal.

Suddenly, Enkhjargal Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Enkhjargal Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln andEnkhjargal Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Enkhjargal, you transformed and you guys really let the clones of The God Brothers have it.

Me: That's for sure, and that sent the warning to The God Brothers, the real ones, and to Zero. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Emerald.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Emerald.

Catherine Diamantis: There's only one person who matches this: Elizabeth Beaumont, Avatar and Gene-Slammer of Gem-Knight Emerald, and you guys are going to love meeting her, Elizabeth Beaumont, Avatar and Gene-Slammer of Gem-Knight Emerald, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of emerald gems and crystals. She's known as The Emerald Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Elizabeth Beaumont came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of emerald gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of emerald gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Marlene Duvessa, Gene-Slammer of Steelswarm Mantis and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Elizabeth's parents and her little sister, Eliza, in cold blood, and she swore to kill Marlene Duvessa and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Elizabeth lost both her parents and her little sister, Eliza, and Marlene Duvessa killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She don't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Titanium Toenail: Another Remnant villain dealt with.

Lythos: And another recruit added.

Arbormon: You said it.

Ranamon: Let's eat somewhere.

Po Kong: I call dibs on all the food!

Nico: Now now. But great job guys!

Me: Yeah!

Qin: Boy this was an epic series of adventures for Remnant.

Varie: It sure was.

Nico: Yep.

Emerald Sustrai: (To the viewers) This was an awesome adventure set.

Me: Yep.

We went to a buffet in Atlas and went back home.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Cinder Fall is gone forever.

Anna Anyanova: That's for sure.

Arianna Salem Rose: You said it. Cinder Fall became the next one of Remnant's big enemies to die, and soon, Jacques Schnee will join her and Tyrian Callows in The Black Abyss.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out

in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Alexander Avalon was out in the city and looking out into the skies.

Alexander Avalon: So far so good. We took down The Dark Shadow Card, but tomorrow, I got the feeling we're going to take on the dark version of The Watery Card, and that one was an intense capture since Sakura had to use Fly to get away and Windy to capture The Watery Card, but we'll be ready for them.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, but we're ready.

In the Sinnoh Region, Officer Jenny and her squad were doing their patrol.

Officer Jenny: (sees something flying towards them) Wait. What's that?

They got out of the way of the object. It appeared to be the Iron Boy suit. Too bad that wasn't the case!

IronWarHawk: (in Double D's voice) My name is Iron Boy aka Eddward Double D. And I bring you this message. (opens fire with his repulsors)

They dodged him.

Jenny: That can't be Double D. Wait a minute! I know who is in there. ZERO! I to call the team.

She knew it was trouble!

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to the north of Gotham Royal York, and we're here to take down Joyce Crandall, the villain from The Loud House episode Save Royal Woods who has The Dark Watery Card in her hands and with it, she intends to fulfill her plan of flooding Gotham Royal York and killing everyone in the flood to turn it into another Great Lake for her greedy tourism plan, but we won't let that happen, and once Lincoln sucks out the powers of The Dark Watery Card, Lincoln's also going to kill Joyce Crandall by entombing her in a ball of water and let her drown, and then, we send her to The Black Abyss, and we're going to meet Elizabeth Beaumont, Avatar and Gene-Slammer of Gem-Knight Emerald, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of emerald gems and crystals. She's known as The Emerald Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel

Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Elizabeth Beaumont came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of emerald gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of emerald gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Marlene Duvessa, Gene-Slammer of Steelswarm Mantis and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Elizabeth's parents and her little sister, Eliza, in cold blood, and she swore to kill Marlene Duvessa and make sure she's sent to The Black Abyss forever!

Edd's day is next and we're going to battle Zero and save the Reverse World from him again!

See you all next time.

Reverse World Peril

This chapter is for Double D's day to shine. It's a sequel to the chapter we did for Pokemon Giratina and the Sky Warrior

---

In the early evening hours of 11:45 PM, we were sleeping, but then, the phone rang. We got up and I got the phone.

Me: Hello.

Officer Jenny: J.D., it's Officer Jenny, we got trouble in The Sinnoh Region. We got attacked by Zero!

WE GASPED!

Me: HE WHAT?!

Nico: That piece of shit monster!

Edd: I can't believe him. Is everyone okay?

Officer Jenny: We're okay, and I heard Zero's voice inside The IronWarHawk suit, and I knew it from anywhere. He tried to do this in order to ruin your good name again, Edd, and he's out to destroy The Reverse World once again.

Lincoln: That rotten monster. Officer Jenny, tell everyone to barricade themselves in their homes and to stay home, and tomorrow, we're gonna get rid of Zero once and for all.

Officer Jenny: Understood, Lincoln.

We hung up.

Me: I can't believe that piece of shit monster, I knew he was a bastard, but this has gone too far.

Nico: I agree. Tomorrow, we're going to the Sinnoh Region, and we're gonna kill Zero for good.

We then went back to bed.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a terrifying poisonous swamp planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over poisons, venoms, and toxins, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Venomaira, a terrifying poisonous swamp planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Venomairans, the males were not only natural born fighters, but had powers over poisons, venoms, and toxins, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Venomairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Oh man! A poison swamp?! Yikes! I already know the drill.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Venomaira once inhabited by The Venomairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Venomaira, it sure is a terrifying poisonous swamp planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Lavaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a green gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of green souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Venomaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Venomaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over poisons, venoms, and toxins, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and green aura with poison bubbles, venom bubbles, and toxin bubbles surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over volcanoes, lava, molten earth, and magma, and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Venomaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Venomaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-

shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Venomaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Venomaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and

massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Venomaira, it was a terrifying poisonous swamp planet.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, and I would've thought The Infernairans would've been poisoned, but The Infernairans still laid waste to The Venomairans, and there truly is no end to the terror they'd wrought throughout the universe

Lincoln: Arpina's former people were absolute monsters.

Double D as sleeping.

Edd is sleeping soundly when a shoe flies in through the door. It bounces around the room and hits him on the head. He gets up and goes to the door.

Eddy: "Hey! Rip Van Winkle! Get cracking, will ya, we're late for school!"

Ed: "An early bird catches the peanut, Double D!"

Edd: "School? I hate to be the bearer of bad news, gentlemen, but today's the 20th and it's Summer Vacation?" [Edd shows them a calender; Eddy went to look at it.]

Eddy: "SUMMER VACATION!? Ed, you dolt! You woke me up for school in the middle of Summer Vacation?!"

Ed: "It wasn't my fault, Eddy! My belly told me it was bottomless gravy day in the cafeteria. Bad belly!" [He spanks it with a fly swatter.] "Bad!"

[Eddy grabs the swatter and brings it down on Ed's head repeatedly.]

Eddy: "Your head's bottomless!"

Ed: "Belly bad, Eddy!"

Eddy: [chasing him] "C'mere, you little–"

Ed: "Belly!"

Then Ed and Eddy got into a NASTY HORRIBLE FIGHT CLOUD!

Edd: Loveable oaf.

Porygon Z: Morning Double D. Time for breakfast!

Then he went and got dressed and cleaned up and went to the table.

Me: Morning Double D.

Linka: Morning hunky. (Kisses him)

His face sizzles!

Ed and Eddy were shouting while fighting!

Eli went over to them.

Eli grabbed them.

Eli: Pardon me you two but I must discipline the nanny goats!

KRABLANG!

He bashed their heads together!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with

surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Mr. Mind, he's back and on the volcano planet Dilgan, and he's a giant!

Poromon: WHAT THE HELL!? WAS THAT?!

Lincoln: Mr. Mind. I should've known he'd be back again for more, and he's a giant. Well, we're gonna shrink him back down to size in a fight, and you'll chase him again like what you did to him two years ago, Poromon.

Poromon: YES!

Lincoln: And I've also got just the venom to kill Zero, and when I absorbed Planet Venomaira, its core, its' Sun, and the male Venomairans' souls merged with me, my powers over poisons, toxins, and venoms have also gained an infinite power boost.

Me: I can't wait to see what kind of venomous cocktail you'll use on that monster.

Nico: I hope he chokes on his own blood.

Lincoln: He will. Alright, now let's finish breakfast and head for Dilgan to deal with Mr. Mind for good.

We finished breakfast, and we headed to Dilgan to help Derpy Hooves unlock her Rainbow Power and finally get rid of Mr. Mind, the worm who started Team Dark Phoenix Storm years ago, once and for all and send him to The Black Abyss forever!

Me: We'll think of something.

Lincoln: Okay, guys, we're in for one fiery battle, we're here on Dilgan to help Derpy Hooves unlock her Rainbow Power and finally get rid of Mr. Mind, the worm who started Team Dark Phoenix Storm years ago, once and for all and send him to The Black Abyss forever!

We had all of TLPS and The MOE with us.

Nico: I have had it with that worm to last an eternity.

Me: Yeah, this time, he's done forever.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy,

but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper

and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that

Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Randy heard a Pokemon cry

Randy: Hey look guys!

We saw a Froakie!

Me: A Froakie! Cool!

Froakie: This place is scary.

Randy: I know.

He gave it food.

Froakie: Thanks.

Froakie ate the food and loved it.

Froakie: Ahh thank you.

Randy: Want to come with me?

Froakie: I would be honored.

Me: Awesome!

Poromon: Yay!

Eddy: Want a Jawbreaker, Poromon?

Poromon: No thanks. I'm conserving my appetite

Eddy: Ah for Mr. Mind.

Poromon: Yep.

Ymir: Who is Mr. Mind?

Lana: Oh he is a Worm.

Billy Batson: And he is one of my most dangerous enemies.

Me: And also is the mastermind behind all the events that happened during our battles with Team Dark Phoenix Storm.

I went over his history.

Mister Mind is one of the main antagonists of the DC Universe, specifically serving as one of the two main antagonists (alongside Doctor Sivana) of the Shazam franchise.

He is one of the archenemies of Captain Marvel/Shazam and the Shazam Family, as well as an enemy of Booster Gold, the Justice League and a number of other heroes.

While his origins vary between versions, in all he is portrayed as a telepathic caterpillar-like creature who seeks to destroy the Marvel Family and take over the universe. He is also often depicted as the leader and founder of the Monster Society of Evil.

Although each member of the Marvel family has their own individual archenemy, Mister Mind holds the title of being the archenemy to the family as a whole. And has proven on multiple occasions, that despite his diminutive size and cartoony look, he is truly their most evil and dangerous opponent.

Mister Mind claims to be the world's wickedest worm. He claims that he and his species came from Venus and that his species ruled all of the Earth in between the extinction of the dinosaurs and the very first first Ice Age. He wants to take control all over the world. But so far his plans have been failures. Many of his plans are motivated also by getting revenge on the Marvel family for foiling his initial plan, and in the process he's killed untold hundreds.

Mister Mind returns in the new Shazam! series during the "DC Rebirth", still in an alliance with Sivana. Residing inside of Sivana's ear, Mister Mind has Sivana go to a doctor's office to cut out the tongue of a "medicine man" as it is needed for a spell. It is revealed that Mister Mind's real name is Maxivermis Mind and is believed to have originate from the Wildlands, one of the seven realms in the Magiclands. He originally possesses magic derived simple bookworm. Mister Mind suffered abuse as a child and tried for years to break into the Library of Eternity.

He eventually succeeded and after absorbing all the knowledge and power of countless spells, he returned to the Wildlands and took his revenge on those who he believed had wronged him. Achieving his revenge, he set his sights on the Council of Eternity. He managed to work his way inside the council and it took the combined might of Solomon, Hercules, Atlas, Zeus, Achilles, Mercury, and to Mister Mind, but he was able to cause the death of Solomon. Mind's goal to consume and control all the power of the Magiclands.

Mister Mind and Doctor Sivana plan to head to the Monsterlands to build the Monster Society of Evil from its inhabitants. As King Kid fights the Shazam Family in Philadelphia, Doctor Sivana and Mister Mind are directed to a boat by Dummy who cannot accompany them since he cannot deal with water. When they arrive at the Dungeon of Eternity, Mister Mind states that the inmates of the Dungeon of Eternity were gathered from all over the Magiclands and imprisoned for challenging the Council of Wizards. In addition, Mister Mind stated that the Monsterlands used to be called the Gods' Realm until the day of Black Adam's betrayal which led them to strip the gods of their powers and close the doors to the Magiclands.

They find a small prison containing Superboy-Prime in the Monsterlands as Superboy-Prime states that he can hear what Mister Mind is saying. Mister Mind and Doctor Sivana begin their plans to free the Monster Society of Evil from the Dungeon of Eternity. Mister Mind senses the fight between the Shazam Family and Mamaragan as he instructs Doctor Sivana to stab his magical eye with a dagger which starts to melt the doors to the cells holding the Monster Society of Evil. Then Mister Mind started to control C.C. revealing to Billy that he is using him as a host and not Doctor Sivana. Mister Mind states to the Shazam Family that he plans to use C.C. to unite the Magiclands under his rule.

He then proceeds to summon the Monster Society of Evil leaving Dummy behind who is tricked by Superboy-Prime into freeing him. Shazam faces off against a Mister Mind-controlled C.C. Batson while the others fight the Monster Society of Evil. During the fight, Scapegoat and Red Queen ask when they are going to get a turn. Mister Mind states that they will get their chance when the Magiclands are united.

Mister Mind states to Shazam that it took him and Doctor Sivana awhile to find C.C. Batson. When Doctor Sivana uses a spell on Victor and Rosa Vasquez to get what Mister Mind wants, Shazam asks what that is. Speaking through C.C., Mister Mind states that he wants what Mamaragan and his Council of Wizards denied him years ago...access to the magic of the Seven Magiclands. When Tawky Tawny tries to help Shazam, Mister Mind has C.C. turn him into a cub. Then he has Doctor Sivana summon the Book of Champions from the Rock of Eternity.

Mister Mind then has Shazam read the spells on the pages in exchange for sparing Victor and Rosa. Complying with Mister Mind, Shazam reads "Seven lands. Seven wars. Seven locks. Seven doors. Magic realms hidden now, show yourself to the Champion and with one final word, the spell is complete! SHAZAM!"

This causes all the doorways to the Seven Magiclands to be unlocked and obliterated. Using a spell from the Book of Champions, Shazam shrinks himself with the Subtraxerim spell and enters C.C.'s head to confront Mister Mind. Shazam confronts Mister Mind inside C.C.'s head and engages him in a magic battle. To prevent Mister Mind from casting spells, Shazam punches his talkbox enough to emit energy that knocks out the Monster Society of Evil. After using the Corpus Magnum spell to grow, Shazam works to undo Mister Mind's spell only for Superboy-Prime to interfere. He was able to undo the spell after he and Black Adam defeated Superboy-Prime.

When it was done everyone that hadn't heard about it was shocked!

Ymir: You got to be kidding me!? He's a worm!?

Me: A Venusian worm but he has intensely massive intelligence and is that smart and cunning.

Qin: Yep.

Poromon: But he tastes like chicken and I love eating him.

Ymir: Oh right because you're a bird and he's a worm. I get it.

Camie: Yep.

Eddy: You sure the overall target of today isn't IronWarHawk?

Me: Positive. Officer Jenny called us and told us that Zero is back. I'll go over his history later.

Eddy: I'm just saying because both Mr. Mind and Zero are users of the IronWarHawk armor.

Me: I understand.

Nico: But this time it's not him in IronWarHawk armor that we have to worry about. He's giant.

Eddy: Oh boy.

Lola: Yeah.

Then a roar was heard!

Me: WHOA LOOK!

We saw a MEGA GIRATINA!

Me: Mega Giratina!

Nico: It's fitting for today!

Me: Yeah! Must be one of Dark Gale's work.

Takeru: Let me see here.

He used Telepathy and gasped!

Takeru: Oh man! It's my sister Kumiko! You guys will get a great surprise from her!

Me: Lets go help her!

We flew up to her.

Takeru: Kumiko calm down! It's me Takeru!

She used Shadow Force and went invisible and appeared behind us!

We fired energy blasts and hit her and knocked her down.

Me: Shadow Force. Powerful move.

Takeru: No kidding!

Me: Okay then.

I snapped my fingers and she reverted back. She was a girl with black hair and orange eyes and had black angel wings and had Mega Giratina on her forehead and had Vegvisir with the Kamen Rider Ghost Symbol on it on her arm as her cutie mark.

We wrapped her in a blanket and brought her over.

She woke up.

Kumiko Tenkuji: (Groan) What hit me?

Takeru: Hey sis.

Kumiko Tenkuji: (GASP) Takeru!

She hugged him!

Kumiko: I'm glad you're okay!

Takeru: I am too.

Kumiko: Whoa where are we? Are we in Hell?

Me: No this is the Volcanic planet Dilgan. You were turned into a Mega Giratina by Dark Gale.

Kumiko Tenkuji: Dark Gale? Who are they?

Me: A Pokemon Villain organization we destroyed a while back. What were you doing when you were slammed?

Kumiko: I was fighting Kamen Rider Dark Ghost.

Me: (GASP) That was Argo! He was Kamen Rider Dark Ghost!

Nico: I think he's in the Masters of Evil already

Me: He is.

Onua: We battled Adel on my big day with you guys.

Me: It's true and Adel may be back on Onua's day too.

Kumiko: Oh man.

Me: Yeah. What rider are you?

Kumiko: Oh I am Kamen Rider Erikkson. I have the power and abilities of Leif Erikkson.

Me: (GASP) That was my ancestor! I am the direct descendant of the great Leif Erikkson. Over 1,000 years ago he was one of the greatest vikings ever.

Kumiko: Amazing!

Qin: It's true. Also the Eyecons have taught us so much about many historical figures we knew nothing about.

Nico: Good memories.

Me: Yeah it's true.

Carly Atlas: It's true. We learned so much about many amazing historical figures that we never knew even existed over the centuries.

Kumiko: I can see that.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new black and purple clothes and a Darkness Sword and Takeru gave her Rider Belt.

Kumiko: I look amazing.

Me: You sure do.

Onua: I'm Takeru's brother

Me: Not by blood but bonds.

Takeru: Long story.

Kumiko: Wow! I have a lot of catching up to do.

Me: Yeah.

Poromon sniffed for Mr. Mind.

He smelled like chicken.

Poromon: (DROOLS) I smell him (Points to the west)

Lincoln: (Sensed for Mr. Mind) AHA! There you are, you worm! I just spotted Mr. Mind, he's 200 yards away, and he's gone crazy with anger.

Me: At us for what we did to him in the past.

Nico: Time to put an end to Mr. Mind, and this time, for good.

We then took off to destroy Mr. Mind and send that little mealworm to The Black Abyss forever after Poromon deals with him.

We were flying in the air, and there, we saw Mr. Mind, and when he saw us...!

Mr. Mind: DIE, TEAM LOUD PHOENIX STORM!

Mr. Mind fired blasts of intense lightning at us, but Lincoln sucked in and absorbed the lightning and it made him stronger than ever, I also did the same thing as well.

Me: Well, that was a new one, getting intense lightning powers and growing to the size of a giant, this is gonna be an intense fight.

Lincoln: One we'll end for good. Time to put this whole Team Dark Phoenix Storm nightmare to rest for good.

Lincoln formed a massive orange energy ball with intense fire circling around it in his left hand and he cupped it with his right hand.

Lincoln: (ECHOING VOICE) PHOENIXHEART FIRESTORM KAMEHAMEHA!

Lincoln fired the energy beam and the heat and flames of Dilgan made it even stronger and it hit Mr. Mind and he got burned.

Me: We meet again Mr. Mind! For the Last Time!

Billy Batson: SHAZAM!

LOUD THUNDERCLAP!

He turned into Shazam!

Mr. Mind: (to me) My plan was so perfect. You were feeling sorry for yourself. The Loud Family abandoned you. And I picked out the perfect members!

Me: Well you thought wrong you overgrown mealworm! The Loud's would NEVER abandon me! Not after everything they went through and all that!

Shazam: That's right Mind! You also lost because your overconfidence was your undoing!

Tsuyu: And Linky would never abandon all his future wives!

Nico: YEAH! Also Mr. Mind I should thank you. If it weren't for you I would never be promoted to full time leader. Now I'm leading the team much better!

Shazam: And you picked the wrong members!

Me: That's right! They would end up being your downfall because of Chameleon being one of our spies.

Mr. Mind: I WILL KILL THAT LIZARD!

Me: You will do no such thing! Also another thing you should have never done was have Morag with you!

Mr. Mind: Yeah why is that?

Me: Because she was a monster and was likely going to kill you too!

Mr. Mind: If I can't destroy you as IronWarHawk, I'll destroy you in my natural form!

Me: Bring it you oversized tubesteak!

Nico: YEAH!

Me: (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When

I used my Rainbow Power Form!

Then MR. MIND ROARED AND GREW GIANT! HE WAS NOW A 50 FOOT TALL WORM!

WE GASPED!

Mr. Mind: At least Zero will make sure my former armor kills you fools!

Me: We'll see about that!

I grew giant and I was about 60 feet tall!

Me: Another thing about Applejack that she can do and hasn't discovered yet, is grow giant!

Applejack: I can do that!?

Me: You sure can Applejack.

Applejack: Well boy howdy! That will be something!

He fired lightning at me and I deflected it back and I fired blasts of fire and energy and blasted him.

I jumped and grabbed him by his tail and smashed him on the ground!

Eli: GO BRO!

Froakie charged at him and blasted him with water.

I punched Mr. Mind in his face numerous times and bashed and smashed and pulverized him all over!

I then used my powers and formed a giant tree and placed him on top of it and then pushed him off and like Kaa he came off it!

Mr. Mind: WHOA! WAA WAA WA! (BONKS)

He crashed into the ground!

CRASH!

Me: That is so funny how that happens to Kaa.

Poromon charged at him

Poromon: TIME TO EAT YOU FOR DINNER!

Mr. Mind: OH POOP!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a massive blast of lightning and electrocuted him!

Poromon tried eating him

But he was too big!

Me: Let me help with that.

I smashed him and shrunk him down!

He was back to normal size.

Me: That's more like it.

I shrunk down too.

Me: Thomas Savery was the inventor of the very first commercial grade steam powered engine.

Kumiko: Cool! Never knew that!

Carly Atlas: See? Told you they taught us so much.

I fired waves of steam and energy and blasted Mr. Mind.

Takeru: Like old times?

Kumiko: Lets do it!

Lincoln got out 999 septillion massive industrial-sized cans of spinach, and he opened them up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CANS OF SPINACH!

Me: OH CRAP!

Nico: OH NO!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf howl and he pounded his chest like a gorilla.

Suddenly, we heard a loud howl, and we saw an army of 50'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Alexander Avalon, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Juniper Lee, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it made Mr. Mind even more angrier and pissed off than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Mr. Mind, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Mr. Mind, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and Me: NOW, DIE AND SUFFER FOR ALL ETERNITY! THIS IS THE END FOR YOU ONCE AND FOR ALL!

Lincoln, Nico, and I did one final powerful energy slash that hit Mr. Mind hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Mr. Mind was on his last legs and he was really really mangled.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Mr. Mind and he began sucking out and absorbing Mr. Mind's newly gained intense lightning powers along with his Genius-level Intelligence, Advanced mental abilities, and Ability to spin super-strong silk at high speeds, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, Mr. Mind is now completely powerless and Lisa Loud fired her shrink ray and Mr. Mind was shrunk back to his puny little size and he was really pissed now!

Mr. Mind: Why, you...!

But, Mr. Mind saw a dark shadow over him, and this really scared him, and when he turned around, he saw Poromon and he had a sinister hungry grin on his face.

Poromon: Hello, Breakfast!

Mr. Mind screamed like a girl and he ran and hid behind a rock formation, but Lincoln had Poromon covered in snow and he threw it at Mr. Mind, and it sent him flying out of the rock formation and the snowball was beside him.

Mr. Mind: Who threw that?!

The snow melted and revealed Poromon.

Poromon: (Droopy's voice) I did.

When Mr. Mind heard his voice, he sunk his head in, and when he slowly peaked his head out and he saw Poromon, he screamed like a shrill lady and he ran off again. Then, he headed for a cabin that'd appeared out of nowhere and he pushed eight doors shut. But, as he turned to the fireplace, his jaw had come unhinged and dropped to the floor when he saw Poromon occupying a chair right by the fireplace, calmly reading a comic strip.

Poromon: (Droopy's voice) Hello, Joe.

Mr. Mind: (JUMPS INTO THE AIR AND SCREAMS LIKE A GIRL)

Mr. Mind reacted and opened all eight doors again to get out, only to be met by Poromon again at the doorway.

Poromon: (Droopy's voice) Hello again.

Mr. Mind: (JUMPS INTO THE AIR AND SCREAMS LIKE TOM CAT) (RUNS OUT THE DOOR)

We were laughing hysterically at the scene.

Me: (LAUGHING HYSTERICALLY) OH MAN, OH, THIS IS TOO HILARIOUS! NICO, CALL A DOCTOR!

Nico: (LAUGHING HYSTERICALLY) I THINK LINCOLN SHOULD BE THE ONE TO CALL THE DOCTOR! THIS IS WAY TOO HILARIOUS!

Mr. Mind continued getting away, but everywhere he went, Poromon popped out from a hiding place like Droopy did to McWolf, and he screamed like a scared little girl, and he ran away again, and May was filming the whole chase scene. Then, Mr. Mind was already getting desperate, and he then saw a nearby lion's cage and he decided to commit suicide by jumping into the lion's mouth.

Mr. Mind: I give up, I'm going to throw myself to the lions!

Mr. Mind jumped into the lion's stomach thinking he's safe, but he was unaware that Poromon was in there with him.

Poromon: (Droopy's voice) Crowded, isn't it?

Mr. Mind screamed again and jumped out of the lion's mouth, and ran to a wall, breathing heavily and he was already losing his mind. Then, he ran towards us begging for us to kill him.

Mr. Mind: (Already Lost His Marbles) Please, please, just kill me! Don't let him get me!

Poromon: Finally. BREAKFAST!

Mr. Mind: OH POOP!

Mr. Mind screamed as Poromon gobbled him up.

He then ate him!

Nico: Oh Storm Owl, what do you like to do in your free time?

Storm Owl: I am a meteorlogical robot. I use my abilities to monitor the weather and warn people.

Me: Good job there.

Marinette thought of something and looked at the skies of Dilgan.

Me: Marinette are you okay?

Marinette: I've been thinking. When Lila comes on my day, I'm going to show her that I am more than just Marinette Dupain-Cheng, I am the Reincarnation and Descendant of Joan of Arc.

Me: Your ancestor is proud of you.

Marinette: Let me show you all that I am coming for her.

(JOAN BY HEATHER DALE PLAYS)

Marinette: (SINGING DIVINELY AS LIGHT SHINES DOWN)

I am as God made me,

I have no desire for a mouth at my breast or a pot on the fire

I heed the high voices, I go where I'm sent

To mow down the men who refuse to repent

I'm a scythe in a field full of briars

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

The courage of Catherine, the flames of the forge

The sword of St. Michael, the blood of St. George

I take what I'm given, I follow my truth

I gladly abandon the bloom of my youth

I'm the lashing that falls from the scourge

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

Christem ducem

Poena fortis

Et sanguinis effusio

Corda terant

Ut te quaerant

Ieso, nostra redemptio

I fight where God tells me, I never ask why

I've bloodied the Devil with steel from on high

I kill without consequence, heed no man's law

I sift out the righteous like grain from the straw

I am judgment and heaven is nigh

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

No, they won't call me Mother or Sister or Wife

Marinette: Yes I am ready. I wanted to show you all that I am ready.

Poromon: Now for the Anothers.

Me: Yep.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Edd.

Edd: Another Me? Oh dear.

Lincoln: Your day to shine has come. This means Zero's time is finally up.

Eli: Lincoln's right, that monster's going to get it. Whoa, and one of The Anothers is The Avatar of The Watery Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Me: So we got Another Warden Smith, Carter Pewterschmidt, Lucia Van Bardas, Death (Starcraft II), Owl Lost Smash and Bug Fairy (Owl House).

Nico: Yep.

Qin: So Storm Owl, Carrie White, Verunka Navratilova, Olivia Owl, Kairi Torrence and Red Riding Hood (Hoodwinked) are up.

Lola: Cool!

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Carter Pewterschmidt, Lucia Van Bardas, Death (Starcraft II), Owl Lost Smash and Bug Fairy (Owl House)!

Me: WHOA! This will be awesome!

Nico: Yep!

Another Carter: (In a girls voice) It sure will!

They reverted back and were the gene-slammers of Hugin the Runick Wings, Saffira, Dragon Queen of the Voiceless Voice, Kurikara Divincarnate, Lovely Labrynth of the Silver Castle and Protecting Spirit Loagaeth!

Nico: Hilda Hugin, Saffira Sapphire, Layla Loagaeth, Dahlie Kurikara and Varie Layla!

Dahlie Kurikara: Good to see you Nico!

Me: WHOA! The gene-slammers of Hugin the Runick Wings, Saffira, Dragon Queen of the Voiceless Voice, Kurikara Divincarnate, Lovely Labrynth of the Silver Castle and Protecting Spirit Loagaeth!

Layla Loagaeth: That's right.

Saffira Sapphire: Yep.

Me: Cool. By the way girls are the rest of the Anothers friendly or hostile?

Hilda Hugin: One is friendly but the other is hostile. Edd is not going to like who it is.

Edd: Oh dear!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now, we wait

Me: We don't have to wait long!

We saw Another Warden Smith but no Another Edd.

Me: WHOA! Wait where's the Another Edd?

Then a lipstick tube rolled by Double D?

Edd: Now what is a lipstick dispenser doing here? [A fearful idea strikes him.] "Oh, my."

[Edd, scared, looks around. Out of nowhere, Another Edd pounces on him.]

Another Edd: "Yahoo!"

Edd: [as Another Edd grabs the lipstick that was tossed in the air] "Puleah!"

Another Edd: [after tying Edd in a knot] "(In a girls voice) Hiya, dreamboat!"

Me: WAIT THAT VOICE!

She reverte back and was an EVIL VERSION OF MARIE KANKER! She looked like Marie but had Piercing Red Eyes!

Evil Marie: [applying lipstick] "Pucker up, oven mitt!"

Linka: GET YOUR FUCKING HANDS OFF MY FIANCE YOU BITCH!

She jumped and pulverized and bashed Evil Marie!

KRABLAM! BAP! BIFF! SMASH!

Eddy: It's one of the Evil Kankers!

Qin: WHOA!

Double D equipped his Iron Boy Armor

He punched Evil Marie and knocked her down.

Another Warden Smith: (In a girls voice) That girl has some issues.

She reverted back and was the Avatar of The Watery!

Lincoln: Wendy Watery! Wow!

Wendy Watery: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure this is Wendy Watery, Avatar of The Watery Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of water, the oceans, the seas, all bodies of water, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Watery Clow Card, and the magic of Clow Reed. She's The Water Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Wendy Watery is a master of the powers of The Watery Clow Card and she's a powerful master of water, the oceans, the seas, all bodies of water, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Wendy Watery came to Royal Woods where she met Lincoln, and she taught him how to master the powers of water, the oceans, the seas, all bodies of water, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Watery Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of water, the oceans, the seas, all bodies of water, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Watery Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by firing blasts of water at them and ruining Lola and Lori's makeup and drenching their clothes, drenching Luan and Lisa's clothes, and giving Lynn a well-deserved bath!

Me: WHOA! That is awesome!

Wendy Watery: It sure is.

Lola: Yeah!

Wendy Watery:And yes the Another Edd is the evil version of Marie.

Marie K.L.: I can't believe I was like that back then! That was so wrong!

Iron Boy: I'm not your boyfriend!

Chowder: HEY! THAT'S MY LINE!

WE LAUGHED!

Me: That's funny!

Iron Boy bashed and pulverized Evil Marie all over.

Me: If she is with you Wendy then this can mean one thing. The Evil Kankers are coming.

Wendy Watery: Yes they are. Evil May is coming tomorrow on Lori's day so be ready to battle her on your next rescue.

Me: Oh boy! Thanks for the heads up.

Kaito: (gets out Ninninger gear) Did Swartz promise you anything?

Zocks: (Gets out Zyuohger gear) Because we can grant it instead.

They got weapons from said teams.

Wendy Watery: No he didn't. I trapped him in a ball of water full of piranhas and they ate him till he was a skeleton and I used that time run.

Me: HOLY SHIT! Gruesome!

Sakura Knudson: That explains why I found him bloody and nothing but a pile of bones.

Qin: YUCK!

Me: Knowing Swartz though he probably came back.

Sougo (gets out Ninja Steel Ridewatch): That means May Kanker will be Another Lori

Geiz (Gets out Zyuohger Ridewatch): Of course, we could be wrong

Sougo got RedNinjaSteelArmor while Geiz got ZyuohEagleArmor

Me: You never know though. Too bad it wasn't on Ed's big day though.

Lori: That would have literally been better.

Nico: Yeah.

Me: While Linka and Edd duke it out with Evil Maria lts separate you.

We did so.

Me: Lets dance!

Nico: (Gets out Warden Smith's ridewatch) You're under arrest!

May: (Gets out Lucia Van Bardas Ridewatch) This will hurt!

Universe 666 May: (Gets out Death's ridewatch) You are going to die!

Maria: (Gets out Owl Lost Smash's ridewatch) I am the Owl in the night!

Carrie White: (Gets out Carter's ridewatch) Let me use Thinking Grenades.

They used the powers of Warden Smith, Carter Pewterschmidt, Lucia Van Bardas, Death (Starcraft II), Owl Lost Smash and Bug Fairy (Owl House) and blasted the Anothers.

Evil Marie was getting thrashed intensely in a brutal fight cloud!

Ymir: MAN Look at how brutal that is.

Me: You think that was bad Ymir, wait till I show you the newspaper on what lead the Kankers to become so hated.

Ymir: Oh boy.

Poromon: Marie can tell you about it too.

Ymir: Looking forward to it.

Nico: Yep.

Then Deceptron, Weather Dopant, SCP 2789, Mothma, Evil HERO Malicious Bane and Gill Man (Creature From The Black Lagoon) came!

Me: WHOA! Wait Deceptron! I Remember you! You used your Bolt Blast to make the rangers stars unusable! And you tried to steal them!

Deceptron: That's right. Good memory.

Me: Yep.

Weather Dopant: Vypra made me my own person since Shinkuro Isaka was unsuitable

Me: I see! Electrifying!

Drakus: (GASP) SCP-2789!

Me: Another SCP? That looks like an ordinary restaurant.

Drakus: It literally lets 30 people morph into restaurants, the Analogs usually go there and eat meals when not out on jobs, none of them were picked as SCP-2789-2.

Me: WHOA!

Drakus: Yeah it's true.

Me: I see. Wait is that the Gill Man from the iconic movie Creature From The Black Lagoon!? I loved that movie!

Poromon: Wow!

Me: I know!

Then NUMEROUS MASSIVE PILES OF GOLD COINS CAME AND BURIED ME IN THEM!

Nico: What the!?

I popped out.

Me: What the!? Where did all these Gold Coins come from?

Qin: Lots of them!

Then Vortexes of DNA, Gold Coins, Atlantis Energy and Darkness came and out came Number 8: Heraldic King Genom-Heritage, Number 7: Lucky Straight, Number 6: Chronomaly Atlantid and Number 5: Doom Chimera Dragon Came!

Me: WHOA! Number 8: Heraldic King Genom-Heritage, Number 7: Lucky Straight, Number 6: Chronomaly Atlantid and Number 5: Doom Chimera Dragon!

Nico: COOL!

Number 8: (In a girls voice) It sure is.

Number 7: (In a girls voice) It's your lucky day J.D.!

Number 6: (In a girls voice) It sure is.

Number 5: (Iin a girls voice) I agree.

Nico: Halia Herald, Sylvia Lucky, Alicia Atlantis and Cillia Chimera!

They reverted back.

Alicia Atlantis: Been 10,000 years Varie and Kida.

Kida: It has been a long time.

Halia Herald: We got this Nico. 8 DNA BLASTS!

Sylvia Lucky: 7 GOLD BLASTS!

Alicia Atlantis: 6 ATLANTIS BLASTS!

Cillia Chimera: 5 CHIMERIC BURSTS!

They fired waves of energy and elements and blasted the Anothers and blasted them and I caught the Ridewatches and purified them.

Me: YEAH!

I put the gold in a scroll.

We had Evil Marie tied up.

Nico: Nice job!

Me: And did you bury me in all those coins?

Sylvia Lucky: I sure did.

Me: Cool power!

Sylvia Lucky: Thanks.

Carrie White: Do you girls have any good memories of Nico?

Halia Herald: We sure do. Mine is where me and Nico went to school and I showed Nico my power. I have the ability to make hybrid creatures. I made a girl into a deer centaur. She was half human and half deer. I have the power to rewrite DNA.

Me: WHOA! That is amazing! Dangerous because it's playing with fire.

Nico: Yep.

Halia Herald: I know. But she loved being like that and didn't mind it.

Ed: Can you turn me into a half chicken?

WE LAUGHED!

Halia Herald: (LAUGHS) I can do that later.

Sylvia Lucky: Cool. Mine is where me and Nico found a bunch of people living in a poor environment at school and I used my powers to make them rich beyong their wildest dreams.

Me: WHOA! That takes Gold Rush to a new level.

Nico: Yep.

Alicia Atlantis: Yep. Mine is where me and Nico learned all about the history of Atlantis in School. We showed them what Atlantis can do.

Me: WHOA! Atlantis was one of the most advanced Civilizations in the world back over 10,000 years ago.

Kida: And Atlantis was brought back to the surface after all that time too.

Alicia Atlantis: I heard about that and I'm happy that my home is back on the surface again.

Me: We are too.

Cillia Chimera: And mine is where me and Nico went to Greece and studied about the Trials of each of the Great Heroes of myth.

Me: WHOA! That is amazing!

Lincoln: Did you learn about my adventures too?

Cillia Chimera: Wait that was you and a boy that looks like Clyde Lincoln? I didn't know about that!

Me: It was a recent discovery. We learned that Lincoln accidentally went back in time to over 2,400 years ago and it was awesome.

Cillia Chimera: WHOA! You'll have to tell me about it.

Lincoln: Sure thing.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Cllia Chimera: Same here.

We went back home.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in the north of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're here to take down Joyce Crandall, another one of my enemies who's returned from The Black Gates, and she has The Dark Watery Card in her hands and with it, she intends to fulfill her plan of flooding Gotham Royal York and killing everyone in the flood to turn it into another Great Lake for her greedy tourism plan, but we won't let that happen, and once I suck out the powers of The Dark Watery Card, I'm also going to kill Joyce Crandall by entombing her in a ball of water and let her drown, and then, we send her to The Black Abyss.

Storm Owl: It's not a coincidence that The Dark Watery Card wound up in her hands, right?

Lincoln: Not really, Joyce tried to evict all of us from Royal Woods, so she can flood it and turn it into another Great Lake for her greedy tourism plan, but I stopped her long ago. But, even after all this time, she doesn't learn. Well, just like what happened to Flip, she's getting The Black Abyss once and for all.

Suddenly, we spotted Joyce Crandall laughing malevolently, and then, she got out The Dark Watery Card, but Lincoln blasted her forcing the card out of her hands, and The Dark Watery Card took on her true form. Then, Lincoln Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Watery Card and he began sucking out all her water powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Watery Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Watery Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Watery Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: Joyce Crandall.

We turned to Joyce Crandall who was now completely insane!

Joyce Crandall: NO! NO! NO! DAMN YOU, YOU STUPID LOUD! IF YOU HADN'T GOTTEN IN MY WAY AGAIN, YOUR STUPID HOMES WOULD'VE BEEN FLOODED BY NOW, ALL OF YOUR FRIENDS WOULD BE DEAD, AND I WOULD HAVE MY SIXTH GREAT LAKE! I WAS GOING TO FINALLY BE RICH!

Lincoln fired a blast of water that soaked Joyce Crandall!

Lincoln: Shut your mouth, you filthy animal. It's that kind of greed that got you killed before, and it's about to get you killed, and this time, for good.

Lincoln, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after Joyce Crandall, and they fired extremely powerful blasts of rainbow, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, phoenixes, and angels at her, and they exploded with incredible power as they hit him. Then, Von

Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit her on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to Joyce Crandall, and she screamed in agonizing pain.

Lincoln continued smashing Joyce Crandall hard with his extremely massive godly superhuman strength, and she was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her and he even attacked her using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash her all over the place!

Qin: Joyce Crandall doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering her, now she's at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at Joyce Crandall and she got beaten up real good and she was mangled!

Then, Lincoln fired blasts of water at Joyce Crandall and entombed her in a ball of water, and she wound up drowning and she was killed and she was sent to The Black Abyss. We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Watery Card and Joyce Crandall got The Black Abyss for good.

Nebula Lanaia: Good riddance to that slimerag.

Me: Lincoln told me of the trouble she caused long before I moved to Michigan.

Lincoln: And how she tried to destroy Royal Woods by flooding it and turning it into a 6th Great Lake for her tourism. But, this time, she's gone for good, and she's never coming back.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long emerald green hair, blue eyes, massive blue angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, emerald green sleeveless strapless top, emerald green skirt with Gem-Knight Emerald, white bridal gloves, emerald green knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Emerald, she has an emerald greatsword, and with her are the five girls.

Lincoln: (GASPS) Elizabeth Beaumont, Avatar and Gene-Slammer of Gem-Knight Emerald.

Elizabeth Beaumont: That's right, and I got the girls away from Joyce Crandall and The Dark Watery Card, I can't believe that greedy hag was at it again.

Me: She was worse than Flip.

Lincoln: But, we took care of The Watery Card when I sucked out her powers and drowned Joyce Crandall and banished her to The Black Abyss. (To Elizabeth Beaumont) And it's so good to see you again, Elizabeth.

Elizabeth Beaumont: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Elizabeth Beaumont had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Elizabeth Beaumont was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Elizabeth Beaumont: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Elizabeth Beaumont's waist and hugged her, and Elizabeth Beaumont is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar,

Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elizabeth Beaumont: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in

muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Elizabeth Beaumont, Avatar and Gene-Slammer of Gem-Knight Emerald, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of emerald gems and crystals. She's known as The Emerald Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Elizabeth Beaumont came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of emerald gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of emerald gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Marlene Duvessa, Gene-Slammer of Steelswarm Mantis and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Elizabeth's parents and her little sister, Eliza, in cold blood, and she swore to kill Marlene Duvessa and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Elizabeth.

Lincoln with his massive muscular arms still wrapped around Elizabeth Beaumont's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with

gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Elizabeth Beaumont: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elizabeth Beaumont with emerald gems on the gold lightning bolts and emerald crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Elizabeth Beaumont: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Elizabeth Beaumont.

Elizabeth Beaumont had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Elizabeth Beaumont's waist, and he leaned down to her face and kissed her on the lips, and with Elizabeth Beaumont's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Elizabeth Beaumont had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Elizabeth Beaumont: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The five girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the five girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the five girls are Sara Kagami, Chikage Kisaragi, Hotaru Kagami, Kasumi Tachibana, and Kuuka from Haramase Onaho Taima Kenshi Gakuen.

Lincoln: Oh whoa, it's Sara Kagami, Chikage Kisaragi, Hotaru Kagami, Kasumi Tachibana, and Kuuka from Haramase Onaho Taima Kenshi Gakuen.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're voluptuous.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Sara Kagami: Yes, we're okay, thanks to you.

Then. when Sara Kagami and the other four girls saw who it was that saved them from The Dark Watery Card and Joyce

Sara Kagami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals

flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sara Kagami:(Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sara Kagami, Chikage Kisaragi, Hotaru Kagami, Kasumi Tachibana, and Kuuka with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and we got rid of yet another scumbag from the past.

May: Joyce Crandall's finally gone, and now, the city's safe from that greedy hag.

Lincoln: You said a mouthful. That Crandall tried to destroy our home again with a flood, and look where it got her.

Nico: Killed and sent to The Black Abyss.

Me: And this time for good.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long green hair, green eyes, massive green-colored angel wings, she has on a green two piece bikini, and in her hand is a greatsword.

Lincoln: (GASPS) Valeria Venomaira, Queen of The Venomairans of Planet Venomaira.

Nico: The only surviving Venomairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Valeria Venomaira, Queen of The Venomairans of Planet Venomaira, she's Lincoln's Guardian Angel from the planet of Venomaira in The Forbidden Zone. She was the Queen of the Venomairans who ruled the planet of Venomaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over poison, venom, and toxins, and the ability to grow even stronger, but she was also born with angel wings, the powers of poison, venom, and toxins, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Valeria Venomaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of poison, toxins, venom, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of venom, poison, toxins, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Venomairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them poisoned to death with the power of Venomaira.

Valeria Venomaira: And I knew Lincoln absorbed the souls of the male Venomairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Valeria Venomaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Valeria Venomaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valeria Venomaira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Valeria Venomaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Valeria Venomaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Venomairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Watery Card of all its powers and sent Joyce Crandall to The Black Abyss after he and all of us took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Elizabeth Beaumont saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Elizabeth Beaumont: My God, I was right that Lincoln's really grown into a 14'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Elizabeth, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Elizabeth Beaumont: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Elizabeth Beaumont: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, James Blunt got out a videotape.

James Blunt: Now, this tape here, this was from a week after Caleb's run-in with Captain Whitten and Darren Reynolds, night was about to fall, and Caleb was going to bed. But, I knew it meant yet another night of nightmares for him, so I decided to take him outside for a night out underneath the stars and he would see that life in the country was far different than in the city, at first, he thought if it was a dream and he was still dead, but I would help him see that this is all real.

James Blunt put the tape in and it played on the big screen and it showed West Virginia at night, it's been a week after Caleb's run-in with Captain Whitten and Darren Reynolds.

Past James Blunt: It's already late, Caleb.

Caleb knew what that meant.

Past Caleb Maxwell: I know...(Sighs) Every night, even before I died, I always had nightmares: all of my memories had returned, but that also meant the dark memories, the pain, the abuse, the anger of the past, that also came back with me as well. Or rather, it remained with me even after my death.

James Blunt: (Thinking) Caleb harbored the dark memories that haunted him, which overshadowed his good memories and made his heart turn dark and full of rage, and every night, I'd see him still haunted by nightmares. Hmm. (Out Loud) Caleb, I have an idea.

That got Caleb's attention, and then, he followed James Blunt outside and they sat on the grass, and then...!

Caleb saw the stars all of them were twinkling in the sky.

Past Caleb Maxwell: The stars...! They're...shining bright. I've never seen them light up the sky like this before, even in New York.

Past James Blunt: Then, what were the only things you saw in the sky?

Past Caleb Maxwell: The only lights I've seen are helicopters and the full moon, I've never stayed out for long, not with my brother's thugs on the loose, along with The Big Claw Gang, and...

Then, he saw fireflies appear and they made a beautiful display of light around him, this amazed him to say the least: the stars in the sky and the fireflies around him. Then, the fireflies flew away, and James Blunt still sitting by Caleb's side could see his plan worked.

Past Caleb Maxwell: (Thinking) Is...is this merely a dream? Am I still dead?! What I just saw now, it was almost too real to even describe, what was this? This feeling of...lost familial love.

Then, James Blunt put his right arm around Caleb's shoulders.

Past James Blunt: (Thinking)(To Caleb Maxwell) You used to have that familial love back before all that happened to you, and this is no dream, Caleb. It's real, all of it. What happened to the person you were back then?

Past Caleb Maxwell: For some time, I was caught in that dilemma. What I've been through back in the past..., it destroyed that love I had towards my own father and younger brother. You have no idea of the many times I've asked Dad to help me or when I've told Drake to stop only to receive more of his assaults. I was the older brother, but

Drake Maxwell ruined the remaining love I had for him and Dad.

Suddenly, Caleb Maxwell turned and hugged James Blunt.

Past Caleb Maxwell: I've lost everything I held dear, and for that, I will never forgive Drake for what he did.

Suddenly, Caleb's tears came out: normal tears, not the blood tears of hatred, and James Blunt held him as Caleb continued to cry, and a few hours later, Caleb fell asleep. The vampire then took Caleb back into the house and laid him down on the bed and he kept the young man company.

Past James Blunt: See, it's okay to let out any sadness you harbor. But, you also needed a shoulder to cry on, that was important. One day, you'll meet with your mother and sister again, and no matter how much time had passed, they're still with you.

James Blunt pushed Caleb's hair to the side and kept watch over him as the video ended and there wasn't a dry eye in sight.

Me: Wow...

Nico: That right there, that was...!

Lincoln: You really helped Caleb's wounded heart, Mr. Blunt.

Eli: Some of us almost burst into tears.

James Blunt: I should've warned you about that, sorry.

Cage Blunt: Still, that helped Caleb to some degree, Dad, and seeing the real Caleb, that had to be tough.

James Blunt: It was, but even I knew he wasn't the confident guy that you and Travis saw back in 1984, and that he was a tragic soul with a dark past.

Travis Tackett: And on the night of his death in 1985, that façade he put up was forever shattered and we saw the real Caleb Maxwell, and when we came back in 1995, and by then, Caleb already returned in 1993, and when we saw him again, there was no trace of that façade he put up from the past, but his true self: the young man with a dark past.

Caleb Maxwell: The night I was killed, that led to my façade shattering forever, and you two saw my true self: one haunted by the shadows of the past, scarred by despair and pain.

We got a shower, and then, Lincoln, Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge are heading to Olive Ocean.

Lincoln snapped his fingers, and the 14'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge were dressed in colored two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

And we heard the reason why Velvette was spared: it turns out two years ago, Velvette decided she was done with Vox and Valentino for good, and she also used her demon magic to create a clone to stay with those two, and when Mundus came back along with the other irredeemable monsters of Pentagram City, it was her clone who got killed by Sherlock Hound, and we found out Galacta was the daughter of Galactus, but thankfully, she does not eat planets at all, but Lincoln's cooking would help her with the food issue.

Galacta: Wow, we're here in Olive Ocean, it's so beautiful.

Lincoln: You said it, Galacta, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge a deep tissue massage, and when he was done with that, she relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge Drone got an extremely massive and deep atomic red blush on her faces when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Galacta: (Swooning) What a handsome and manly wolf hunk. My father made a huge mistake in trying to kill him, I'm glad he got The Black Abyss last year.

Suddenly, they saw the clone of Lord Coyolxauhqui.

Galacta: It's the clone of Lord Coyolxauhqui.

Lincoln: Yep.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Lord Coyolxauhqui and he began absorbing him and assimilating Lord Coyolxauhqui's powers of the night, darkness, and the stars of the night, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Lord Coyolxauhqui, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge and he hugged them in his abnormally massive and powerful muscular arms, and Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame

patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Olive Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with four white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Lily the Mermaid: Wow, now Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the

Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge are in your harem, Linky.

Galacta, Simulator Pyrrha Nikos, Simulator Nora Valkyrie, Salem, Universe 666 Salem, Sarah, Velvette, Panty the Fox and Stocking the Cat, Niffty the Mouse, Yumi the Cat and Ami the Hedgehog, Peach the Hedgehog, Daisy the Cat, and Rosalina the Rabbit, and Fem Depth Charge showed the marks Lincoln made on the right side of their trapezius.

Jenna: You had no trouble at all.

Lincoln: Unfortunately, we did. Alecto Slytherin the sent clone of Lord Coyolxauhqui after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into his chest, and I absorbed him and assimilated Lord Coyolxauhqui's powers over the night, darkness, and the stars of the night. Then, I sucked out every bit of energy from their souls and as the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Galacta: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Over in the park, I was showing Ymir, Marie K.L. And Syd the newspaper about the Kankers.

Me: Okay this is why the Kankers are the Eds most dangerous enemies.

I showed them

Ymir: (Reading) "ATLANTA CATASTROPHICALLY DESTROYED! 3 Sisters to Blame For City-Wide Devastation"

Marie K.L.: I remember that! That was horrible that we completely destroyed all of Atlanta.

Syd Chang: It was the true case of the Vengeance Express to go after the Eds. And that was a horrible day for all of Atlanta and Peach Creek.

Ymir: That is horrifying.

We read the whole series of papers and we saw that the Kanker's were the true cause of the Vengeance Express that sent the kids of Peach Creek on a statewide hunt for the Ed's intending to kill them and mount their heads on pikes. The Kanker's were found guilty of numerous crimes as a result and they were sentenced to serve 3 eternity sentences in prison with no hope of parole and were ordered to pay $1,512,323,435,734,899,900.00 in restitution. They were also declared the most hated kids in all of America and the 3 biggest mistakes any parent could ever make. Their mom Bebe was made the most hated woman who ever lived and she was killed by an angry mob armed with pitchforks and torches for giving birth to the most hated children ever.

They were shocked!

Ymir: Oh man! The Kankers caused all that!?

Marie K.L.: Yep. We were absolute bullies and monsters back then. It was awful. That's the reason why I severed my ties with May and Lee.

Me: Yep. And why the Eds moved here to Michigan. It was to get away from their pasts.

Ymir: Oh man!

Then something appeared in front of us and we saw that it was a drone!

Me: COOL!

Poromon: Surprise!

Linka: What do you guys have there?

Poromon: This is our new drone.

Me: That is so cool guys!

Double D: Fascinating!

Eddy: It sure is Double D.

Me: What are you guys gonna do with it?

Poromon: We're going to send it out and watch over the city.

Me: Go for it.

It went flying and the mascots gave me a camera for it.

The mascots flew it and it saw a bunch of men about to go into a jewelry store to rob it!

Me: Uh oh! A jewelry store is about to be hit!

I teleported and bashed and beat up the robbers and they had bags and more on them for the heist.

Sheila: Well I'll be! It's Tony Guzman and his gang! We've been after these guys for years in massive jewelry robberies. Good job!

Me: Thanks to the Mascots new drone.

Weirdwolf: You better not use that for perverted reasons!

Poromon: ABSOLUTELY NOT! Hey we may like getting drunk and all that but we have limits!

Weirdwolf: Okay just making sure.

Me: Wait a woman is about to be raped in an alliey!

I teleported there!

SMASH SMASH BIFF BIFF WHAM BASH WHOMP!

I brought the rapist and the woman over.

Me: Nice work guys!

Sheila: Well if it isn't Curtis Vega! He's a notorious rapist we've been after for a long time!

Me: He's looking at the death penalty! Nice job guys!

Poromon: Thanks!

Chromedome: Does it have weapons?

Poromon: Nope it's all camera and built for surveillance.

Me: Neat. We should have about 100 more of those drones to help us out too.

Qin: Good idea.

Nico: I agree.

Me: In fact this gives me an idea.

Nico: Drone monitor grid?

Me: Bingo.

Fluttershy: That is amazing. (GASP) OH NO!

She saw a bunch of puppies in an alley starving and went to help them.

She brought them over to us and gave them food.

Me: Oh you poor things.

Fluttershy: They need food.

We gave them some.

Poromon's new drone proved to be an amazing tool for us.

Poromon: The drone's picking up somethinG.

Me: Lets see.

We saw a MEGA PALKIA! It was attacking a bunch of remnant members of Team Flare!

Me: A Mega Palkia!

Nico: What's that doing there?

Me: Must be one of Dark Gale's work!

We went to face it and I blasted the Team Flare Dirtclods.

Me: There. I don't if we're going to face Lysandre in the future but now we know that Team Flare has remnants out there.

Nico: That's true.

Me: And I thought dealing with Team Rocket's remnants was enough.

Yamato: Lets see.

He used telepathy and gasped!

Yamato: It's my sister Barras and she is also the Barracuda Jyuman and the Barracuda Zyuohger!

WE GASPED!

Me: WHOA! The Barracuda is a dangerous fish!

Nico: Yeah!

Me: Lets go help her out!

Yamato: Don't underestimate this planet!

Me: Because you won't live long enough to regret it!

We went and did so.

Yamato: Barras it's me Yamato!

She used Spacial Rend on Horsea but she put her clone in front of her

I used Xigbar's power and blasted the blast away and it hit a tree and exploded!

Me: WHOA!

Nico: Nice save!

Horsea: Thanks J.D.

Me: No problem. Okay then.

Me and Yamato fired blasts of energy and blasted her.

I snapped my fingers and she was a girl with aqua blue hair and yellow eyes and had blue angel wings and had Mega Palkia on her forehead and a cutie mark that looked like the Zyuohgers symbol with a Barracuda on it on her arm and she had a barracuda fish tail coming out of her butt.

We wrapped her in a blanket and brought her to a bench in the park.

Me: There.

Qin: WOW!

Sela: It's great to see Barras again.

Amu: It sure is.

Tusk: I agree there.

Me: That is so cool.

She woke up to see Horsea's smiling face

Barras: (Groans) Huh? A Horsea?

Horsea: You went at my clone!

Barras: Huh?

Me: Long story.

Yamato: Hey sis you okay?

Barras: (GASP) Yamato!

She hugged him!

Barras: Thank goodness! Amu, Tusk, Leo, Sela, Bud and Misao! Great to see you all!

Misao: (Crying) You were turned into that because of me!

Me: Misao what the hell are you talking about!? This was not your doing.

Ymir: Is Misao always blaming himself for everything?

Me: Yeah he is. Its been that way for him ever since he was serving Ginis against his will back in 2016. Blamed himself for everything since then.

Ymir: Geez! He really broke him.

Barras: Yeah he sure did.

Me: Also Barras you were turned into a Mega Palkia by Dark Gale.

Barras: Never heard of them. I was fighting a Deathgalien named Kirumenchi.

Me: I remember that one. His blood game was to steal the pants of Delinquents.

Nico: That was stupid.

Me: Yeah.

Barras: It sure is.

Me: Also Dark Gale was a Pokemon Villain Organization we destroyed a while back.

Nico: Yep.

Barras: I see.

Eddy: I can never understand what space means in terms of Palkia

Me: It's complicated.

Hay Lin: We destroyed Ginis on my big day

Me: Yep we killed him along with a bunch of others back then. It was intense.

Barras: Oh man! Good riddance to him.

Me: Yeah no kidding. Also all of the Zyuohgers enemies are now with Vypra in the M.O.E.

Qin: Yep.

Me: Including Azald and Bangray.

Nico: Yeah.

Barras: Wow!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new aqua blue clothes and her Zyuohger Cube and a water sword.

Barras: I look amazing.

Me: You sure do.

Bugly: Hang on. The drone's picking up the IronWarHawk Armor.

It showed a signal located in the Sinnoh Region in Alaska.

Me: It's by the very glacier where we battled him the first time.

Nico: Lets get ready then.

We went back home

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing

900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Zero starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Zero, he was still on the attack again, and he was going to destroy The Reverse World again and send a glacier down to this spot. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: ZERO, YOU PIECE OF SHIT MONSTER!

Eli: That absolute monster!

Lincoln: Now, he's really going to get it!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was Zero, he's still on the attack again, and he's going to destroy The Reverse World again and send a glacier down to this spot.

EVERYONE GASPED!

Ash: I knew Zero was insane, but this has gone too far!

Edd: Indeed. We need to get to the Sinnoh Region at once and stop him.

Me: Zero has caused enough pain to last a lifetime. Now, it's his turn to feel the very pain that he's inflicted!

Nico: That's for sure, but we got to watch it, psychopathic monsters like Zero are absolutely crazy and dangerous with no trace of reason in their body, but it's that kind of weakness that'll lead to them getting killed. Alright, team, let's go, this time, we end Zero's madness once and for all!

Lincoln: He's finished, this time, we're tearing that ugly suit off him and we're gonna beat him until he's black and blue, and then, we're gonna tear him in half.

The previous group came

Melter: Can me, 2016 Morbucks, Heatwave, Stinky Butt, Touch and Go, Po Kong, Titanium Toenail, Lythos, Arbormon, and Ranamon go with you guys?

LOUD NASTY HORRIBLE FART!

Nico: OH GOOD GOD! Was that you J.D.!?

Me: Not me!

Stinky Butt: Sorry that was me.

Me: Real nice!

Nico: And yes you all can come with us.

Teen Titans Thunder: Nico, which Gene Slammer do you think you'll meet next?

Nico: Well the last of the Numbers next. Numbers 4, 3, 2, and 1.

Me: About time we finished them up.

Nico: Yep. Then we go back to 1 gene-slammer per rescue.

Me: Okay then.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Shar, The Mistress of the Night, The Dark Lady, and The Lady of Loss from Dungeons and Dragons, and she's come back for revenge. When we saw it, we knew it meant trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Shar, The Mistress of the Night, The Dark Lady, and The Lady of Loss from Dungeons and Dragons, and she's come back for revenge.

Elizabeth Swann Cooper: If that is so, then, we must be ready to take her down again, and I hope you're ready to absorb her once more.

Lincoln: That I am, Elizabeth.

Nico: A battle between Light and Darkness, but only one will triumph. Alright, team, let's get going, time to send Zero on his way to The Black Abyss.

Lincoln: Where he rightfully belongs, and once we get done with that psychopathic monster, you're next, Shar.

Elizabeth Swann Cooper: You should've never returned from the dead, Shar, this time, your reign of eternal darkness shall end here.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to the Sinnoh Region to save The Reverse World from Zero once again, but this time, he's heading for The Black Abyss for good, and once we get done with that psychopathic monster, Elizabeth Swann Cooper and Lincoln are going to destroy Shar and send her to The Black Abyss after Lincoln absorbs her.

We were off to the town of Alamos.

We arrived in Alamos.

Mr. Go: Here we are.

We saw the entire town boarded up.

Me: Looks like Lincoln's message got through.

Stinky Butt: Let's call Zs'Skayr.

Me: Good idea.

We did so.

Zs'Skayr came.

Zs'Skayr: I'm ready for this.

Me: Awesome. And we're going to need an intense army for this.

Nico: I like it.

Me: I have just the force.

I pulled out a scroll and out came NUMEROUS Siege tanks from Starcraft II!

Iron Man: That knockoff had nothing on my classic armor.

Pam: Can we see that!

Me: Yeah!

Hunter: (German Accent) These tanks bring back memories ja. Und me and J.D. from mein world battled zem on Korhal IV.

Me: Wow! Didn't know that Hunter.

Lola: Wow!

Nico: Must've been a helluva fight.

Hunter: Oh ja ja und it was amazing.

Me: Cool.

Po Kong: Is it possible for me to eat his armor after we're done?

Me: I think it might be Po Kong.

Qin: Yeah.

Po Kong: Awesome!

Cybertron Sideways: Should we call Giratina?

Me: Good idea.

We did so.

Giratina then appeared.

Me: Good to see you Giratina.

Varie: Yeah.

Lythos: Zero's back

Giratina roared at the mention of that name.

Me: Yep he knows.

Lola: Yeah.

Bitstream: Got a plan?

Double D: I might have one

Eddy: Lay it on us sockhead.

Double D: First we gather reconnaissance and find out where he is and then attack him from all angles with our weapons and tanks.

Me: I like that.

Eddy: Me too.

Ranamon: I think we can do the first part

Me: With the mascots drones.

Poromon: Yeah!

Me: Luckily I found more of them.

I got out a bunch of Drones for us.

Poromon: Where did you get them?

Me: From our vault. Turns out there was a bunch of them still not used.

Nico: Wow.

Qin: Yep.

Me: Cool.

Nico: We better get ready.

Me: Right.

But then..

KRASPLAT!

Something hit me! And I saw that it was a REALLY MUTILATED AND DISMEMBERED BODY!

Me: What the fuck!?

Qin: Something REALLY Tore that man to pieces!

But then...

NUMEROUS DEAD AND MUTILATED BODIES FELL ONTO US!

We saw that they were a bunch of Zero's men and they were all ripped apart!

Me: HOLY FUCK! What a slaughterfest!

Nico: What the hell!?

Me: Man something REALLY Ripped them apart!

Then there was a REALLY NASTY ROAR!

Me: Uh oh! That doesn't sound good.

Lincoln: And it's from Double D's Akuma, Double INSANE D! The Hypothetical Akuma of Edd and he is ONE NASTY AND

INSANE MONSTER! He is as screwed up and dangerous as Ren Hoek from the infamous episode Ren Seeks Help and he kills anyone that gets in his way! He rips them to shreds and disembowels and mangles them up beyond all comprehension! He was made because of Eddy barking too many orders at him without giving him a break and he swore to kill everyone in the Cul-De-Sac and make them suffer the worst pain ever by ripping them to shreds! And it's going to REALLY HURT!

WE GASPED IN SHOCK!

He showed us a sketch of him and he looked like Ren from when he went absolutely fucked up crazy!

Power Girl: Eddy, we all love you. But sometimes, you can get a little bossy.

Eddy: You're right on that.

Me: Uh oh!

We saw him! DOUBLE INSANE D!

HE WAS ROARING IN MADNESS AND RAGE!

Me: Oh shit on my ass and call me a sewage dump!

I fired waves of energy and blasted him.

He was REALLY PISSED OFF!

Me: He will bite your hand off if you grab him!

Arbormon: Double D? Is that you?

He grabbed Arbormon and RIPPED OFF HIS HAND!

CRUNCH!

HE SCREAMED IN PAIN AND DOUBLE INSANE D SWALLOWED HIS HAND!

Me: OH SHIT! HE'S COMPLETELY FERAL!

Zs'Skayr: Getting him to calm down is out of the question!

Me: He's going into the Book of Vile Darkness!

I fired waves of energy and blasted him and smashed him.

Zs'Skar fired waves of dark energy and blasted him.

Zs'Skayr: J.D, heal Arbormon's hand!

I did so.

Me: Done!

Arbormon: Thanks!

I fired waves of energy and obliterated him and we sealed him into the Book of Vile Darkness!

Double D: You guys go ahead of me.

Gilda: You sure?

Double D: You have your entrance. I have mine.

Me: Double D must have something awesome planned. Lets go.

Nico: All right lets go.

We sent the drones and scanned the area and saw LOTS of Zero's men in a crater by the cave where the entrance to Reverse World was.

We got ready.

Zero: Soon the Reverse World will be destroyed.

We were flying in the air and we were busy with killing much of Zero's men along the way, and we heard the psychopathic malevolent laughter of Zero.

Nico: Keep laughing like a psychopathic monster, you lunatic!

Suddenly, the spirits of the Pokemon and Giratina appeared and they attacked Zero with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared and it pissed off Zero!

Out came our tanks and we were blasting them all over left and right!

KRABBBBBBOOOOOOOOOMMM!
KRABBBBOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOMMM!
KRABBBBOOOOOOOOOMMM!

Massive fiery explosions blasted off and gunfire blasted his men!

Nico: Zero your time has come!

Zero: Team Loud Phoenix Storm! They came to die! Kill them all!

We blasted them all over!

Zero: If you want people killed right, you have to kill them yourself!

Zero put on the IronWarHawkArmor and aimed his repulsors at us. But then...

Iron Boy: Zero!

We saw Double D in the Iron Boy armor fly in and tackle Zero to the ground. They crashed through the walls and ground

SMASH!

Titanium Toenail: So that's what he had planned!

Me: Nice one!

I fired waves of energy and blasted Zero all over!

The Siege Tanks got on Hydrolic feet and blasted him all over!

KRABBBBOOOOOOOOOMMM!

NUMEROUS FIERY MASSIVE EXPLOSIONS BLASTED OFF!

Hunter: WUNDERBAR! Just like on Korhal IV!

Zero ended up crashing in front of a stopped car, the family inside screaming in terror as Zero picked it up.

Ravage: He's got hostages!

Zero: I missed this suit!

Iron Boy: Put them down!

Zero: Collateral damage, Double D.

I teleported the hostages out of the car!

Me: Leave them out of this!

I fired waves of energy and blasted the car and burned Zero all over!

Iron Boy: You okay?

The family just ran screaming.

Iron Boy: (annoyed) You're welcome.

Mr. Touch: Try not to take it personally

Zero quickly launched himself towards Double D, grabbed the motorcycle of an incoming civilian and smacked Double D away with it. Double D was knocked into a nearby car. Zero continued by kicking Double D

Zero: This had nothing to do with you from the start.

Zero picked up Double D and slammed him onto the ground.

Zero: But you and your friends had to befriend Giratina as well as Ketchum and his friends!

Zero slammed his armored foot onto Double D and pressed it onto the struggling hero. He then slammed his foot again.

Zero: So, you get to pay the price for it!

He tossed Double D into the bus next to them.

I stopped him from crashing into it!

I fired waves of energy and blasted Zero!

Me: You have no shame at all Zero! You make me sick!

I slashed him and cut open his face!

I slashed him and cut his chest!

Zero fired a missile from his suit at the bus, the vehicle exploding in a column of fire. But Double D flew out of the bus before recovering and hovering in midair.

Zero: You're not the only one who can fly!

Zero's suit began to fly up in the air as well as he flew towards Double D. And then, they continued flying up until Zero grabbed Double D by the collar.

Zero: Just give up! My suit is more advanced in every way!

Iron Boy: (smugly) How'd you solve the icing problem?

Zero: Icing problem?

His sensors flickered, the ice spreading more noticeably around his suit. The suit's eyes ceased glowing.

Iron Boy: Might want to look into it.

Double D banged on Zero's suit. It let go of him and fell helpless to the ground below.

Sabrina (Pokemon): That was actually very clever.

Me: You did that before didn't you Tony?

Iron Man: I sure did. It was against Ironmonger.

Me: Wow!

I punched the suit on Zero and smashed it!

Giratina fired an energy blast from his mouth and blasted Zero.

As Double D approved Zero, the villain got up, no longer frozen, and back-handed him away. But Double D threw a right punch to the IronWarHawkArmor's head. Zero brushes it off and quickly grabbed Double D in a bear hug. He squeezed tighter as the Iron Boy suit sparked and cracked.

Iron Boy: Flares!

Flares shot out of the suit, lighting up the area and blinding Zero. The unhinged villain groaned and released Double D. He recovered to find the area covered in smoke with no Double D in sight.

Zero: Very clever, Double D.

Iron Boy: (hiding behind a wall) Guys, I need a new plan. Can you distract him for me?

Heatwave: Thought you'd never ask!

Me: Lets get him!

We fired waves of energy and blasted him all over!

Barras: Lets do it!

Zyuohgers: WILD INSTINCT! AWAKEN!

AAAHHAAAHHAHAH WOOOWOOOWOWO!

They transformed!

Yamato: MONARCH OF THE OPEN SKIES! ZYUOH EAGLE!

Sela: MONARCH OF THE OPEN SEAS! ZYUOH SHARK!

Leo: MONARCH OF THE SAVANNA! ZYUOH LION!

Tusk: MONARCH OF THE DEEP FOREST! ZYUOH ELEPHANT!

Amu: MONARCH OF THE SNOW FIELDS! ZYUOH TIGER!

Barras: MONARCH OF THE SHALLOW SEAS! ZYUOH BARRACUDA!

Misao: MONARCH OF THE WORLD! ZYUOH WORLD!

Bud: MONARCH OF THE BLUE SKIES! ZYUOH BIRD!

All: DOBUTSU SENTAI ZYUOHGERS!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted off behind them and they were ready for action!

Me: YEAH! WHOA! That is cool!

Yamato: Don't underestimate this planet!

Me: Because you are not going to live long enough to regret it!

Nico: YEAH!

We went at him!

Barras: UNLEASH THE BEAST!

Her head formed into deadly barracuda jaws and she bit his leg and ripped the armor off him!

Me: WHOA! Jaws as powerful like an Adamantium Steel Trap!

Fangry: (notices a building) Hey, Tony. Isn't this one of your buildings?

Iron Man: Yep. It has one of my unfinished Arc Reactors.

Iron Boy: Guys, keep fighting Zero. I need to talk to Linka privately.

Lincoln: (shrugs) Alright.

As we continued fighting Zero, Double D talked to Linka.

Iron Boy: We're going to have to overload the reactor and blast the roof.

Linka: Well, how are you going to do that?"

Iron Boy: You're going to do it. Go to the central console, open up all the circuits. When I get clear of the roof, I'll let you know. You're going to hit the master bypass button. It's going to fry everything up here.

Linka: Okay. I'm going in now.

Iron Boy: Make sure you wait till I clear the roof. I'll buy you some time.

Linka nodded.

I fired waves of energy and blasted Zero!

Barras: Lets do it Yamato!

Yamato: You got it!

Barras and Yamato: FLYING FISH SMASHER!

They flew and smashed and pulverized him all over!

It turns out we were fighting on the roof as Linka went down and inside theh building. Double D jumped onto Zero from behind. As Zero struggled to reach and grab Double Di off, the Iron Boy suit scanned the IronWarHawk suit and targeted a certain wire of the suit.

Iron Boy: (rips wire off) This looks important!

Zero's view turned to black, the suit's optic sensors shut off. As Linka continued pressing, flipping, and turning on switches and buttons. Zero continued wrestling Double D blind, before finally grabbing him from behind and tossing him over. Double D landed and slid onto the glass roof above the reactor, his helmet ripped off. As this was happening, Barras was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Kumiko!

Barras: NO! We control the power! It doesn't control us!

They concentrated and reigned in the powers of Mega Palkia and Mega Giratina and they transformed and blasted Zero all over!

Nora Valkyrie and Philly Phil: VOLCANIC PANCAKE HOT SAUCE THUNDERSTRIKE!

Chazz and Herbie: CHTHONIAN HELLFIRE FIRE DRIVE FORCE!

Ebonwumon and Kevin (Herbie Fully Loaded): IRISH NORTHERN BLAST!

Kari and Bianca: CELESTIAL STAR ARROW CHEESE STORM!

Stacy and Bernard: LIGHTNING RESCUE THUNDER BLAST!

They fired waves of energy and elements and blasted Zero all over the place.

Zero: I never had a taste for this sort of thing,

His helmet opened up to reveal his face, Katsuki's helmet in hand.

Zero: Nut I must admit, I'm deeply enjoying the suit!

He crushed the helmet and tossed it over at Double D's feet. Double D looked at the destroyed helmet before looking up to his foe.

Zero: You finally outdid yourself, Double D. You made your parents, your fellow Eds, and the rest of the Cul De Sac Kids proud. Even the Kankers!

Linka: It's ready, Double D! Get off the roof!"

Zero raised his right arm and fired his repulsors on Double D. Double D raised his right arm, the arm flapping out as a shield, blocked the bullets. Unfortunately, the glass floor wasn't lucky. The glass beneath Double D shattered, causing Double D to drop and hang onto the solid beam ledges of the once glass roof. Zero continued firing, shattering all the remains glass.

Linka: Double D!

Zero: How ironic, Double D! Trying to rid the world of villains, you made me into its best one ever!

Iron Boy: Linka!

Zero: And now I'm going to fucking kill you with it!

Porygon Z: No, you don't! (charges at him)

Porygon Z blasted Zero all over.

I fired waves of energy and blasted Zero!

Zero stomped closer and fired a missile. It veered off course and blasted the concrete part of the roof.

Zero: You ripped out my targeting system!"

Iron Boy: Time to hit the button!

Linka: You told me not to!

Zero: Hold still, you little prick!

Zero fired another missile, over Double D's head.

It missed!

I fired waves of energy and blasted him.

Poromon pecked at Zero and destroyed his machine guns!

POINK POINK POINK POINK!

Zero: NO!

Eddy: Get the fuck away from him!

Eddy fired blasts from his blaster and blasted Zero!

Nico: Take that!

Poliwag slapped Zero with his tail and destroyed his missile blasters!

Hippowdon: CANNONBALL!

He smashed onto him and destroyed his jet packs!

Edzilla: IRON BOY RIPOFF NO HURT DOUBLE D!

He smashed and pulverized Zero!

Zero went at me.

Me: Not so fast!

I grabbed his suit!

Me: Now you will experience this

He saw his suit rusting and disintegrating!

Me: I'm using Blackheart's Sulfur Touch to destroy your suit!

Ghost Rider: Clever!

Then his suit was shattered and destroyed!

Me: Take that!

POW!

I punched him in his face!

Zero: So, you've made it this far! (Smirks) But, now you're too late! THE REVERSE WORLD SHALL BE DESTROYED ALONG WITH ALL OF YOU! (LAUGHING MALEVOLENTLY)

Lincoln formed a massive ball of lightning in his left hand and he fired it at Zero's portal machine and destroyed it!

Zero: NO! DAMN YOU! DAMN YOU ALL! DIE!

Zero went at me.

Me: Not so fast!

I grabbed his suit, then Zero saw his suit rusting and disintegrating!

Zero: WHAT IS THIS!?

Me: (Smirks) I'm using Blackheart's Sulfur Touch to destroy your suit!

Ghost Rider: Clever!

Then his suit was shattered and destroyed!

Me: Take that!

POW!

I punched him in his face!

Lincoln, Edd, Nico, and I and the rest of us went after Zero and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Zero, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Edd, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was pissing off Zero even more, and we also fired energy blasts that shattered The Monitor Orb in his forehead and we got a massive power boost and he screamed in pain.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Zero and we all found ourselves not only in Heaven, but also, in space.

Then Firebrand, Man Boy, Femme Fetale, Kangor, Trapster, Saix, Spot, U Foes, Madame Masque, and Cheshire came.

Nico: Firebrand, Man Boy, Femme Fetale, Kangor, Trapster, Saix, Spot, U Foes, Madame Masque, and Cheshire,

Zero: Don't just stand...

POW!

I punched him down.

Me: You're delusional if you think our frenemies will listen to you!

Firebrand: The IronWarHawk suit took the effect of the Sulfur Touch. So, Zero's not dead yet.

Me: Nah I didn't want Zero to die immediately from that. So I just destroyed the suit only.

Firebrand: Good thinking.

Man Boy: (to Iron Boy) Tell me you're not thinking of having Linka press that button

The look on Iron Boy's face was all we needed to see for his answer.

Femme Fetale: (sighs) Let's just let him do what he needs to do.

Me: Yeah.

Trapster: (to Poromon) We heard you ate Mr. Mind.

Poromon belched and smiled.

Kangor: (to Randy) (Jamaican Accent) You should take care of that Froakie, mon.

Randy: I will.

?: That is awesome!

A figure came and it was RABBITCON from episode 7 of Time Force!

Rabbitcon, like all other mutants, was created in the result of a science accident. Before the events of the season, he was captured by Time Force.

He was released by Ransik in the seventh episode to attack the city. Rabbitcon attacked Silver Hills with army of Cyclobots and encountered the Rangers. Trip offered Rabbitcon a chance to surrender without a battle, but the mutant refused and the battle started. Rabbitcon nearly defeated Trip with his electrical laser whip, but Trip defeated the mutant with his Time Strike.

Rabbitcon was nearly defeated, but he removed a chain of his DNA and enlarged himself. In the giant battle, the mutant tried to battle the Rangers' Zords with his powerful eye laser, but was defeated by the Time Flyers. He was eventually defeated and frozen by the Time Force Megazord

---

Trip: Rabbitcon!

Rabbitcon: Hello Trip!

Me: I remember you! You were sent to attack Silver Hills. Trip offered you to surrender but you said no.

Rabbitcon: Good memory and yes that's right.

Me: Yep.

Rabbitcon: Too bad I didn't get my own episode.

William: That's a shame

Me: Actually you did have your own episode.

Rabbitcon: Oh right. I forgot.

Nico: Yeah. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Stellar Sparkle: Yeah that was funny.

Harmony Sparkle: Yeah no kidding there.

Starshine Sparkle: Now we've seen the last of him. We got rid of that monster that started the battles with Team Dark Phoenix Storm.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Shar and he began absorbing her and assimilated Shar's Shadow Creation, Umbrakinesis, Swordfighting, Manipulation, Illusions, and Divine Powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on

his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Shar and he also sucked out all the energy remaining in her soul and she was sent to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Elizabeth Swann Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Elizabeth Swann Cooper: It's over for you, Shar, and to this we say good riddance. Thanks for helping me get rid of that nihilistic goddess of darkness, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Elizabeth.

Me and Nico: Our pleasure, Elizabeth.

Suddenly, Elizabeth Swann Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elizabeth Swann Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of

Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Elizabeth Swann Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Elizabeth, you transformed and you guys really let Shar have it.

Me: That's for sure, and she got what she deserved. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Garnet.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Garnet.

Catherine Diamantis: There's only one person who matches this: Giselle Greenwood, Avatar and Gene-Slammer of Gem-Knight Garnet, and you guys are going to love meeting her, Giselle Greenwood, Avatar and Gene-Slammer of Gem-Knight Garnet, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of garnet gems and crystals. She's known as The Garnet Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Giselle Greenwood came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of garnet gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of garnet gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Alvará Craven, Gene-Slammer of Steelswarm Moth and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Giselle's parents and her little sister, Gina, in cold blood, and she swore to kill Alvará Craven and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Giselle lost both her parents and her little sister, Gina, and Alvará Craven killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She don't deserve to live, if that bitch shows up along with the other bitches, they're dead!

All of us ran to where Double D was.

Saix: (worried) Is he?

We sighed in relief as Double D got up.

Spot: Oh, thank God!

Eddy: Thank goodness Sockhead!

X Ray: Had us worried for a moment!

Ironclad: Sorry about the suit though.

Double D: Nothing a good overnight repair will fix. And now, I'm taking a nap. (falls asleep):

Me: He just needs to sleep.

Madame Masque: He's earned it.

Me: Man brutal battle!

Cheshire: Thanks for helping us, Giratina!

Giratina nodded.

Me: Man that was intense!

Qin: It sure was!

Nico: Great jbb today everyone.

Eddy: (To the viewers) Double D saved everyone today.

Me: He sure did.

We went back home and got Double D put into bed and told everyone to be quiet.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Zero is gone forever.

Anna Anyanova: That's for sure. That bastard finally got what he deserved, and now, The Reverse World is safe from that monster.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained

another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Alexander Avalon was out in the city and looking out into the skies.

Alexander Avalon: So far so good. We took down The Dark Shadow Card, but tomorrow, I got the feeling we're going to take on the dark version of The Rain Card, and that one was an intense capture since Sakura had to capture both it and The Wood Card and keep the house from being destroyed, but we'll be ready for them.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, but we're ready.

Meanwhile in Japan, Guren and team were getting ready for our arrival.

Guren: I'm excited for this.

Beni: Me too!

Ceylan: Same here!

Gen: We're ready for Vilius.

Guren: Lets do it! TENKAI UP!

In a flash of light they transformed!

This is a chapter for the show Tenkai Knights

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a beautiful flower planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over the flowers, all plants, and nature, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

But, there were also nine hooded figures also on the planet. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Flowerraira, a beautiful flower planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Flowerrairans, the males were not only natural born fighters, but had powers over the flowers, all plants, and nature, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Flowerrairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Oh man! A flower planet. Plus, I also saw nine hooded figures there, but I have a feeling they are connected to Maria Ying Xiao and her sisters. I better check it out.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Flowerraira once inhabited by Th Flowerrairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Flowerraira, it truly is a beautiful planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Flowerraira.

Lincoln: There it is.

?: You've made it.

Then, the nine hooded figures came out, they were dressed in red robes, but their heads and faces were covered by the red robes.

Hooded Figure: We've been waiting for you, Lincoln.

Lincoln: How do you know me?

Then, the hooded figures removed their hoods: they were nine males with the same crimson red hair as Maria Ying Xiao and her sisters, but the other eight males have streaks in their hair, they were also extremely strong, and they also have angel wings: the leader has rainbow angel wings just like Maria Ying Xiao, and the other eight have colored angel wings just like Maria's sisters.

Lincoln: (GASPS) Michael Ying Xiao, Alan Ying Xiao, Henry Ying Xiao, Hunter Ying Xiao, Marcus Ying Xiao, Gabriel Ying Xiao, Peyton Ying Xiao, Logan Ying Xiao, and Nicholas Ying Xiao!

Michael Ying Xiao: Good to see you again, Lincoln. And I suppose you're wanting to ask why we're here, right?

Lincoln: That's right.

Alan Ying Xiao: Well, we got bad news: in two days, Dark Chase Young's going to return from The Warp, and needless to say, he's really pissed off to the extreme.

Lincoln: The second part of The Prophecy, the time's finally come.

Henry Ying Xiao: Correct. We'd known about The Prophecy for many years, same with Maria and our sisters, it was told to us by our parents in China, and we swore to help you in this. Our sisters helped out first, and they taught you all of their powers and gave you the power of The Atavism of The Elemental Maiden and the powers of the creatures of the elements and the Elemental Forces: The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps.

Hunter Ying Xiao: That's right, and now, it's our turn. Can you lie down on the stone slab?

Lincoln lied down on the stone slab that appeared out of nowhere, and then, the brothers chanted an incantation in Chinese. Suddenly, something appeared through waves of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Sand, Bubbles, Steam, Nebulae, Suns, Aurora, and Moonlight: The Immortal Phoenix and Mighty Dragon of Fire, The Yuki Onna of Ice, The Mermaid of Water, The Thunderbird of Lightning, The Sylph of Wind, The Golem and Minotaur of Earth, The Fairy and Elf of Light, The Ghost and Shadow Wisp of Darkness, The Wolf of Moonlight, and The Griffin of Nature, along with the animals that're associated with each element, along with the septillions of souls of the ancient tribes that are close friends with these creatures of myth.

Michael Ying Xiao, Alan Ying Xiao, Henry Ying Xiao, Hunter Ying Xiao, Marcus Ying Xiao, Gabriel Ying Xiao, Peyton Ying

Xiao, Logan Ying Xiao, and Nicholas Ying Xiao: Ancient Powers of ages and eons past, Mythical Beasts of the Elemental Forces of Nature, we bring before you The Reincarnation of Amaterasu and The Descendant of King Arthur of Camelot, The Champion of The Iroquois God of Thunder and The Gods and Goddesses, and The Champion of Friendship and Protector of Earth and loved by all that can lift a frown. We ask you now to merge with Lincoln Loud, to make sure he is now ready for when he faces the immortal monster responsible not only for the dark events of 1621 and trying to kill him to prevent the prophecy from coming true, but also, for 1,500 years of pain and suffering he'd wrought upon any he'd crossed paths with!

Then, a massive circle of Chinese characters appeared around Lincoln with the Trigrams of Fire, Earth, Moon, Sky, Water, Mountain, Thunder, Wood, Metal, Light, and Wind appearing underneath, and then, The Immortal Phoenix and Mighty Dragon of Fire, The Yuki Onna of Ice, The Mermaid of Water, The Thunderbird of Lightning, The Sylph of Wind, The Golem and Minotaur of Earth, The Fairy and Elf of Light, The Ghost and Shadow Wisp of Darkness, The Wolf of Moonlight, and The Griffin of Nature, along with the animals that're associated with each element, along with the septillions of souls of the ancient tribes that were close friends with these creatures of myth, began entering Lincoln's body and the mythical beasts and animals of Fire, Earth, Moon, Sky, Water, Mountain, Thunder, Wood, Metal, Light, and Wind merged with him as he gained an astronomically massive power boost and he gained their powers over Fire, Earth, Moon, Sky, Water, Mountain, Thunder, Wood, Metal, Light, and Wind, and the souls of the ancient tribes that were close friends with these mythical creatures also merged with him, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When the ritual was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and colored aura with the elements of Fire, Earth, Moon, Sky, Water, Mountain, Thunder, Wood, Metal, Light, and Wind surrounding him and the rainbow, white, golden yellow, and blue protective aura as well.

Lincoln: Whoa, what was that ritual you performed on me. I feel even more powerful than ever.

Michael Ying Xiao: That was a very powerful and long forgotten ancient magic ritual we'd found in the ancient magic books of our family's library known as The Elemental Beastheart Transmigration, like the Phoenixheart Transmigration Talia's people used on her 7,700 years ago in Ireland, this very powerful ritual we used merged you with The Immortal Phoenix and Mighty Dragon of Fire, The Yuki Onna of Ice, The Mermaid of Water, The Thunderbird of

Lightning, The Sylph of Wind, The Golem and Minotaur of Earth, The Fairy and Elf of Light, The Ghost and Shadow Wisp of Darkness, The Wolf of Moonlight, and The Griffin of Nature, along with the animals that're associated with each element, along with the septillions of souls of the ancient tribes that were close friends with these creatures of myth.

Alan Ying Xiao: And you gained all of their powers, abilities, and other incredible powers and abilities as well. Now, there's one last thing you got to do.

Lincoln: Already on that.

Then, Lincoln hovered his hand over the intricately carved stone cover with a rainbow-colored gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Flowerraira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Flowerraira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over flowers, all plants, and nature, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue aura with flowers and flower petals surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over flowers, all plants, and nature, and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Flowerraira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was

growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Flowerraira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Flowerraira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Flowerraira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others. And your sisters are going to enjoy seeing you guys again.

Michael Ying Xiao: I can guess.

Lincoln disappeared in a flash of light and came back to his room, along with bringing Michael Ying Xiao, Alan Ying Xiao, Henry Ying Xiao, Hunter Ying Xiao, Marcus Ying Xiao, Gabriel Ying Xiao, Peyton Ying Xiao, Logan Ying Xiao, and Nicholas Ying Xiao with him who went to their new rooms and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Flowerraira, it was a beautiful flower planet.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, but The Infernairans laid waste to The Flowerrairans, and there truly is no end to the terror they'd wrought throughout the universe.

Lincoln: Arpina's former people were absolute monsters. Oh, Maria, I got a surprise for you and your other sisters. You can come in now.

Then, Michael Ying Xiao, Alan Ying Xiao, Henry Ying Xiao, Hunter Ying Xiao, Marcus Ying Xiao, Gabriel Ying Xiao, Peyton Ying Xiao, Logan Ying Xiao, and Nicholas Ying Xiao came in, and when Maria and her sisters saw them, they were stunned.

Maria Ying Xiao: Michael Ying Xiao, Alan Ying Xiao, Henry Ying Xiao, Hunter Ying Xiao, Marcus Ying Xiao, Gabriel Ying Xiao, Peyton Ying Xiao, Logan Ying Xiao, and Nicholas Ying Xiao!

Alan Ying Xiao: Hey, girls.

They hugged.

Me: Whoa! You never told us you had brothers!

Lincoln: I was the only one who knew it, and there's something you should hear.

Lincoln explained everything, and when he did, we were shocked.

Nico: Oh, shit. So, Dark Chase Young's going to return in two days?!

Henry Ying Xiao: That's correct, he's going to return.

Eli: But, we'll be ready for him.

Xinnia Xiaolin Young: And you guys used The Elemental Beastheart Transmigration on Lincoln.

Allie Ying Xiao: You guys found out about it when you looked into our parents' collection of ancient magic books. I knew it.

Me: Elemental Beastheart Transmigration? What's that?

Maria Ying Xiao: Just like The Phoenixheart Transmigration Talia's people used on her 7,700 years ago in Ireland, The Elemental Beastheart Transmigration is an ancient and very powerful and long forgotten magic ritual they'd found in the ancient magic books of our family's library.

Hunter Ying Xiao: And we used it to merge Lincoln with The Immortal Phoenix and Mighty Dragon of Fire, The Yuki Onna of Ice, The Mermaid of Water, The Thunderbird of Lightning, The Sylph of Wind, The Golem and Minotaur of Earth, The Fairy and Elf of Light, The Ghost and Shadow Wisp of Darkness, The Wolf of Moonlight, and The Griffin of Nature, along with the animals associated with each element, along with the septillions of souls of the ancient tribes that were close friends with these creatures of myth.

Talia Houou Flameheart: (Irish Accent) That's incredible.

Gabrielle Ying Xiao: This ancient ritual hadn't been performed on anyone not even in ancient times, but you chose to perform the ritual on Lincoln because you knew Dark Chase Young was going to return.

Gabriel Ying Xiao: Exactly.

Nico: Either way, you guys just helped out Lincoln in a huge way. So, you guys have the same powers as your sisters.

Michael Ying Xiao: Correct. Xinnia Xiaolin Young: Each of them have the same powers as their sisters, and they're also allies of Lincoln's Guardian Angels and friends of Lincoln.

Nicholas Ying Xiao: We're not like the despicable brothers of Hilary Thestalos and her friends and The Seraphina Sisters, we have honor and we respect Lincoln and his family.

Nico: That's cool, and I can guess you also defended him from his enemies along with Lori, Lynn, Lola, Lisa, and Luan.

Xinnia Xiaolin Young: They did more than that, they also taught Lincoln in all the martial arts styles in Shaolin, Jiujitsu, Judo, Tae Kwon Do and over 100,000,000 styles of Kung Fu, Judo, Shaolin, Jiujitsu, Karate and many more and how to use the powers of lightning, wind, earth, metal, wood, crystal, ice, light, and darkness, and swordfighting and spellcasting.

We were stunned.

Me: HOLY MOLY!

Nico: Whoa...! I can imagine Lincoln would easily dominate the local martial arts tournaments with the moves they and all of you taught him.

Arpina Huoqiang: Along with the Fire Fist styles of me and our entire Sisterhood which he became a master of in a short amount of time.

Lynn: I'd fallen victim to Lincoln using their Fire Fist styles and the martial arts styles in Shaolin, Jiujitsu, Judo, Tae Kwon Do and over 100,000,000 styles of Kung Fu, Judo, Shaolin, Jiujitsu, Karate, and many more.

Lori was asleep.

Butterfree had a golf club and a ball ready.

Butterfree: FORE!

WHACK!

She hit the ball and then...

BONK!

IT HIT LORI ON HER HEAD!

Lori: (SCREAMS) OUCH!

Butterfree: Rise and Shine Lori!

Lori: OW! That was literally a nasty alarm clock. (GASP) It's my big day today!

She went and got dressed and went to the table.

Me: Morning Lori. WHOA! Nasty lump on her head.

Lori: Blame my alarm clock.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Giant Ant, and it's causing havoc in Townsville.

Blossom: Oh no, The Giant Ant!

Bubbles: Yikes!

Lana: Can we eat him?

Lincoln: No, Lana. We're going to send it to The Masters of Evil, after we take it down and stop it from causing havoc in Townsville.

Lana: Aw.

Buttercup: Trust me, Lana, this is one bug you do not want to eat!

Suddenly, Lincoln's Chinese jian longsword holstered horizontally, The Wailing Dark sword, The Sword of Tengu and the other longswords that he'd forged began merging together and they're surrounded by a kaleidoscope of rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals as an angelic choir sang.

Henry Ying Xiao: Well, that's new.

Lincoln: You also knew I also learned how to use two swords, and I've had a lot of practice. Alright, now let's head for the Townsville sector and take care of The Giant Ant.

Nico: Right.

We finished breakfast, and we headed to the Townsville sector to help Crimson Napalm unlock his Rainbow Power and take down The Giant Ant and send it to The Masters of Evil.

We were off to the Towsville Sector.

Me: We're going to need a lot of bug spray for this one.

Camie: Yeah no kidding.

Ymir: This is a nasty and huge ant.

Varie: It sure is.

Fu: This is one ant I don't want around.

Lola: No kidding.

Me: It's like something out of the 1954 movie Them!

Nico: I remember that.

Frankenstrike: I'm going to have some deep fried ant for breakfast.

Lana: YUMMY!

Nico: Frankenstrike, I want to thank you, Deceptron, and your teams for coming

Frankenstrike: No problem Nico. This will be fun and cool.

Winona Weather: I'm ready to strike with lightning.

Me: Yeah!

Blossom: I can't believe we're battling this giant ant again.

Me: How did you girls battle this ant before?

Blossom: Well it was really challenging. But also Bubbles was having problems with her vision. She was going blind.

She told us what happened.

Bubbles has trouble seeing while her sisters Blossom and Buttercup are busy battling a giant ant attacking Townsville. Though the battle seemed to progress, several erratic judgments and actions force the girls to retreat and have Bubbles evaluated.

After a set of tests is done to check her vision, including a standard eye test, the Professor prescribes Bubbles a set of much-needed glasses so improve it. Because of how she looks with them on, Blossom and Buttercup laugh at her looks and passively discourage her from wearing them; however, the Professor does not laugh at her and says the glasses make her look super, and tells her it doesn't matter what her sisters say and what's important is if she helps them fight crime, and reminds her not to let anything her sisters say get to her.

Returning to action, her sisters struggle with the giant ant as Bubbles becomes reluctant to use her glasses as prescribed and her vision is compromised. In time, crushed by the giant ant, they plead for Bubbles to use her glasses despite their previous teasing. Her glasses' lenses were so thick that they magnified her eye beams enough to destroy the ant.

Upon returning home to explain the battle, Buttercup accidentally fired a laser beam, which ricocheted throughout the lab, which destroys Bubbles' glasses and hit her eye exactly in the problem spot, thereby improving her vision permanently without her glasses. At the end of the episode, however, she couldn't hear what the Professor or the narrator were saying, making her temporarily deaf in the process.

We were shocked.

Me: Oh man!

We glared at Buttercup and Blossom.

Blossom: We deserve that.

Me: Oh right you learned your lesson back then.

Nico: Winona, what do you like to do in your free time?

Winona Weather: I like to show the kids at school what the weather can do and it's fun.

Lola: She makes awesome weather demonstrations for us.

Lana: I'll say!

Nico: You should be on the news

Winona Weather: (LAUGHS) Maybe I should.

Qin: That would be cool.

Edd: I agree. It would be intriguing.

Double D was in a full body cast in a wheelchair and he was REALLY MANGLED UP!

Me: Man Double D, Zero did a number on you.

Eddy: Boy no kidding sockhead. That was rough.

Edd: It was.

Laney: Yeah. But that was a really cool adventure.

Double D: My armor is back to full strength. Now, my body just has to heal after the Skylanders adventure

Me: But you did really awesome yesterday Double D.

Ed: He sure did. Double D was great!

Linka: He sure is!

Iron Man: You went through everything I went through when I first used the Iron Man suit.

Qin: That is very coincidental Tony.

Xenia: I agree.

Iron Man: It sure is.

Ash: Zero's gone for good.

Me: Thank goodness. And Giratina is happy about that.

Lincoln: And in the process, you caused lots of property damage and endangered the lives of a few civilians!

Lisa Loud: (sarcastically) Congratulations, Double D!

Me: Now guys calm down. We all went through a lot actually. But no risk, no reward. Besides the good thing that comes from all this is that we will never see Iron War Hawk ever again and have to worry about Zero making Double D look bad.

Lisa Loud: Indeed. That is true on that.

Lincoln: You're right.

Ymir: That was awesome though.

Nico: Yep.

Ren Hoek: I can't believe that Double D's Akuma was that crazy!

Stimpy: It sure was Ren!

Me: That was the most fucked up akuma I've ever seen! Bit off Arbormon's hand!

Nico: Boy no kidding! And all those bodies that he destroyed looked like they were ripped to shreds by a Klendathu bug swarm!

Me: Exactly what I was thinking.

Varie: Gruesome!

Luna: We take our battles to other planets sometimes for a good reason, Double D!

Double D: I know.

Me: Guys stop it. Double D went through a lot with Zero and you guys reprimanding him is only making him hurt bad inside.

Luna: You're right. Sorry guys.

Edd: It's okay.

Me: Besides I don't think Zero was going to let us battle on another planet anyway.

Eli: He's right.

Qin: Yeah.

Nico: Sometimes, our ways of doing things won't work

Me: I know.

Qin: Yep.

We walked around.

Eddy: And now, that's both users of the IronWarHawk Armor dead

Poromon: Yeah! And Mr. Mind is gone too.

Qin: Turned into mincemeat by you Poromon.

Poromon: (LOUD BELCH)

WE LAUGHED!

Lincoln: Okay, guys, we're in for one giant battle, we're here in the Townsville sector to help Crimson Napalm unlock his Rainbow Power and take down The Giant Ant and send it to The Masters of Evil.

We had all of TLPS and The MOE with us.

Nico: We've never taken down The Giant Ant before, but this should be good.

Me: You said it.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive

levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and

rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Cameron heard a Pokemon cry

Cameron: Look guys!

We saw a Klink.

Me: Cool a Klink.

Cameron: Cool!

Klink: That big ant makes me nervous.

Cameron: I know.

Cameron gave it food.

Klink: Ahh thank you.

Cameron: You're welcome. Want o come with me?

Klink: I would be honored.

Me: Awesome!

Poromon: You won't regret it.

Me: Nope.

Lola: Look guys!

We saw a Mega Butterfree!

Me: Cool! Mega Butterfree.

Nico: Where did hat come from?

Me: Must be one of Dark Gale's work.

Kazuma: Lets see.

He used Telepathy and gasped!

Kazuma: Oh my god it's Naomi!

Me: Your sister no doubt.

Kazuma: Yep. You'll like her story. Lets go help her.

We went over.

Kazuma: Naomi it's okay. It's me Kazuma.

She used Gust on Horsea but she put her clone in Front of her

The Gust blew the clone into Luan's arms.

Luan: That is one way to Blow you away! (LAUGHS) Get it?

WE LAUGHED!

Eddy: (LAUGHS) That was a good one!

Lynn Sr.: (LAUGHS) Good one!

Me: Yep.

Kazuma: Okay then.

We fired waves of energy and blasted her.

Then I snapped my fingers and she reverted back. She was a girl with black hair and had blue eyes and had blue angel wings and had Mega Butterfree on her forehead and on her arm was the Royal Flush Poker Hand and had the symbols of all the Riders of Blade on her arm in a Pentagon around it as cutie mark.

We wrapped her in a blanket and brought her over.

Me: This is gonna be interesting to hear about too.

She woke up to see Horsea's smiling face.

Naomi Kenzaki: (Groans) Huh? A Horsea?

Horsea: You blew my clone away!

Luan: Right into my arms!

Kazuma: Hey sis.

Naomi Kenzaki: (GASP) Kazuma!

She hugged him!

Naomi Kenzaki: I thought I would never see you again.

Kazuma: I'm home for good now sis. You have J.D. and his friends and team to thank for me coming back.

Me: It's a crazy story. Also you were turned into a Mega Butterfree by Dark Gale.

Naomi Kenzaki: Dark Gale? Who are they?

Me: Oh they were a Pokemon Villain Organization we destroyed a while back. What were you doing when you got slammed?

Naomi Kenzaki: I was fighting an Undead called the Albino Joker.

WE GASPED!

Me: Oh man. I remember that one.

Evelyn: I don't think we ever faced him.

Me: No we didn't.

Nico: What's your Rider name?

Naomi Kenzaki: I am known as Kamen Rider Royalflush. I am the strongest rider of the Blade team.

Me: Whoa! That is amazing! Also we killed Hiroshi. He's dead.

Evelyn: He was responsible for turning your brother into an Undead and him leaving the Earth.

Me: We found him on a planet made entirely of Sweet Potatoes.

Nico: Yeah it's true.

Naomi Kenzaki: Oh wow!

Me: Yep. And I saved your brother from that accursed fate that would have ultimately destroyed the world.

Nico: It's all true.

Poromon: Kazuma went through Hell

Naomi Kenzaki: I know. I swore to make Hiroshi pay for all his crimes against the world. Also I have all the powers of all the Undead in me. Long story.

Me: We already did all that part for you and that is kill Hiroshi.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new teal blue clothes and a King Sword and she had her Rider belt given to her.

Naomi Kenzaki: I look amazing.

Me: You sure do.

Poromon: Now, where's that ant?

Just then, Poromon saw a shadow over him.

It was LUAN AS AN ANT!

Luan: ROAR!

Poromon: (SCREAM) Oh. Nico try Luan.

Luan: (LAUGHS) Ant I a stinker!

WE LAUGHED AT THAT ONE!

Lincoln: (Sensed for The Giant Ant) AHA! Gotcha! I just spotted The Giant Ant, it's 200 yards away and is causing havoc.

We then took off to take down The Giant Ant.

Narrator: The city of Townsville. And it looks like it's gonna be a calm, peaceful, uneventful day, as long as you ignore the GIANT ANT!

(On the end of this line, turn down quickly to a huge ant caught in the act of chewing up a building. At ground level, people scream and run just before its feet slam down. It lifts a truck with its jaws and roars.)

IT WAS A MASSIVE 30 FOOT TALL HOUSE ANT!

Narrator: This looks like the end!

(The ant crushes the truck.)

We were flying in the air, and there, we saw The Giant Ant snapping its mandibles at the panicking citizens.

Me: Yikes!

Nico: Oh boy, let's take care of it and fast.

Me: THAT ANT IS AS BIG AS A HOUSE!

Lincoln: (ECHOING VOICE) PHOENIXHEART DRACONIC FIRESTORM GOUENKEN!

Lincoln thrusted his new longsword and it fired the massive ball of orange fire with intense flames and it hit The Giant Ant and it roared in anger at us.

Nicole: No way! Did you create...!

Naguri Tensai: It appears Lincoln created more powerful versions of the spells he'd learned under my wing.

Rei Jenron: So much time has indeed passed since that day.

Lau Wong also fired a blast of fire at The Giant Ant and it exploded.

I punched the Ant in its face and bashed it all over!

Poromon: Luan, don't scare me like that!

Luan: Sorry!

Poromon: Lets get this ant!

We bashed it all over and it roared!

I punched the Ant.

Me: I pulled out ANT KILLER!

I sprayed it and it roared in pain!

Klink charged at it and blasted it with energy.

Blossom and Buttercup blasted it with laser vision but their beams weren't having any effect on it.

Me: Boy that ant is one tough bug!

Nico: It sure is!

Qin: How could a tiny ant grow to such an enormous size?

Me: The ants in the movie Them! Were made because of nuclear radiation. It's possible that it was exposed to nuclear energy and grew to the size of a house.

But Poromon flew up and it grabbed Bubbles, Buttercup and Blossom instead!

Girls: (SCREAMS) GUYS HELP!

Me: Lets see it like this!

I spun my magisword bracelet.

MAGNIFYING GLASS MAGISWORD!

I held it in front of my face.

I fired a laser vision blast!

Narrator: As the crimson beam shoots forth, the sheer thickness of the magnifying glass Magiswords lens begins to magnify the red-hot point of energy, until…

(Pull back to show the ant on the roof. It is suddenly engulfed in a wide-angle laser beam and blown to kingdom come in slow motion. Blossom, Bubbles, and Buttercup, who were still in its jaws as it was vaporized, seem to vanish as it disintegrates. I continued firing for some time, then stops and squints, dazed. My eyes snap open in surprise, and I begins to point and snicker, finally bursting into uncontrollable laughter of her own. Cut to Bubbles, Blossom and Buttercup, now covered in brown, smoking ant sludge, as I continues to laugh. Their turn to get laughed at for a change after teasing Bubbles about her glasses earlier.)

Me: (Clears Throat) Oh sick!

Qin: WHOA! What a mess!

Me: That was just one. But there might be another one.

Laney: Like that one!?

We saw ANOTHER GIANT ANT!

Nico: Oh, c'mon!

Me: Ants are usually part of a massive colony. Beat one and others are soon to follow.

We saw NUMEROUS ANTS! I got on the radio.

Me: Too all team mates. To all team mates. Condition Red! Townsville sector is the target area! Repeat Townsville

Suddenly, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword and the 9'11" double-edged gold blade of Lincoln's large longsword were surrounded by water.

Lincoln: (ECHOING VOICE) DRAGONHEART MAELSTROM SOURYUUKEN!

Lincoln spun at The Giant Ant like a drill with his greatsword and longsword pointed at it with two streams of water surrounding him and he hit The Giant Ant and did a double slash with both blades that hit The Giant Ant.

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword and the 9'11" double-edged gold blade of Lincoln's large longsword were surrounded by moonlight.

Lincoln: (ECHOING VOICE) WOLFHEART MOONLIGHT JINBUKEN!

Lincoln summoned swords of moonlight with wolves running around them, and he sent them at The Giant Ant and got hit hard and he holstered his massive greatsword and large longsword.

Then, Lincoln fired five massive balls of fire from his left hand and they orbited around The Giant Ant, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of the Ancient Gods and Goddesses.

Arpina Infernaira: Ooh! Now, that's just brutal.

Suddenly, we heard a loud howl, and we saw an army of 50'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Eli: Seriously, who keeps on sending creatures after us?

Then, Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound The Giant Ant.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of The Giant Ant, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND SUFFER FOR ALL ETERNITY! THIS IS THE END FOR YOU ONCE AND FOR ALL!

Lincoln, Nico, and I did one final powerful energy slash that hit The Giant Ant hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The Giant Ant was on his last legs and he was really really mangled.

Then, Lincoln made a giant ant farm appear, and Lincoln and I lifted The Giant Ant and threw it into the ant farm and locked it and sent it to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Nico: That should do it.

Me: You said it, but I can't believe Lincoln went really wild on him. You said this is what happened when Chunk went Full Heat Nirvana, right, Luna?

Luna: Afraid so. It was too horrible to describe. Lincoln proved to be a tough guy when he challenged Lynn to that hot sauce eating contest years ago, and he showed you how he trained himself on how to handle it.

I went through the events of what happened in Chapter 85 in The Loud House: Revamped, and everyone who hadn't been with us at that time were impressed!

Nico: WHOA!

Then, Lincoln showed everyone who hadn't been with us at that time his secret stash of hot sauces he had in his fridge in his room.

Lincoln: Yep, this is my secret stash of hot sauces, I trained a lot for that moment. I saw Lynn eating spicy foods and figured that I can beat her. So, I trained my mouth and stomach in secret and built up my spice tolerance bit by bit.

Gina Angellus: That's for sure, and when I gave you The El Paso Diablo Pepper of Fury, the legendary pepper, you devoured it and you gained a massive and powerful immunity to all peppers of all types, and any pepper you eat will also give you a massive power and energy boost and increase your body heat and body temperature.

Laney: And I also showed you my greenhouse where I grew peppers, and I made quite the fortune in selling them to the market.

Camie: That's amazing.

Luna: Lincoln beat Lynn at her own game first, then Laney followed as well.

Lincoln: Now, you know how I became a true spice demon.

Me: Yep.

Poromon: We almost got eaten!

Timon: Look on the bright side though Poromon, At least we are getting to eat an amazing all you can eat ant buffet. ANT That the truth! (LAUGHS) Get it?

WE LAUGHED!

Qin: I GET IT!

Timon and Pumbaa were eating more ants.

Nico: Still funny though.

Nico: You're on!

Me: This will be fun!

Qin: It sure will!

Frankenstrike: Yeah! Also if you want to know what I do for free time, I like working at the electric power plant and help generate electricity.

Me: Nice.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Lori.

Nebula Lanaia: We better be ready, if this is someone out to kill our brother, I'm breaking her nose and her limbs!

Lincoln: We'll find out soon, Lanaia.

Eli: Lincoln's right. Whoa, and one of The Anothers is The Avatar of The Rain Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Me: So we got Another Deceptron, Weather Dopant, SCP 2789, Mothma, Evil HERO Malicious Bane and Gill Man (Creature From The Black Lagoon)

Nico: Yep and Frankenstrike, Winona Weather, Nocturnal Thunder, Pika Plasma, Ashina Valerian and Melania Douglas are up.

Me: Cool.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Weather Dopant, SCP 2789, Mothma, Evil HERO Malicious Bane and Gill Man (Creature From The Black Lagoon) came.

Me: WHOA! This will be fun.

Nico: Yep.

Another Weather Dopant: (In a girls voice) I agree there.

They reverted back and were the gene-slammers of Spiketail Drake and Mad Dog of Darkness!

Nico: Cree Vexxos and Sennia Spiketail!

Sennia Spiketail: Good to see you Nico.

Nico: Same here.

Me: Spiketail Drake and Mad Dog of Darkness's gene-slammers.

Cree Vexxos: Yep.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Sennia Spiketail: One is friendly and the other is hostile.

Me: Oh boy. And I have a good idea I know who it might be.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: Time for backup! (TURNS DIAL) OWL WARDEN FORCE!

She summoned Warden Smith, Carter Pewterschmidt, Lucia Van Bardas, Death (Starcraft II), Owl Lost Smash and Bug Fairy (Owl House).

Nico: Now we wait.

Poromon: We won't have to wait for long!

Out came Another Deceptron but no Another Lori!

Me: WHOA!

Another Deceptron: (In a girls voice) This will be fun.

She reverted back and it was the Avatar of The Rain.

Lincoln: Reggie Rain! Wow!

Reggie Rain: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure this is Reggie Rain, Avatar of The Rain Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of water, rain, weather, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Rain Clow Card, and the magic of Clow Reed. She's The Rain Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Reggie Rain is a master of the powers of The Rain Clow Card and she's a powerful master of water, rain, weather, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Reggie Rain came to Royal Woods where she met Lincoln, and she taught him how to master the powers of water, rain, weather, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Rain Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of water, rain, weather, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Rain Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by summoning a rainstorm, and they got rained on, and right in front of their peers who figured out they did something to Lincoln, and that got Reggie to summon that rainstorm on them.

Me: WHOA! What a downpour.

Ed: Where's the Another?

But the ANOTHER LORI CAME AND REVERTED BACK AND IT WAS EVIL MAY KANKER THAT HUGGED HIM! She looked like May but with Piercing Red Eyes!

Evil May: [hugging him] "A big hug for my honey!" [drags Ed back and they crash onto the ground!]

Evil May about to kiss Ed.

Evil May: "Put those lips together and make like a fish!"

Ed: "Girl germs!"

Leni: GET YOUR TOTES UGLY FUCKING HANDS OFF MY MAN YOU BITCH!

Kaito: (gets out Jetman gear) Did Swartz promise you anything?

Zocks: (gets out Zyuranger gear) Because we can grant it instead

They got weapons from said rangers.

Reggie Rain: No he didn't. I trapped him in a torrent of rain for 12 hours.

Sakura Knudson: GEEZ! That explains why I found the lab all flooded out.

Me: Geez!

Nico: No kidding!

POW WHAM SMASH BIFF KROW WHOMP!

Leni was REALLY SMASHING EVIL MAY KANKER INTO PULP!

Nico: But how will that work with Lee being fought on the rescue and on the main mission tomorrow?

Me: Uh Nico we'll banish her to the Warp till then.

Nico: Oh yeah.

Then Matango Mushroom People, Mayor Toadstool, Shroomy, SCP 5771, Mushroom Phantom Kraurum and Wild Wheel came.

Nico: WHOA!

Qin: HOLY SHIT! The Matango Mushroom People!? That movie scared the living fucking shit out of me!

Me: That movie was made in 1963! Oh man!

Nico: It's a nice team.

Matango Man: Thanks Nico.

Drakus: WHOA! SCP 5771! A Shroomwalker!

Me: HOLY COW! He's huge!

Drakus: Yeah he sure is.

Wild Wheel: Hello Nico Chan.

Nico: Wild Wheel.

Qin: Wow!

Then out came 4 swirls of light and they were Numbers 4, 3, 2 and 1.

Me: WHOA! The Numeron Gates!

Qin: COOL!

Number 4: (In a girls voice) (Australian Accent) It sure is mate!

Number 3: (In a girls voice) (Japanese Accent) I most agree.

Number 2: (In a girls voice) Yeah no kidding!

Number 1: (In a girls voice) I agree there.

Nico: Ashley Beetles, Sakura Sanban, Gina Gilligan and Natalya Uno!

They reverted back.

Ashley Beetles: Good to see you Nico mate and you too Wally.

Sakura Sanban: Hello Kuki and Mushi.

Gina Gilligan: Hey Hoagie and Tommy. Good to see you.

Natalya Uno: And you too Nigel and hello Rachel. Nice to finally meet my sister-in-law.

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Natalya Uno: We'll talk in a few seconds. We got this.

Ashley Beetles: 4 SMASHER LIGHTS!

Sakura Sanban: 3 THUNDER LIGHTS!

Gina Gilligan: 2 WATER LIGHTS!

Natalya Uno: 1 LIGHT BLAST!

They fired waves of energy and elements and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

They hugged their siblings.

Nico put his skeleton back.

Nico: I hate it when that happens.

Natalya Uno: So happy to see you. I heard all about Father being destroyed. Good riddance.

Lola: You have me on my big day to thank for that.

Nico: It's true.

Me: Yeah.

Natalya Uno: I'm so glad

Me: Are you girls part of the Kids Next Door?

Ashley Beetles: Actually we are this.

She showed me a badge for the S.E.K.T.N.D.S.A.D.

Me: S.E.K.T.N.D.S.A.D?

Natalya Uno: Super Elite Kids and Teens Next Door Splinter Assassination Division. We are a Special covert elite group working with the Kids Next Door to kill and assassinate all evil adults and teens out to destroy the entire human race. Our biggest target is my uncle Benedict Uno A.K.A. Father.

Me: That is amazing.

Yuko Tani: I had no idea a group like that existed.

Lola: Me neither. That is cool.

Gina Gilligan: It sure is.

Numbuh 362: I never heard of this group though.

Sakura Sanban: We established it after we heard about how Lola defeated Father the first time.

Me: That makes sense.

Nico: It does.

Winona Weather: Do you girls have any favorite memories of Nico?

Natalya Uno: We do but we all have the same memory. Our favorite memory is when we destroyed a group called The Queen Bee Nastys.

Me: WHOA! I've heard of them. They were Queen Bee Girls that HATE ALL KIDS and they killed several of them.

Sakura Sanban: That's right.

Me: Heather and Lila Rossi on steroids.

Nico: Yep.

Gina Gilligan: We sent them to Permanent Detention in the Pluto Prison for all eternity.

Me: WHOA!

Natalya Uno: Yep.

Nico hugged them.

Nico: I've missed you girls.

Sakura Sanban: Same here.

We went back home.

We had all of TLPS and The MOE with us, and it's raining like crazy.

Lincoln: Whoa, we're here in Great Lakes City and it's raining like crazy, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're here to take down the clone of DarkNeptune who has The Dark Rain Card in her hands, and once I suck out the powers of The Dark Rain Card, I'm also going to absorb the clone of DarkNeptune.

Frankenstrike: It's not a coincidence that The Dark Rain Card wound up in her hands, right?

Lincoln: Sailor Neptune has the power of water and energy, so I figured it would be in her hands, and this is going to be intense, DarkNeptune is the Hypothetical Akuma of Sailor

Neptune and a master of water and energy. She was made because of Pharaoh 90 causing problems and vowed to kill him.

Lincoln got out his sketchbook and we saw her: it looked like Neptune with a blue aura around her and a scary face!

Nico: Yikes!

Me: Scary!

Lily: This is gonna be one battle we Neptune Crusaders will love.

Suddenly, we spotted the clone of DarkNeptune, and then, Lincoln blasted her forcing The Dark Rain Card to come outtook on her true form. Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Rain Card and he began sucking out all her water powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long

brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Rain Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Rain Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Rain Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of DarkNeptune.

Lincoln, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after the clone of DarkNeptune, and they fired extremely powerful blasts of rainbow, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, phoenixes, and angels at her, and they exploded with incredible power as they hit him. Then, Von

Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at her with his massive greatsword and shot her with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit her on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to the clone of DarkNeptune, and she screamed in agonizing pain.

Lincoln continued smashing the clone of DarkNeptune hard with his extremely massive godly superhuman strength, and she was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her and he even attacked her using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash her all over the place!

Qin: That clone doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering her, now she's at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at the clone of DarkNeptune and she got beaten up real good and she was mangled!

Lincoln: You're welcome. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair, blue eyes, massive red angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, red sleeveless strapless top, red skirt with Gem-Knight Garnet, white bridal gloves, red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Garnet, she has a fire greatsword, and with her are the eleven girls.

Lincoln: (GASPS) Giselle Greenwood, Avatar and Gene-Slammer of Gem-Knight Garnet.

Giselle Greenwood: That's right, and I got the girls away from the clone of DarkNeptune and The Dark Rain Card, and you guys got soaked.

Me: We sure did.

Lincoln: But, we took care of The Dark Rain Card when I sucked out her powers and absorbed the clone of DarkNeptune. (To Giselle Greenwood) And it's so good to see you again, Giselle.

Giselle Greenwood: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Giselle Greenwood had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Giselle Greenwood was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Giselle Greenwood: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Giselle Greenwood's waist and hugged her, and Giselle Greenwood is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Giselle Greenwood: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Giselle Greenwood, Avatar and Gene-Slammer of Gem-Knight Garnet, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of garnet gems and crystals. She's known as The Garnet Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Giselle Greenwood came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of garnet gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of garnet gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Alvará Craven, Gene-Slammer of Steelswarm Moth and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Giselle's parents and her little sister, Gina, in cold blood, and she swore to kill Alvará Craven and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Giselle.

Lincoln with his massive muscular arms still wrapped around Giselle Greenwood's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Giselle Greenwood: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Giselle Greenwood with garnet gems on the gold lightning bolts and garnet crystal links and jade beads from her merged Crystal Necklace of

The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Giselle Greenwood: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Giselle Greenwood.

Giselle Greenwood had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Giselle Greenwood's waist, and he leaned down to her face and kissed her on the lips, and with Giselle Greenwood's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Giselle Greenwood had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Giselle Greenwood: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The five girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eleven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the eleven girls are Sonic Mercedes A.K.A. Mercedes Shiramine, Magna Mattel, Sonic Gisele A.K.A. Giselle Shiramine, Tesla Maruren, and Mattel from Onsoku Hishou Sonic Mercedes and Marguerite Crane, Shallow Bituin, Aya Urawa, Cima Springs, Seamo Netia Konjac, and Depths from Kasshoku Kyonyuu no Onna Senshi Marguerite no Junan!?

Lincoln: Oh whoa, it's Sonic Mercedes A.K.A. Mercedes Shiramine, Magna Mattel, Sonic Gisele A.K.A. Giselle Shiramine, Tesla Maruren, and Mattel from Onsoku Hishou Sonic Mercedes and Marguerite Crane, Shallow Bituin, Aya Urawa, Cima Springs, Seamo Netia Konjac, and Depths from Kasshoku Kyonyuu no Onna Senshi Marguerite no Junan!?

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're cute.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Sonic Mercedes: Yes, we're okay, thanks to you.

Then, when Sonic Mercedes and the other ten girls saw who it was that saved them from The Dark Rain Card and the clone of DarkNeptune, their faces turned atomic red upon seeing the 14'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-

Sonic Mercedes: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aya Urawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sonic Mercedes A.K.A. Mercedes Shiramine, Magna Mattel, Sonic Gisele A.K.A. Giselle Shiramine, Tesla Maruren, Mattel, Marguerite Crane, Shallow Bituin, Aya Urawa, Cima Springs, Seamo Netia Konjac, and Depths with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's clones.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long rainbow hair, blue green eyes, massive rainbow angel wings, she has on a rainbow two piece bikini, and in her hand is a rose greatsword.

Lincoln: (GASPS) Flora Floweraira, Queen of The Flowerairans of Planet Floweraira.

Nico: The only surviving Flowerairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Flora Floweraira, Queen of The Flowerairans of Planet Floweraira, she's Lincoln's Guardian Angel from the planet of Naturaira in The Forbidden Zone. She was the Queen of the Flowerairans who ruled the planet of Floweraira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over the flowers, all plants, nature, and the ability to grow even stronger, but she was also born with angel wings and power over the flowers, all plants, nature, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Nevaeh Naturaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of flowers, all plants, nature, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of the flowers, all plants, nature, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Flowerairans, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to make them suffer allergy attacks with the flowers of Floweraira which'll kill them and send them to Hell.

Flora Floweraira: And I knew Lincoln absorbed the souls of the male Flowerairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Flora Floweraira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Flora Floweraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Flora Floweraira with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Flora Floweraira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Flora Floweraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Flowerairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Rain Card of all its powers and absorbed the clone of DarkNeptune after he and all of us took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing

900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Giselle Greenwood saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Giselle Greenwood: My God, I was right that Lincoln's really grown into a 14'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Giselle, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Giselle Greenwood: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Giselle Greenwood: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a clone of Twisted Universe Prince John, and he's causing havoc.

Me: What the?!

Maid Marian: A clone of the Twisted Universe Prince John?

Robin Hood: I sense this was a contingency created by the real one in case we killed him. In any case, I think it's time I put an end to him forever.

Robin Hood flew out and he fired arrows at the men, and confronted the clone.

Robin Hood: You got some nerve coming here, but then again, you really didn't know when to quit or learn to stay dead. Well, then, it's time someone taught you a lesson.

THEN, HE FINALLY LOST IT!

Twisted Universe Prince John Clone: WHAT?! No, I won't hand a single coin to any of those commoners!

Suddenly, Robin Hood snapped his fingers, and all of the gold and jewels that freak was hoarding in his castle appeared before us and was given to everyone in England.

You've lost your right to live along with the gift of life when you committed those unspeakable crimes in your world, and when you took the life of your world's Robin Hood, you crossed the line of no return, and now, it's time for you to pay.

Robin Hood went after the Twisted Universe Prince John clone, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit him, then he attacked him with the blades on his bow leaving scars on him, and he fired arrows at that freak and he got hit all over the place.

We were cheering wildly!

Nico: Alright! Get him, Robin Hood!

Me: Show that thumbsucking freak what for!

Twisted Universe Prince John Clone: YOU! YOU! Who do you peasants think you are to say that to me?! I am royalty! I am the King of England!

You're not even the rightful King of England, your brother, the true King, has always been a much more capable and worthy ruler to wear the crown. But you, you're a wrathful self-entitled murderous impulsive monster full of greed and bloodlust who looks down on the people of England, your greed led all of England into this state of despair. In fact, your brother was told about all of this, and he is absolutely disappointed in you, and as a result, he decided to cut all ties with you, you're now nothing to him and the royal family. Now, you're going to die forgotten, poor, and a traitor to the crown and all of England.

THE TWISTED UNIVERSE PRINCE JOHN CLONE HAD A MAJOR BREAKDOWN UPON HEARING THOSE WORDS AND HE WOUND UP SUCKING HIS THUMB EVEN MORE!

Me: WHOA!

Nico: Dang, that really hit him right where it hurt!

Lincoln: If we ever said that to the jerks, that would be the same result.

Robin Hood continued laying quite the beatdown on that monster until he was beaten black and blue.

Robin Hood powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold leaf ring-shaped frame around it with embedded green gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold leaf ring-shaped frames around them with embedded green gems behind the gold rings behind his head, large 105 green planets orbiting around his legs and 105 smaller planets orbiting around his waist, longer scarlet tail, smaller planets orbiting around his fingers like rings, medium sized green planets orbiting around his wrists and ankles, and massive scarlet angel wings and 104 sets of large scarlet angel wings underneath his massive scarlet angel wings are permanent.

Sora: I thought we wouldn't have to see him again, but he made it as part of a contingency plan.

Robin Hood: That's right. I knew he was a sore loser, but this. Now, I truly am glad I went out there and went at him.

Nico: Just like what happened a couple of months ago, but at least, we don't have to see him again.

Eli: That's for sure, I hated Prince John, what a thumbsucking freak.

Lori: Vypra's going to be keeping an eye on him so he doesn't try anything.

Lincoln: Same with The Sheriff of Nottingham and that cowardly snake, Sir Hiss, that's always by his side. If they try anything, well, they're gonna find themselves in big trouble.

Robin Hood: That's for sure. We'll remind them of what happened last time, and so will the archers on our team, and there could be the addition of a "Pesto-Style" rant.

Nico: Ooh! That's perfect! (Smirks) If those three try anything, we've got a few words to say to them along with a few fists to the face!

We got a shower, and then, Lincoln and Gagagaga Girl are heading to Seaside Hill.

Lincoln snapped his fingers, and the 14'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Gagagaga Girl is dressed in a silver two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for her, colored sandals, and she had her weapons holstered in case of trouble.

Plus, we found out Gagagaga Girl had feelings for Lincoln, and he also had feelings for her and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Gagagaga Girl: Wow, we're here in Seaside Hill, it's so beautiful.

Lincoln: You said it, Gagagaga Girl, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln and Gagagaga Girl dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Gagagaga Girl also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving Gagagaga Girl a deep tissue massage, and when he was done with that, she was relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Gagagaga Girl got an extremely massive and deep atomic red blush on her faces when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Gagagaga Girl: (Swooning) What a handsome and manly wolf hunk.

Suddenly, they saw the clone of Rainbow Overhydra.

Gagagaga Girl: What is that?

Lincoln: That's the clone of Rainbow Overhydra, the Hypothetical Akuma of Jesse Anderson and he is a Rainbow Dragon with 7 extra heads for each color of the rainbow, and he's more powerful than Rainbow Dragon.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Rainbow Overhydra and he began absorbing him and assimilating Rainbow Overhydra's powers of the seven colors of the rainbow, gems, light, and crystals, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Rainbow Overhydra, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Gagagaga Girl and he hugged her in his abnormally massive and powerful muscular arms, and Gagagaga Girl placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her lying down on a beach towel with him on top of her

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Gagagaga Girl with colored gems on the gold lightning bolt links and colored crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lily the Mermaid: Wow, now Gagagaga Girl is in your harem, Linky.

Gagagaga Girl showed the marks Lincoln made on the right side of her trapezius.

Jenna: You had no trouble at all.

Lincoln: Unfortunately, we did. Alecto Slytherin the sent clone of Rainbow Overhydra, the hypothetical Akuma of Jesse Anderson after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into his chest, and I absorbed him and assimilated Rainbow Overhydra's powers powers of the seven colors of the rainbow, gems, light, and crystals. Then, I sucked out every bit of energy from his soul and as the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Gagagaga Girl: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Me: Okay here's what's next. We're going after Evilon and the evil versions of Persephone and Flynn. I got three special traps for them.

I pulled out 3 black traps.

Me: 1 trap for each of them.

Nico: Who's next?

Me: Nicole Knudson, Shanan Knudson, Trixie Lulamoon, Triple Berry, Ninjini, Hoot Loop, Dune Bug, Voodood, Magic

Man and Star Man are going next.

Nico: COOL!

Nicole: This will be awesome.

Shanan: Lets go.

We went into the Simulator and it activated and we were in the world of The Mirror of Mystery!

Me: WHOA!

The world looked the same.

Me: Feels like we never left.

Star Man: This isn't an error right?

Me: No it's all right. But this is a mirror universe.

Mirror Kaos then came.

Mirror Kaos: Ah there you all are. Welcome Team Loud Phoenix Storm and it's an honor to meet you Twilight Sparkle.

Twilight Sparkle: You're the mirror worlds version of Kaos?

Mirror Kaos: That's right. I should explain. I am the good version of Kaos and the Mabu and Eon here are bad. Eon is a Dark Portal Master named Evilon.

Me: Oh boy. This reminds me of the universe where we battled the Destructively Nefarious Kids.

Nico: Déjà-vu.

Nicole: No kidding.

Then EVIL FLYNN CAME! He looked like Flynn but was black and blue and had PIERCING RED EYES!

Evil Flynn: Well well well, it seems those peace-loving, tree-hugging, cabbage-kissing Trolls are actually trying to fight back. Imagine - the nerve. Heh

Me: And if it isn't the cabbage chewing pretty boy Evil Flynn!

Evil Flynn: WOWSERS! Team Loud Phoenix Storm!? I didn't expect you all to be here too!

Me: And we're here to kick you big ugly butt!

Shanan: Nice to meet you too

Evil Flynn: Time to show you guys why my catchphrase is… DOOM!

I fired waves of energy and blasted him all over.

But he ran.

Me: Looks like we got to go after him.

Mirror Kaos: We'll help you. First you got to take out Evil Persephone. She is making Mabu Supersoldiers.

Me: Okay then.

Nicole: Lets get them.

Xenia: Yeah!

We were off.

We flew to Persephone's tree.

Nico: Keep your eyes peeled.

Nicole: Already on it.

We arrived at Persephone's tree and blasted the Mabu supersoldiers! We encountered EVIL PERSEPHONE! She looked like Persephone but was black and blue and had piercing evil magenta eyes!

Evil Persephone: What's that? A Team Loud Phoenix Storm? I can't stand you all! Oh how I loathe you all! I LOATHE YOU ALL EXTREMELY!

OUR AURAS FLARED UP INTENSELY WITH UNBELIEVABLE FORCE!

Me: Thanks for the power boost you little pipsqueak!

Evil Persephone: WHAT DID YOU CALL ME!?

Trixie Lulamoon: Now it's time for The Great and Powerful Trixie to show you your place! I am the Guardian of Humility and my Magic shines from my heart, My Cutie Mark comes to life, My Humility is my Art!

Magic swirled around her intensely with stars.

Evil Persephone fired magic blasts at her. But Trixie fired blasts of energy and blasted her all over and blasted her intensely.

EVIL PERSEPHONE DEFEATED!

Me: Now for number 1 to go!

I held up the first trap and a black vortex appeared and sucked her in.

Evil Persephone: WHAT NO! I LOATHE THIS EXTREMELYYYYY!

She got sucked into the trap!

Evil Persephone: HOW DARE YOU LOCK ME IN HERE!? I LOATHE YOU ALL EXTREMELY FOR THIS!

EVIL PERSEPHONE TRAPPED!

Me: Now you have to obey us!

Evil Persephone: I could use a new extremely good tune.

Me: Good.

Evil Flynn came.

Evil Flynn: Wowsers! You little creeps took out Persephone! Now who's going to make more Mabu supersoldiers?

Me: Oh I don't know maybe Hire a bunch of janitors!

Evil Flynn: She'll still be working with me if I take her Trap from you!

Me: Go ahead and try. You won't be happy with the results.

Evil Flynn: Okay fine. Have it your way. But Master Evilon's gonna be mad and believe me, you won't like him when he's mad.

Me: Three words: BRING! IT! ON!

We flew after him and blasted him!

Triple Berry: Time for me to unleash my power. I am the Crusader of Fruit and Berries and bring joy through fruit and love! When my Cutie Mark comes to life, My Love and Fruit flies with the Joy of a Dove!

FRUIT AND BERRIES SWIRLED AROUND HER!

She flew and fired berry bombs and blasted him all over and then knocked him down.

EVIL FLYNN DEFEATED!

Me: Now for Moron Number 2!

I held up a second trap and a black vortex appeared and sucked him in!

Evil Flynn: THIS IS NOT HOW I WANT TO SAY DOOM!

He got sucked in.

He was locked in it.

Evil Flynn: Hey let me outta here! I'm too handsome for this place! DOOM!

EVIL FLYNN TRAPPED!

Me: Now you have to obey us from now on.

Evil Flynn: I guess being good has its own rewards. DOOM!

Nico: 2 down!

Me: And one to go!

We set our sights on Evilon!

We flew at him.

We saw the mirror and it had EVILON!

Evilon: Greetings Team Loud Phoenix Storm. It is I - Evilon! YOUR MORTAL ENEMY! And I come to you now with a warning. Turn back now. Turn back or meet your ultimate and very messy doom. HAHAHAHAHAHAHAHA!

Me: We have many mortal enemies and they all perished! And we are not scared of you!

Nico: YEAH! Come and face us like he coward you are!

Star Man: He sounds a lot like Kaos

Me: Except he is Eon turned bad.

Mirror Kaos: Yes my prime universe Version for you guys is like him.

Me: I see.

Evilon: So be it.

He came out of the mirror and he was READY FOR ACTION!

Me: Okay then lets DANCE!

Ninjini: ANY LAST WISHES?

Hoot Loop: LETS RUFFLE SOME FEATHERS!

Voodood: AXE FIRST QUESTIONS LATER!

Dune Bug: (British Accent) CAN'T BEAT THE BEETLE!

Evilon formed a sword of darkness.

We clashed!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Nico: Bring it on!

They fired waves of energy and elements and blasted him.

Aurora of the Skylanders and Ymir were watching from the control room.

Aurora (Skylanders): My uncle is a very good man and he would never be this monster here.

Ymir: He is a pure soul.

Aurora (Skylanders): That is for sure.

I fired waves of energy and blasted Evilon.

Qin: YEAH!

Me: Lets end this!

Nicole Knudson, Shanan Knudson, Trixie Lulamoon, Triple Berry, Ninjini, Hoot Loop, Dune Bug, Voodood, Magic Man and Star Man: STARLIGHT SKYLANDS PURITY BLAST!

They fire a massive blast of energy and blasted Evilon down.

EVILON DEFEATED!

Me: Mei Terumi would like having you for an archenemy. So lets see how you like being trapped in here!

I held up a trap and a black vortex appeared. Evilon was starting to get sucked in!

Evilon: This is not good. HOW WILL I LEAD THE GROUUUUPP!

He got sucked in and was trapped!

He was locked in it.

Evilon: WHAT LET ME OUT OF HERE NOW J.D.! OR YOU WILL BE DOOMED!

Mirror Kaos: He sure does sound like my Prime Universe counterpart doesn't he?

Twilight Sparkle: Yep.

EVILON TRAPPED!

Me: You better be good if you know what's good for you. No pun intended.

Evilon: I guess I can try to be good.

Me: Great.

Qin: That was awesome!

Me: Yep!

We left the simulator.

Me: AWESOME! Now we go after the minor villains. Also I'm going to include some side villains in all this to make it extra fun and challenging.

Nico: That's good thinking.

Me: Thanks. I made these.

I held out a box and it had more and more black traps.

Me: Me and Master Eon made many more Traptanium Shards just for this.

Nico: Wow perfect!

Me: Yep.

Nico: Okay, who to go after next time?

Me: First up will be Sheep Creep and also Arboreater.

Tree Rex: That tree demon.

Me: Yep.

At Neo Phoenix Land we were there for an awesome hot dog eating contest.

Announcer: And here we are in Neo Phoenix Land and its a beautiful day and things are heating up at the Gotham Royal York Hot Dog Eating Contest! Today we have Coup, The Baleonoptera Twins, the Cetus Twins, Nico, Goku, Luffy, Naruto, Choji and the biggest eaters on the world famous Team Loud Phoenix Storm in a good show. Also we have former eating champion Charles Yamamoto trying to make a comeback!

They were EATING AND EATING AND EATING AND EATING LIKE HELL!

Me: HOLY CRUD!

Bobby: This is gonna be good!

Qin: Yeah it is!

Lori: This is literally so cool!

Me: Go bro go!

Naruto was eating LOADS of hot dogs!

Nami: Luffy is having fun too.

Me: They sure are!

Coup: This is what I like to call the Heartbreaker!

He threw all his hot dogs into a tub of ketchup and drank it all down!

Coup burped!

Nico: Let me try that!

Nico did the same.

Rainbow Dash was laughing.

Jaime: GO COUP! YOU CAN DO IT!

Kiva: This is the most repugnant thing I've ever seen in this or any other time.

Me: Nah we've seen worse.

Jaime: Yeah don't it rock?

Poromon was trying to sneakily grab some Hot Dogs.

Lori: Poromon, what are you doing?!

Poromon ate some off the ground.

Me: Poromon you don't know where those have been.

Poromon: I'm a bird and I eat things off the ground.

Me: That is true.

I looked at Charles.

Me: Wait where have I seen him before? Charles Yamamoto. That name rings a bell.

I then yelped.

Me: WHOA!

I saw Chris Griffin hiding behind my back and shaking in fright.

Me: Chris? What's wrong?

Chris Griffin: (Whispers) Charles wants to kill me. I beat him by accident and he wants to kill me.

Guyhawk: Okay, what are you up to, Chris?

Brian: Guyhawk Chris is not up to anything. He's scared. I should explain.

He told us what happened.

Peter and Chris learn of a local hot dog eating contest on the local news, so Peter enters Chris in it. While Peter and Chris try to find an old possession in the attic for $50, the amount Chris needs to enter the contest, Brian comes across News of the World, the 1977 Queen album. Stewie is immediately frightened of the giant robot on the album that is pictured just having killed the members of Queen, so Brian pays Peter and Chris $50 for the album to be able to mess with Stewie's head. But when Stewie attempts suicide, Brian proves to him that it is just an album and convinces him that "most" of Queen are fine today.

At the contest, Chris eats 41 hot dogs, beating worldwide hot dog eating champion Charles Yamamoto. Chris starts feeling stomach pains soon after, and Lois decides to enroll him (along with Peter after Chris calls him out for being fatter than him) in a fat camp called Camp Fresh Start. While hiking, Peter and Chris discover the dead body of an obese teenager. When Joe brings up that the young man was murdered, everyone turns to see Jason Voorhees, but he reveals he is just there to sign up his son. Joe notices that the victim was strangled, leading Peter to think that the killer was his brother-in-law Patrick Pewterschmidt. The family think it to be impossible as Patrick is still at the mental institution, but he soon appears at the Griffin house. However, after Peter and Joe rush to the house, Patrick reveals that he's not the killer and that someone opened his prison cell door days earlier stating he was free to go. This statement is later proven when another obese teenager is found murdered while Patrick was not there. Peter and Joe have an idea to catch the real killer by bringing Patrick along, who quickly deduces that the killer is really after Chris and the two other victims were killed by mistake due to coincidental similarities.

By that time, while sleeping back at home, Chris is attacked by the real killer: none other than Charles Yamamoto, who wants revenge on Chris for defeating and "disgracing" him in the hot dog eating contest. Just as Yamamoto is about to finish off Chris, Stewie appears and, having made officially peace with the robot, shows Yamamoto the News of the World album, causing him to suffer a fatal heart attack out of fright (a reference to the album Sheer Heart Attack featuring "Killer Queen", and song "Sheer Heart Attack" on the News of the World album). Police arrive at the house where Patrick points out that the dead Yamamoto is the man who released him, revealing the killer's plan to use Patrick as a scapegoat. But when Patrick disappears just as he is about to apologize to him, Joe has Peter injure him to make it look like Patrick escaped his custody.

When it as done we were shocked.

Xenia: Oh man.

Lola: That is rough.

I covered Chris with a trench coat and a fedora hat and had him hide sitting on a bench in disguise.

Lana: I can't believe the robot from the Queen album did him in.

Joe Swanson: Well after he keels over we'll swoop in for the arrest.

Me: I want to see how he does on this.

We saw many of the contestants drop out.

Me: Boy they can't take anymore.

G1 Brainstorm: Chris, just because Bakugo and Jackie spared you doesn't mean you can be all friendly towards us

Brian: Brainstorm, I assure you he's not trying anything. He's just scared because he is in fear for his life. Eli can confirm it.

Eli: He's telling the truth.

G1 Brainstorm: Oh. Oh boy.

Many contestants fell.

Naruto, Goku, Luffy and many more from being too full..

Me: GEEZ!

Boruto: Boy dad fell from that.

Me: He sure did. Hinata do you think you can eat as many hot dogs like that?

Hnata: I honestly think I can do that.

Me: If you can eat 46 bowls of ramen then you can definitely eat over 1,000 hot dogs.

WE LAUGHED!

We saw Charles keel over at 712 hot dogs!

Me: Whoa! 712 hot dogs!? That's impressive.

Varie: No kidding!

Maria: (To Chris) We've still got our eye on you.

They swooped in and grabbed Charles.

Me: Before you take him away lets watch the rest of the contest.

Joe Swanson: We were planning on doing so anyway.

Me: Okay.

We saw that it was down to Coup and Nico, The Balenoptera Twins and the Cetus Twins!

Me: HOLY COW! The appetites of Whales VS Coup.

Poromon: Go Nico!

Qin: Boy it's just like old times.

Erica Haddock: It sure is.

They then were tied at 999 hot dogs eaten!

Announcer: And we are tied at 999 Hot Dogs down!

Coup looked like he was ready to hurl!

He was about to eat the last dog but then he faint Nico and the girls won!

Announcer: AND AT 1,000 DOGS, NICO, THE BALENOPTERA TWINS AND THE CETUS TWINS ALL WIN IN A FIVE WAY TIE!

THEY WON!

Me: WAY TO GO!

They were given trophies and king and queen capes!

May: YEAH!

Nico: YEAH!

Coup: Man Nico you are the best eater I've seen! Well done my friend!

Nico: Thanks Coup! That means a lot.

We went over to Charles

Me: Well Charles, what do you have to say to that?

Charles Yamamoto: (Japanese Accent) You have dishonored me yet again!

Me: Well now you will have all the time in the world to think about your crimes and for trying to kill Chris behind bars.

They took him away.

Kiva: At least you tried, Coop

Coop: Thanks Kiva.

Jaime: That was awesome.

Me: Looks like some of us are not fairing well.

Then a Mega Beautifly came and landed on May's head.

May: Hey look.

Me: Wow a Mega Beautifly.

Qin: That's a pretty one.

Nico: (to Chris) Okay. You're clean. For now.

Chris Griffin: Thanks guys. I owe you one and Nico that was great winning that contest.

Nico: Thanks.

Chris Griffin went back into hiding.

May: Hey Nico look who is on my head.

Nico saw the Mega Beautifly.

Nico: Ooh a Mega Beautifly.

Manaphy: Mama and her Beautifly have a friend.

Me: It must be one of Dark Gale's work.

Eli: Wait I sense the Force in that one.

Bakugo: Okay. So Chris is innocent this time. He still has a long way to go

Camie: Yeah he does.

Me: Lets focus on our Mega Beautifly friend here.

Jack Landors: Lets see.

He used Telepathy and gasped!

Jack Landors: It's my sister Jeri! Ahsoka you are going to be amazed by this. She is hybrid of one of your kind.

Ahsoka: (GASP) She's half Togruta!? That is amazing!

Me: It sure is. Lets go help her.

We went over.

Jack Landors: Hey Jeri its okay. It's me Jack.

She charged at us and we dodged her and she grabbed Horsea and dropped her into a vat of caramel!

SPLORF!

Horsea: HEY! (SLURPS) Yummy caramel! At least she didn't attack me.

Mega Beautifly laughed.

Me: Okay that is silly. Okay.

I snapped my fingers and she reverted back. She had a head crest like Ahsoka's and had blue eyes and fair skin and had blue angel wings and had Mega Beautifly on her forehead. Her cutie mark was the SPD Symbol with a butterfly behind it and the Togruta head crest on the SPD Symbol.

We wrapped her in a blanket and brought her over.

She woke up and saw Horsea glaring sternly at her.

Jeri Landors: (Groans) A Horsea? And you're covered in caramel?

Horsea: You dropped me into a tank of caramel!

Jeri Landors: Sorry. What happened?

Jack Landors: Glad you're okay sis.

Jeri Landors: (GASP) Jack!

She hugged him.

Jack Landors: Glad you're okay.

Jeri Landors: Me too.

Ahsoka: It's good to meet a fellow Togruta.

Jeri Landors: Same here Ahsoka.

Me: We were told you are part Togruta.

Jeri Landors: Yep. My father was a Togruta and my mother was a human. I was adopted by Jack's family. Long story.

Me: I see. You were turned into a Mega Beautifly by Dark Gale.

Jeri Landors: Oh man! Never heard of them. I was battling a strange imp monster.

Eli: (GASP) That was Shinnooian Hakutaku. He was a Dekarangers monster.

Me: The Japanese version of SPD.

Jeri Landors: I see.

Ahsoka: Just glad you're all right.

Jeri Landors: Yeah. My parents sent me into the future when Order 66 was activated. It's how I wound up in Jack's family.

Me: That fucker Palpatine. Well you don't have to worry about him anymore. He's dead and gone for good.

Jeri Landors: Thank goodness.

Ahsoka: I'm glad for that.

Anakin: So is the entire galaxy.

Me: Yep.

Nico: Horsea, you've been using your Clones to avoid attacks for a while now. Being hit now and then won't hurt.

Horsea: You're right. Okay.

Me: Also Gruumm is dead. We killed him. But he may come back on Jack's day.

Jack Landors: It's true.

Z: Yeah. Also Jeri is the Purple SPD Ranger.

Me: Cool!

Jeri Landors: Yep. What about the A Team?

Me: They are still at large. We haven't faced them yet but they are going into the M.O.E.

Nico: Gruumm tempted them with power. But we'll convince them otherwise.

Me: Just like Palpatine.

Eli: Like turning them to the Dark Side of the Force.

Jeri Landors: Exactly.

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her new purple clothes, purple blade lightsaber, blaster and Jack gave her SPD morpher to her.

Jeri Landors: I look amazing.

Me: You sure do.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Vilius starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Double D had all his casts taken off and had body fully healed.

Mixmaster: Feeling better, Double D?

Edd: Much better! Thank you.

Mixmaster: You're welcome.

Me: I'm just amazed we took down 2 fo the Evil Kankers before Eddy's big day.

Edd: I know. That is intriguing that they appeared.

Me: I know. Must be warming us up for the big day.

Qin: Yep.

Nico: Personally I hope it's a clone on my rescue.

Me: Lets hope.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Vilius, he's on the attack. But, Lincoln also spotted another figure with him: when we saw it, to our anger, it was none other than Lori's hated enemy, Grigori Rasputin, Russia's Satanic minister. When we saw it, we knew it meant big trouble.

Lincoln: So, Vilius is on the move, and so is Rasputin!

Me: It figures Rasputin would be back for more!

Nico: That Satanic destroyer of Russia!

Eli: It's time!

Lincoln: Time to send Rasputin to a place far worse than Hell.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Vilius, he's on the attack.

Lori: I literally knew that monster would be on the move.

Lincoln: But, I also spotted another figure with him, Lori, to our anger, it was none other than your hated enemy, Grigori Rasputin, Russia's Satanic minister.

EVERYONE GASPED!

Anastasia: The man who destroyed my family and plunged our country into Hell has returned yet again.

Lori: So, Rasputin is back for Round 3, huh? Well, he's literally in for one nasty surprise.

Jessie Knudson: That's for sure, Lori.

Joan Bolton: We'll make both Vilius and Rasputin pay.

Lincoln: Vilius will pay for trying to conquer Quarton.

Lori: And Rasputin will pay for killing Anastasia's family and plunging Russia into 72 years of Hell, both of them are finished.

Me: You said a mouthful.

Nico: After what each of them did, there's no mercy for them. Alright, team, let's get going, we got a tyrannical monster and menace to Quarton to destroy along with Russia's Satanic minister, this time, Rasputin dies once and for all!

Lincoln: Time to unleash the fury of Heaven upon those monsters.

The previous group came.

Ironclad: Can me, my team, Firebrand, Man Boy, Femme Fetale, Kangor, Trapster, Saix, Spot, Madame Masque, and Cheshire go with you guys?

Nico: Yes you all can come with us.

Lola: Yep.

Ironclad: Awesome!

Toad Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Now we're back to 1 gene-slammer. So Spellpyre Phoenix of MTG next.

Nicole: COOL!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Quarton for our big showdown with Vilius to save the future of Quarton, and once we're done with him, we're also going after Grigori Rasputin, Russia's Satanic minister, and this time, we'll make sure he never returns!

We were off.

We arrived at Japan.

X Ray: Here we are.

Man Boy: Let's call Leonard

Me: And Killer Shrike too.

We nodded.

They came.

Leonard: We're here.

Killer Shrike: We're ready.

Me: Things are quiet.

Nico: Here in Japan, yes. Vilius is planning his attack, but Rasputin no doubt is planning to attack The Tenkai Knights before we can head for Quarton.

Lori: You said a mouthful. Now, where are Guren, Ceylon, Chooki, Toxsa, Beni, and Gen at?

Suddenly, we heard screams, and we flew on over, and we saw Guren, Ceylon, Chooki, Toxsa, Beni, and Gen, but they're being attacked by Rasputin's demons along with Lincoln's future wife whom he met years ago, Wakamei Dalton.

Lincoln: There they are along with Wakamei, and they're being attacked by Rasputin's demons!? HEY, YOU PIECES OF DEMON SHIT! GET AWAY FROM OUR FRIENDS AND MY FUTURE WIFE!

Wakamei Dalton: Linky?

Then, we came in.

Guren: Lori, guys, you made it! What's with these demons?! They showed up out of nowhere.

Lori: Those demons, they're the servants of my old enemy, Grigori Rasputin.

Lincoln: And he's one monstrous person whom Lori hated since 2016. Figures you demons would come after our friends and on the orders of that Satanic monster.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his Third Eye turned golden yellow as heavenly lights shined down.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Now, I'm giving you only one chance: leave now and return to the darkness of Hell where you belong or stay and suffer the consequences of your choice!

Demon 1: (Demonic Voice) YOU PIECE OF SHIT!

Demon 2: (Demonic Voice) KILL HIM!

The Demons went right at Lincoln! BIG MISTAKE!

Suddenly, Lincoln formed a massive orange energy ball with intense fire around it in his left hand, and it went into his new longsword.

God: (Through Lincoln's Body) (Divine Heavenly Godly Voice) PHOENIXHEART DRACONIC FIRESTORM GOUENKEN!

Lincoln thrusted his new longsword and it fired the massive ball of orange fire with intense flames and it hit two of the demons and turned them to ashes, and that pissed off the other demons big time, and they charged at Lincoln.

Guren: Whoa!

Suddenly, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword and the 9'11" double-edged gold blade of Lincoln's large longsword were surrounded by water.

God: (Through Lincoln's Body) (Divine Heavenly Godly Voice) DRAGONHEART MAELSTROM SOURYUUKEN!

Lincoln spun at more of the demons like a drill with his greatsword and longsword pointed at it with two streams of holy water surrounding him and he hit some of the demons and did a double slash with both blades that hit some of them and killed them.

Ceylon: Ooh, now that's gotta hurt!

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword and the 9'11" double-edged gold blade of Lincoln's large longsword were surrounded by light.

God: (Through Lincoln's Body) (Divine Heavenly Godly Voice) FAIRYHEART HOLY LIGHT DANKUUKEN!

Lincoln swung his massive greatsword and large longsword and fired powerful shockwaves of holy light that hit more of the demons and they got turned into ash!

Chooki: Unreal!

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword and the 9'11" double-edged gold blade of Lincoln's large longsword were surrounded by ice.

God: (Through Lincoln's Body)(Divine Heavenly Godly Voice) DRAGONHEART ARCTIC SNOW STORM RYOUSEIKEN!

Lincoln fired homing arrows of ice at more of the demons and they got frozen in ice and shattered into pieces.

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword and the 9'11" double-edged gold blade of Lincoln's large longsword were surrounded by darkness.

God: (Through Lincoln's Body) (Divine Heavenly Godly Voice) GHOSTHEART DARKNESS SHADOW STORM TENSAIKEN!

Lincoln fired an arrow of darkness into the sky and it rained down several arrows of divine darkness that hit more of the demons and killed them.

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword and the 9'11" double-edged gold blade of Lincoln's large longsword were surrounded by lightning and wind.

God: (Through Lincoln's Body) (Divine Heavenly Godly Voice) THUNDERBIRDHEART LIGHTNING THUNDERSTORM SENRANKEN!

Lincoln spun like a tornado with his greatsword and longsword and summoned a massive tornado with lightning surrounding it and fired it at more of the demons and they were blown all over the place and struck by lightning and killed.

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword and the 9'11" double-edged gold blade of Lincoln's large longsword were surrounded by moonlight.

God: (Through Lincoln's Body) (Divine Heavenly Godly Voice) WOLFHEART MOONLIGHT JINBUKEN!

Lincoln summoned swords of moonlight with wolves running around them, and he sent them at the last of the demons and they got hit hard and were killed and he holstered his massive greatsword on his back and large longsword on his right hip as his golden yellow eyes changed back to deep sapphire blue with golden yellow ring around them and the golden yellow iris of his Third Eye turned back to rainbow color.

Guren, Ceylon, Chooki, and Toxsa: THAT WAS SO AWESOME!

Beni: Good riddance.

Gen: Those demons caused a whole mess of trouble.

Alister: You guys okay?

Gen: We're okay.

Beni: What were those things?

Me: Demons from Hell. Long story.

Guren: Just glad you all came.

Me: Yep.

Lori: Like we would literally miss this.

Me: Lets head to Guren's house.

Then, Wakamei Dalton ran up to Lincoln who grabbed her by the waist, picked her up, and he hugged her, and they kissed. Then, we went inside their home.

Lori: Thank goodness we got rid of those demons. Oh, and you guys want to know who Rasputin is, right?

They shook their heads for no.

Me: His name is Grigori Yefimovich Rasputin. He was Russia's most Satanic minister and one of the very first bad guys we faced. He lived back in the early 20th Century and he is known for starting the February Revolution back in 1917 and for leading to the end of the Tsarhood and the Death of Anastasia's father Tsar Nicholas II. And for starting the Soviet Union back in 1920.

Lori explained everything about Rasputin's history

Grigori Yefimovich Rasputin (Russian: Григорий Ефимович Распутин), or better known as his surname Rasputin the Mad Monk, is the main antagonist of Don Bluth's 9th animated feature film Anastasia. He is loosely based on the real-life Russian psychic of the same name, but in the film, he is depicted as a far more malevolent being of black magic rather than more like the real-life Rasputin, though the two share the common title of "Mad Monk". He is Anastasia and Dimitri's arch-nemesis and Bartok's former master.

He was voiced by Christopher Lloyd who also played Judge Doom in Who Framed Roger Rabbit, Reggie Shand in Walk Like a Man, The Hacker in Cyberchase, Merlock in DuckTales the Movie: Treasure of the Lost Lamp, Lord Imaru in The Secret Treasure of Machu Picchu by Golden Films, Mr. Clipboard in Foodfight!, Bill Crowley in I Am Not A Serial Killer, Dr. Heep in Baby Geniuses, Kruge in Star Trek III: The Search for Spock, Switchblade Sam in Dennis the Menace, Master Xehanort in Kingdom Hearts, Professor Plum in Clue, Stan Cruge in Santa Buddies, Helgait in The Mandalorian and Pachacamac in Knuckles, while his singing voice was provided by Jim Cummings, who also played Razoul in Disney's Aladdin, Ed the Hyena in Disney's The Lion King, Long John Silver in The Pagemaster, Steele in Balto, and was also half of the singing voice of Scar in Disney's The Lion King, Don Karnage in TaleSpin, Kaa in The Jungle Book 2, Lidong in Kung Fu Panda: Legends of

Awesomeness, the Bears in Sing, and Hondo Ohnaka in Star Wars: The Clone Wars.

Grigori Yefimovich Rasputin started out as a supposed confidant and advisor to the Romanovs, the royal Russian family. At some point in his life, Rasputin met the bat Bartok, whom he took in as his pet. However, despite being thought as a holy man, Rasputin was exposed as a fraud who wanted to take over Russia for himself behind the family's back, so he was banished for treason by the Russian Tsar Nicholas II.

From that day forward, Rasputin became utterly obsessed with getting revenge not only on Nicholas, but the entire Romanov family. He willingly sold his soul to the otherworldly forces of darkness and the Devil in exchange for the power to fulfill his revenge. As a result, his entire flesh was sucked away into a shadowy vortex, leaving only his still-living skeleton. In return, he was granted a powerful unholy reliquary, which transformed him into a lich (a type of undead creature with magical powers) with new rotted out flesh in the process.

One night in 1916, in the middle of a party, Rasputin visited the Russian palace to confront Nicholas, terrifying everyone present except for Nicholas himself. When Nicholas confronts him, Rasputin protested that he was his confidant, to which Nicholas responded that he was a traitor and orders him to leave. Angered by this, Rasputin threatened Nicholas for daring to banish him, putting him and his family under a curse to die within a fortnight, and destroys one of the palace's chandeliers as a warning.

He then returns to the Russian palace two weeks later and summons several tiny demons to unlock the palace gates, sending the Bolsheviks and numerous Russian soldiers to execute Nicholas and his family, except for Nicholas' mother Marie and his young daughter Anastasia, who managed to escape via passageway. Upon seeing them trying running on the frozen river, Rasputin eventually attempts to murder Anastasia with his bare hands. Jumping from the bridge above, he tackles the young girl face first onto the thin ice, losing his reliquary in the process. He viciously grabs her by the leg and thrashes her about, vowing that she'll never escape from his clutches whilst she begs for mercy. However, the ice under the evil man begins to break before he can get any closer to the young Romanov. Marie quickly rushes her away from Rasputin, who drowns and ends up being trapped in limbo due to the curse being unfulfilled, leaving Bartok with his reliquary.

Despite Rasputin's demise, his actions were enough to cause the downfall of the Russian monarchy (due to the deaths of the Romanov family) and the creation of the Soviet Union under the Communist and Bolshevik rule, and Marie was separated from Anastasia, who is sent to an orphanage after losing her memories.

10 years later in 1926, Rasputin is still trapped in limbo, fuming over his failure of the curse against the Romanov family. However, his reliquary is brought back to his hands thanks to Bartok, who informs that Anastasia (under the name Anya) is still alive and in heading to France with two con artists named Vladimir and Dimitri. Driven more by his intense and malevolent desire for revenge, Rasputin wishes to finish off what he started before he rests in peace by killing "Anya".

Using his reliquary, Rasputin summons his army of green demons to kill Anya and complete his revenge. He has the demons sabotage the train that Anya, Dimitri and Vlad are on by separating the train with an engine and baggage car from the dining car and coaches in Poland. However, Anya, Vladimir, and Dimitri jump off the train to avoid falling to their deaths, much to Rasputin's fury.

Later, Anya, Dimitri, and Vlad arrive in from Stralsund, Germany, and board a ship to Paris. That night, as Anya sleeps, Rasputin invades her dreams and causes her to sleepwalk to the edge of the ship. Luckily, Dimitri (alerted by Anya's pet puppy Pooka) awakens and rescues Anya at the last second.

Enraged at the failure, Rasputin throws a childish tantrum. Recomposing himself, he tells Bartok that he will go to Paris himself and kill Anastasia in person. At that same time, Anya regains her memories and reunites with Marie, taking back the name Anastasia.

Later, Rasputin takes advantage of Pooka to lead Anastasia into a garden maze and traps her there to reveal himself. He then tries to kill her on the Alexander Bridge over an icy Seine River, mimicking the same tragic night on the ice they once shared before. Dimitri returns to save her, but is injured and knocked unconscious by a large pegasus statue that Rasputin brought to life with his reliquary.

Just when Rasputin was inches from winning, Anastasia gathers her strength and attacks Rasputin. Pooka snatches the reliquary, and it rolls to Anastasia's feet. Anastasia stomps on the reliquary, causing it to burst and for the pegasus statue to be destroyed. As payback for murdering her mom, dad, sisters & brother, for trying to hurt Dimitri and for all the anguish Rasputin had caused her when she was young, Anya furiously smashes the reliquary to pieces, causing an explosion that releases the demons.

As Rasputin looks up, he sees his demons flying towards him as they are about to collect his spirit as punishment for his failure to murder Anastasia. Rasputin screams in horror as the demons send down several bolts of their dark magic, hitting Rasputin and collecting his spirit as his skin turns to liquid and he crumples to the floor, tearing off his cloak as his skeleton violently twitches before turning to a pile of dust and being blown away by the wind.

While not stated in the film, the tie-in picture book specifies that due the reliquary's destruction and his inability to fulfill his part of the deal, Rasputin was dragged to Hell for eternity.

And when she was done, The Tenkai Knights were disgusted.

Guren: He sold his soul to The Devil for the power to destroy The Romanov Family and plunged Russia into 72 years of Hell?! What a monster!

Ceylon: And he's there on Quarton with Vilius?!

We nodded.

Chooki: And he sent those demons to kill us before we could get to Quarton?

Toxsa: What a monster.

Me: He's pure evil to the core.

Nico: Which is why we're going to kill Vilius first, and then, Rasputin. Vilius is a danger to Quarton, so he needs to go first, and Rasputin is a Satanic monster whom Lori despises with a bloody passion, but we'll save him for last. We'll need to keep him trapped in suspended animation until then.

Me: Leave that to me.

I snapped my fingers and did so.

Kangor: (Jamaican Accent) I remember that Lori battled him the first time mon.

Anastasia: It's true.

Qin: Yeah he was a monser.

Varie: Yep.

Sixshot: Is Bravenwolf Tenkai Firestorm with you guys?

Guren: Yes with me.

Me: Long story.

Beni: Yep. Whoa some of you guys look queasy.

Me: They entered a hot dog eating contest. Long story

Varie: Yeah no kidding.

Beni: Oh boy.

Golden Queen: You helped out against Nail Saionji.

Beni: That was fun.

Gen: It sure was.

Laney: Yep.

LOUD NASTY MASSIVE AND HORRIBLE LOUD FART!

Me: OH GOOD GOD! Lori!

Lori: IT WAS MY SHOE!

Cheshire: Open a window or something! Geez!

Me: Yeah!

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 3 bottles of beer.

Poromon:: (to the Tenkai Knights) Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Pain Yatta: You get beer under your pillows if you're good!

Me: Yep.

Beni: Aww Poromon looks so adorable in a fairy costume.

Rice: Yes he sure does.

Guren: But we're too young to drink beer.

Me: Good thing I thought ahead.

I gave them root beer.

Ceylon: Ooh root beer! Thanks.

Poliwag: (Does Puppy eyes) Aww pwetty pwease?

Guren: Our parents would kill us if we drank beer.

Madame Masque: That's actually a good point

Me: Yeah.

Poliwag: Okay.

Beni: We heard about what happened to the Earth and all that.

Me: Oh yeah. It's bigger than ever.

Varie: Yep. And Abomination free.

Guren: What do you mean by that?

Me: And cue mascot craziness in 3...2...1...

Poliwag: WE MEAN THIS! (shows trailer close to Guren's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Guren: WHAT THE FUDGE-SICLES!? IS THAT POOH AND PIGLET!?

Gen: THAT IS HORRIBLE AND SCARY!

Tentacool: (shows trailer close to Beni's face) LOOK AT IT!

BENI BURSTED INTO TEARS!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

I calmed them down.

Beni: (CRYING HARD)

May: YOU THREW UP ALL OVER ME!

Toxsa: Sorry.

Guren: What the heck was that!?

Me: What you saw was the trailer for the 2023 horror movie Winnie The Pooh Blood and Honey. Long and horrible story.

Spot: It's what happens when Pooh and Piglett enter the Public Domain.

Me: Yeah because of Christopher Robin going to college.

Qin: Yeah.

Ceylon: Didn't you guys...

Me: No we are not going to banish the makers of that movie to the Black Gates or the Black Abyss. They are innocent people. So we went with the next best thing.

Blu: A Lawsuit. My idea.

Poromon: But we destroyed the real things a while back.

Gira: It's true.

Emerald Goldenbraid: Including Tigger and Owl.

We nodded.

Qin: It's true.

Varie: Yeah.

Toxsa: Oh wow!

Ceylon: That is amazing.

LOUD NASTY HORRIBLE EXPLOSIVE FART!

Me: OH MAN!

Poromon: Okay that's it!

Mascots: CUTIE BELLY BOUNCER!

They dogpiled Lori and started bouncing on her belly!

Trapster: Is it really Lori making those?

Lincoln: (GASP) No it's not! I just had a premonitions. It's actually Lori's second Akuma, Explosive Golfer! The 2nd Hypothetical Akuma of Lori Loud and she is a golfer that packs an explosive wallop! She hits golf balls that explode with the force of 20 pounds of C4 and she also farts with the power of a hurricane and lights everything in fire with them. She was made because of Flip ruining her college life and vowed to make that mutant cheepskate pay.

WE GASPED!

He showed a sketch of her and she looked like a golfer girl that had explosive golfballs and she had NASTY FARTS!

Nico: WHOA MAN!

Lori: I do not fart like that! It was my shoe!

Wood Man: This time, it wasn't you.

Me: But as much as we hate Flip, I don't think he would do that.

Anna Anyanova: No he wouldn't.

Eli: I sense her outside.

We went and saw her.

Explosive Golfer: FORE!

WHACK!

We ducked and the ball hit a building and it exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: WHOA! Nice shot!

Explosive Golfer: Thanks. That is literally as good as this.

LOUD NASTY HORRIBLE LONG FART!

Me: GEEZ WHO CUT THE CHEESE!

Femme Fatale: Lori? Is that you?

Explosive Golfer: Yes it is and I literally am farting.

Lori: I do not fart! It was my shoe!

Me: Not buying it.

Leonard: You need to calm down.

She then put Leonard's face in her butt and then...

LOUD NASTY HORRIBLE FART!

HER FARTS MADE HIM THROW UP!

I fired waves of fire and blasted her.

Leonard charged at her and smashed her down.

Explosive Golfer: My turn!

She farted and I blew the gas back at her.

Me: Here!

I gave her a cigar and put it in her mouth and lit it and ran and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOMMMMMMMM!

IT EXPLODED! She fainted.

Me: Knocked out by an exploding cigar.

Nico: We should've called Patty and Selma then.

Me: Those were prank cigars we bought at the prank store Luan works at.

Nico: Oh right. I remember.

Qin: Yeah.

Me: And besides. They smoke cigarettes. Not cigars. Now for the fun battles.

Maria: The Usual battles.

Poromon: You'll love them!

Me: Yep.

Maria called them in and Iron Lung, Vanitas, Merman, Leo Corbett, Kaos, Mr. Fizz, Technus, Dr. Viktor, Comic Book Guy, and Juggernaut came.

Nico: Iron Lung, Vanitas, Merman, Leo Corbett, Kaos, Mr. Fizz, Technus, Dr. Viktor, Comic Book Guy, and Juggernaut.

Iron Lung: We're ready for this.

Me: Sweet!

Comic Book Guy: Should've called Patty and Selma for the Akuma.

Iron Lung: Still did a good job though.

Kaos: And nice job against Evilon.

Me: Thanks! That was awesome.

Vanitas: (to Nico) We heard you fought a giant ant.

Nico: More like a giant ant radioactive colony. But yeah.

Juggernaut: (to Cameron) You should take care of that Klink

Cameron: I will

?: Awesome!

A figure came and it was COPY ORG from episode 12 of Gaorangers!

Copy Org (コピーオルグ Kopī Orugu, 12) was a copy machine-themed Baron Org. He serves as the primary antagonist of the episode "Quest 12: Which is the Real One!?".

A Org Spirit entering the copy machine, Copy Org was able to assume the forms of other people with his scanner. The Duke Orgs Yabaiba and TsueTsue presented their new minion to their master Shuten and offered the Lord of Orgs to use Copy Org in their plan to prevent Gaorangers from helping the GaoEgg to hatch and give birth to their new GaoMecha and ally. Although Shuten initially considered this org useless, the Duked convinced Shuten to give Copy Org a chance to demonstrate himself in the battle and eventually the Highness Duke agreed to grant his servant a mission and decided to have the Copy Org aid the Yabaiba and TsueTsue in destroying the GaoEgg. There in the forest, Copy Org initially played his copy games with Gaorangers, via disguising himself as Gaku, the GaoYellow. Eventually, the villain completely overwhelmed the Gaorangers with his shape-shifting powers while attempting to smash the GaoEgg. The multi-colored heroes didn't know how to find the impostor, but eventually the Rangers managed to discover the real Gaku and expose the Org.

Once the Gaorangers assumed their fighting forms, Copy Org creates his own evil team of their evil clones, Copy Sentai Copyranger (コピー戦隊コピーレンジャー Kopī Sentai Kopīrenjā) to help him fight. The Gaorangers were hard to fight their evil twins, because the Copyrangers were equally strong as them and though the two teams clashed in the battle and were evenly matched. However, the real Rangers managed to defeat and destroy their evil counterparts with their new finishing maneuvers. Once his creations were destroyed, Copy Org was destroyed by Hyakujuuken. However, the villain was revived by TsueTsue as a giant and proved to be a powerful opponent, overpowering GaoMuscle until GaoElephant and GaoGiraffe came to the rescue, allowing GaoMuscle to destroy the Org.

Eli: Copy Org! I remember you! You were sent to stop the GaoEgg hatch and you disguised yourself as Gaku! Then you made those Copyrangers!

Copy Org: That's right Eli. Good memory. Watch.

He made evil dark versions of the Jetman!

Me: WHOA! That is cool!

I fired waves of energy and blasted them down!

Me: Too bad you were unadapted for America. That would have been so cool!

Copy Org: Now for the Copyrangers I made before!

He made the Copyrangers! They looked like the Gaorangers but had horns on their helmets.

Me: WHOA! At least they are easy to tell apart because they have horns on their helmets.

Cole Evans: It's like we're seeing double!

Me: It sure does.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

---

Iron Lung was first.

Iron Lung (to Liam): Nico's next rescue was battling the Giant Ant that the Powerpuff Girls faced. How giant was it?

Liam: HOOWEE! This was a big ant that was as big as a house and he was destroying everything faster than a rampaging bull stampede!

Apple Fritter: But Bubbles told us all about this ant and she was having problems with her vision back then.

Iron Lung: What kind of problems?

Apple Fritter: Her vision was bad and she couldn't see anything. It was REALLY blurry.

Julie Kane: She had to be perscribed super strong glasses and Blossom and Buttercup were making fun of her and calling her names like Four-Eyes and Specks and that was not nice.

Iron Lung: Boy that's not nice!

Warrior Lady of the Wasteland: Yeah that was cruel!

Twilight Sparkle: Yeah my human counterpart wears glasses and they never made fun of her for that.

Iron Lung: What kind of glasses were they?

Stellar Sparkle: They looked more like Dexter's glasses. Only they were strong perscription. Bubbles was blind as a bat and couldn't see anything in front of her face.

Iron Lung: I see. But she sees fine now right?

Harmony Sparkle: Yes she does. She can see perfectly because of an accidental blast of Buttercup's laser vision to her eyes.

Starshine Sparkle: That was good.

Spyro: It sure was.

Iron Lung: Wow! Saves a good trip to the eye doctor. Lets do it!

Liam used the Vistamp for Iron Lung and the Iron Lung World Gear and they fired waves of energy and magic and smashed them down.

Vanitas: (to Spiderman) The Anothers were the gene-slammers of Spiketail Drake and Mad Dog of Darkness. Nico, Frankenstrike's team, Deceptron's team, and the others did good battling them.

Spiderman: Boy they sure did! And it was really awesome!

Lightning McQueen: It sure was! We had a lot of fun!

Carmen: Yeah! Also we met a Mega Butterfree gene-slammer and it was Kazuma Kenzaki's sister Naomi Kenzaki! She is also known as Kamen Rider Royalflush! She's based on the strongest ever hand in Poker and she is the strongest member of the Blade team.

Vanitas: Oh man! How did she take hearing about everything that happened to her brother?

Carmen: She WAS REALLY PISSED! She was outraged about everything that happened to him and all that! But she was glad that we killed Hiroshi.

It was crazy!

Leogun: Boy it sure was! J.D. said it reminded of the mirror universe we went to with the Destructively Nefarious Kids where the Kids Next Door were the bad guys and the Adults were the kids and vice-versa.

El Diablo: Oh man! I've heard all about that from all those years ago and that was nuts!

Ophelia Nefertiti: It sure was! J.D. made 3 special traps for Evil Persephone and Evil Flynn and Evilon and it was intense! Evilon even called J.D. his mortal enemy. But he told him that he has LOTS of mortal enemies.

Rarity: Indeed he does and it was really intense seeing this battle darlings.

Will: Well this is a REALLY funny one! She is a really good golfer and hits explosive golf balls that explode with the power of 20 pounds of C4! And she releases explosive farts that blast everything with the power of a hurricane and burn everything too! She was made because of Flip ruining her college life and vowed to make that mutant cheepskate pay.

Dr. Viktor: What!? That's crazy! I don't think Flip would have done that.

Elyon Brown: Flip may have been like Mr. Krabs in every way possible and has done a lot of things to get a quick buck and even break the law in doing so but I don't think Flip would have done that.

Snowdrop: Yeah that I can agree on! As much as we hate Flip, he wouldn't have done that if he was still alive.

Back in 1917 he was responsible for starting the February Revolution which resulted in the overthrowing the Tsarhood in Russia and brought Russia into the Soviet Union. He sold his soul to the Devil for the power to destroy the Tsarhood. Because of him he killed the Entire Tsarhood and brought Russia into enduring 71 years of hell! From 1920 to 1991 the Soviet Union was hell on Earth. And Anastasia's disappearance was one of the biggest mysteries of the Early 20th Century.

Snakepit: And that is what happened to the Sole Survivor of Tsar Nicholas II?

Anko: Yeah that was terrible that happened back then.

Junk Man: Yeah that happened back in 1913 and was celebrated in 1916! Then came 1917 which was hell for Russia.

Fasha: No way in hell are we going to let Rasputin get away with all this especially after doing all the terrible atrocities he did back over a century ago!

Princess Luna: He deserves an infinitely worse place than Hell.

Dusk Eclipse: Yeah what a jerk!

Princess Luna (G5): Yeah he sure was!

Nico: Copy Org you have failed this city!

Troy Burrows: Rangers that's a Super Mega Win!

We regrouped and everyone cheered wildly!

Android 21: What did you guys think of the usual battles?

Beni: That was so awesome!

Guren: Yeah it was!

Vector: Time to find Vilius

Firebrand: He couldn't have gotten far

Me: He must be on Quarton.

Vapor: Where is he right now?

Eli: (Concentrates) He's heading for the Tenkai Palace!

Me: Lets get over there fast!

Rice: Right!

Nico: Get ready Vilius, (EYES GLOW RED) YOUR FINAL DAY IS NOW!

Guren: TENKAI UP!

They transformed into the Tenkai Knights! We were off to Quarton!

We were on Quarton.

Ymir: WHOA!

Xenia: So this is Quarton. It really looks like something from Lego.

Nico: It sure does.

We saw the Tenkai Palace being protected by a shield.

Lincoln: My shield I put up is holding well.

Me: Good job buddy.

We then saw Granox and Slyger guarding the perimeter!

Rice: Granox and Slyger. Back for more punishment?

Slyger: Figures you would be here Rice. But we are under orders to stop you.

Granox: Want Vilius?

Slyger: You'll have to go through us first!

Nico: You two won't be a problem!

?: Bakugan Brawl!

Dan: For the record, that wasn't me!

Me: No it was them!

We saw Dan Kouzo and his friends!

Me: Dan! Guys!

Dan Kouzo: We'll take care of them!

Shun (BP): You guys destroy them both.

Me: thanks guys.

Shanan: Me, Hitch, and Deborah will help!

Me: Be careful guys.

Shanan: We'll be all right daddy.

We went to face Vilius and Rasputin

X-Squad Broly and Sonimax came.

Leonard (to X Squad Broly and Sonimax): Thanks for coming, guys.

X-Squad Broly: Glad we could come.

Caleb Maxwell: But, not before I do this.

Suddenly, Caleb Maxwell loosened his grip on his guns as they fell but were kept in mid air, and then, he clenched his right hand so tight, his gold-armored dragon claws drew blood from his palm, and he clawed at his right arm with his left hand's gold-armored dragon claws and drew more blood until his right hand and underside of his right arm were bloody.

Me: OH GOOD GOD! THAT'S BLOODY!

Suddenly, crimson red and black darkness began surrounding Caleb Maxwell's bloody right arm and spread to his right hand, and it condensed into a massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it, and Caleb's wounds healed. Then...!

Caleb Maxwell: FACE THE ANGER OF EVERY LAST ONE OF YOUR VICTIMS, VILIUS AND GRIGORI RASPUTIN! BLOOD HATRED OF THE LIVING AND THE DEAD!

Caleb Maxwell threw the massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it, and it headed for Vilius and Rasputin's location, and it exploded as it hit them, and they were covered in blood, but then, they began to see the visions of the angry dead coming at them along with the angered living souls, and they began attacking them with unendurable blood hatred! We saw it through a one-way viewing window Lincoln formed.

Nico: Oh my God! Not again!

Cage Blunt: He used Blood Hatred of The Living and The Dead again. But, for Rasputin, it got worse for him because his plan to destroy The Romanov family also resulted in 72 years of Hell for Russia meaning 72 years of countless lives lost.

WE FREAKED OUT!

Eli: Geez!

Lincoln: Okay, I think you just gave us nightmares for a week with that attack.

We got to hiding and then they went over to the two fo them.

Leonard: HEY!

Vilius: You 3 are just in time to watch as I destroy the Tenkai Knights! As soon as we get through this shield.

Leonard: Well our friends wouldn't like that.

Suddenly, the spirits of the Tenkai Knights, The Romanov Family, and the armies of Heaven appeared and they attacked Vilius and Rasputin and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard and we appeared, and that pissed them all off.

Me: Vilius!

Rice: Hello Vilius! So we meet again for the last time.

Vilius: You...! You miserable...! (SCREAMS)

Rasputin: Lori Loud, you pathetic vermin, I will kill you and Anastasia, and I will bring death and destruction to all in my way! (SCREAMS)

Vilius and Rasputin screamed in absolute pain thanks to Caleb Maxwell's nightmare attack on them, and the amplification due to Caleb's demonic rage made their pain even worse!

Caleb Maxwell fired black and red energy blasts that hit Vilius and Rasputin, and it made the curse even more worse.

Me: That's for sure, and you got some nerve coming back from the dead once more, Rasputin, and allying with Vilius?! You really disgust me!

Nico: It's bad enough you sold your soul to The Devil for the power to destroy Anastasia's family, but in doing so, you plunged Russia into 72 years of Hell!

Rasputin: GOOD! I DON'T CARE! ALL OF RUSSIA'S PEOPLE SHOULD JUST DIE AND GO TO HELL!

POW!

Caleb punched him in the face! But, that was only the beginning as we saw the skies turn red with blood!

Caleb Maxwell: So, you thought it was okay for you to sell your own soul to The Devil to destroy the Romanov family and plunge Russia from peace into 72 years of living Hell just because you despised humanity and you wanted all of Russia's people to die and you also tell them to go to Hell!? IS THAT YOUR THOUGHT IN THAT PEABRAIN OF YOURS?!

Rasputin: SO WHAT?! I DON'T CARE! RUSSIA DESERVES TO BE DESTROYED!

THAT DID IT!

Lori: (Speaking in Russian) Григорий Ефимович Распутин, вы несете ответственность за все, что произошло в жизни Анастасии Николаевны, начиная с событий 300-летия Дома Романовых! Ты буквально отвратительная мерзость, бессердечный и бездушный монстр, который не любит никого, кроме самого себя! Вы ведете Россию, переживающую более 72 лет ада из-за Советского Союза и некоторых из худших времен, наших друзей в России! Из-за тебя они буквально потеряли всё, и вся их кровь на твоих руках! Вы этого ждали уже давно, с тех пор как свергли Царское царство! Теперь я собираюсь добиться справедливости для Анастасии и ее семьи и всех тех, чью жизнь вы буквально разрушили! Во имя народа России и Мира Земли и по приказу Команды Громкий Феникс Шторм ВЫ ПРИГОВОРЕНЫ К СМЕРТИ! (Grigori Yefimovich Rasputin you have been responsible for everything that happened in Anastasia Nikolaevna's life ever since the events of the Tercentenary Anniversary of the Romanov Dynasty! You literally are a disgusting abomination and a heartless and soulless monster that has no love for anyone but yourself! You lead to Russia enduring over 72 years of hell because of the Soviet Union and some of the worst times our friends in Russia! They literally lost everything because of you and their blood is all on your hands! You had this coming for a long time ever since you overthrew the Tsarhood! Now I am going to get justice for Anastasia and her family and all those whose lives you've literally destroyed! In the name of the people of Russia and the World of Earth and by order of Team Loud Phoenix Storm, YOU ARE HEREBY SENTENCED TO DEATH!)

WE WERE IN AWE! LORI SPOKE IN RUSSIAN AND SAID ALL THAT WITH PERFECT VIGOR!

Me: WHOA! Nice work Lori!

Nico: You spoke in Russian!? WOW!

Anastasia: I've been teaching her how to speak in Russian.

Vilius: (to Rice) Should've just lost your mind in your monster form. Now, you're going to die along with the Tenkai Knights.

Rice: I will never lose my humanity as long as I have my friends! And we are not going to die ever!

Rasputin: Hello, Anastasia!

Anastasia: You took everything from me over 100 years ago! Now it's time to get justice for my family!

Me: And because of you, Russia went through 72 years of shit because of you starting the Soviet Union! Our friends in Russia have had more than enough of you to last a fucking eternity! We're sending you BACK TO HELL!

Vilius: Tenga Warriors, come forth!

An army of Tenga Warriors appeared

Me: Tenga Warriors! Time to roast some chickens!

I fired waves of lightning and blasted them and turned many of them into roasted chickens!

The Tenga Warriors jumped the Tenkai Knights and held them down.

The Tenkai Knights lay defeated at the hands of the Tenga Warriors

Vilius: (laughs evilly) And so ends the story of the Tenkai Knights.

Rasputin: (laughs evilly) And now, I can finally finish what I started with you, Anastasia!

POW!

I punched Vilius and Rasputin and knocked them down.

Poliwag: (slaps Tenga Warrior with tail) Oh no. What do we do?!

Lori, Jessie, and Joan got an idea

Lori: (to everyone watching) Everyone out there! Literally Lend the Tenkai Knights your strength!

Jessie: They get stronger with your support!

Joan: When I go "1, 2", shout "Tenkai Up!"! Okay? 1, 2...

All: TENKAI UP!

Jessie: One more time! 1, 2...

All: TENKAI UP!

Lori: Louder! 1, 2...

All: TENKAI UP!

Jamesdean5842: TENKAI UP!

At this, Guren found the strength to get up.

Guren: You're not getting rid of us that easy, Vilius!

Guren then punched a Tenga Warrior, knocking it down.

Rasputin: WHAT!?

Vilius: NO!

Guren: Thanks for the help, everyone.

Ceylon: I didn't think we were that popular.

Toxsa: Neither did I.

Chooki: Should you guys really be complaining right now?

Gen: I'm not.

Beni: What do you guys say we end this?

Caleb Maxwell: THAT'S IT, YOU PIECE OF SHIT!

CALEB MAXWELL JUMPED AT RASPUTIN, AND A MASSIVE FIGHT CLOUD ERUPTED AS FISTS STARTED FLYING!

Caleb Maxwell: I'll teach not to sell your soul to The Devil and destroy The Romanov Family and plunge Russia into 72 years of Hell! I'LL TEAR YOUR BRAIN OUT OF YOUR HEAD AND SHOVE IT DOWN YOUR THROAT, YOU UGLY SACK OF GARBANZO BEANS!

IT WAS GETTING SUPER UGLY! THEN, CALEB GRABBED VILIUS AND DRAGGED HIM IN AS WELL AND HE ALSO STARTED BEATING THE SHIT OUT OF HIM!

POW! CRACK! SMACK! THWACK! BANG! BLANG! BONK! COW MOOS! PIG SQUEALS! ELEPHANT TRUMPET! CAR HORN! HORSE WHINNY! SEAL BARKS!

BLARGA FLARGA!

Tenkai Knights: OH GOD!

Caleb Maxwell: EAT BOOT, BITCHES!

CALEB MAXWELL KICKED THEM OUT OF THE FIGHT CLOUD, AND THEY WERE SENT FLYING INTO A WALL, AND WE SAW THE DAMAGE: THEY HAD CLAW MARKS ON THEIR BODIES AND FACES WITH BLOOD COMING OUT, THEIR FINGERS WERE BROKEN, AND CALEB EVEN TORE THEIR RIGHT EYES OUT!

WE WERE HORRIFIED!

You're gonna die a slow and painful death. Time to bleed, assholes!

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Vilius and Rasputin with silver bullets from his guns and he blasted her with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Vilius and Rasputin as they were riddled with bullets as we all heard Caleb's wicked and insane laughter as he continued to shoot at Vilius and Rasputin with darkness and malice. Caleb landed as the barrier came down.

Nico: We made sure of that, now the planet is safe from that tyrant.

Me: He and his forces are gone.

We teleported back to Earth.

Lincoln: You said it, now it's time to get rid of Rasputin for good.

We then turn our attention to Rasputin, and he was absolutely angry that we won again, and that did it: he finally went mad!

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Iolite.

Catherine Diamantis: There's only one person who matches this: Irene Iolite, Avatar and Gene-Slammer of Gem-Knight Iolite, and you guys are going to love meeting her, Irene Iolite, Avatar and Gene-Slammer of Gem-Knight Iolite, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Iolite gems and crystals. She's known as The Garnet Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Irene Iolite came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Iolite gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Iolite gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Elana Moros, Gene-Slammer of Steelswarm Roach and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Irene's parents and her little sister, Iona, in cold blood, and she swore to kill Elana Moros and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Irene lost both her parents and her little sister, Iona, and Elana Moros killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She don't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Dan Kouzo threw Granox into Slyger.

SMASH!

They were both knocked out.

Dan Kouzo: What do you guys want to do now?

We came back.

Merman: That's it for Vilius.

Me: And Raspution.

El Diablo: Just one more Big Day mission to go.

Mr. Fizz: (to the Battle Planet team) You guys helped too.

Dan Kouzo: We sure did.

Guren: See you guys in 7 days.

Dan Kouzo: We'll be waiting.

They both fist bumped.

Technus: What now?

Dr. Viktor: We celebrate here.

Nco: Yep. Great job today everyone.

Lori: (To the Viewers) Now we've literally seen the last of Vilius and Rasputin forever.

Me: Yep.

We had a great celebration at Japan and it was fun.

We returned home and helped The Tenkai Knights settle in, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Vilius is gone forever, along with Rasputin.

Anna Anyanova: What that monster did to Anastasia's family 100 years ago can never be forgiven, and Vilius will never terrorize Quarton again.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Alexander Avalon was out in the city and looking out into the skies.

Alexander Avalon: So far so good. We took down The Dark Rain Card, but tomorrow, I got the feeling we're going to take on the dark version of The Wood Card, and that one was an intense capture since Sakura had to capture both it and The Rain Card and keep the house from being destroyed, but we'll be ready for them.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, but we're ready.

REVENGE OF THE EDS

DEATH TO THE KANKER SISTERS!

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a beautiful golden yellow honey swamp planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over honey, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Honeykaira, a honey swamp planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Honeykairans, the males were not only natural born fighters, but had powers over honey, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Honeykairans, and they were among the most advanced civilization in The Forbidden

Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day, and the swamps and waters were made of Ambrosia, a powerful honey that once devoured by pure of heart gain amazing power that gives them the awesome powers of nature as well as intense lightning powers, the powers of the gods. Immortality, invincibility, and more.

Lincoln: Oh man! A honey planet?! This should be good.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Honeykaira once inhabited by The Honeykairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city with swamps of Ambrosia, and the swamps and waters were made of Ambrosia, a powerful honey that once devoured by pure of heart gain amazing power that gives them the awesome powers of nature as well as intense lightning powers, the powers of the gods. Immortality, invincibility, and more.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Honeykaira, it truly is a beautiful planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Honeykaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a golden yellow gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of golden yellow souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Honeykaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Honeykaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over honey, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on

his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and honey golden yellow aura with honey droplets surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over honey, and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do, and if you absorb the core and the planet, you'll also absorb the swamps and waters made of Ambrosia, the powerful honey that once devoured by pure of heart gain amazing power that gives them the awesome powers of nature as well as intense lightning powers, the powers of the gods. Immortality, invincibility, and more, and it'll also give you the power to make Ambrosia honey and fruit as well.

Lincoln: Awesome!

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Honeykaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was

growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Honeykaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Honeykaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Honeykaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they

got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came everyone was getting ready.

[An alarm clock goes off. Eddy rises sleepily and yawns. He goes to take a shower. Inside, he is slumped against the shower wall, exhausted. The shower fills with water, and he wakens. He sees a great clump of hair stuck in the drainpipe. He yanks it out, and Lee appears in her swimsuit and wearing goggles.]

Eddy: [suddenly lucid] "Kanker!"

[Eddy's hand presses against the shower door and slides down as Lee chortles evilly.]

Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Honeykaira, it was a beautiful honey planet, and I remembered the swamps and waters were made of Ambrosia, a powerful honey that once devoured by pure of heart gain amazing power that gives them the awesome powers of nature as well as intense lightning powers, the powers of the gods, Immortality, invincibility, and more.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, but The Infernairans laid waste to The Flowerrairans, and there truly is no end to the terror they'd wrought throughout the universe.

Lincoln: Arpina's former people were absolute monsters, and when I absorbed the planet itself, I also absorbed the seas and swamps of Ambrosia, and I also gained amazing power that gave me the awesome powers of nature and increased my intense lightning powers, and I already have the powers of the Gods and Goddesses, immortality, and invincibility, and I gained even more powers as well, and I can also create my own Ambrosia honey.

Lincoln created a ball of rainbow-colored Ambrosia honey and gave it to us by spreading it on our breakfast, and when we ate it, we gained the powers of nature Lincoln had gained as well and it also supercharged and increased our powers as well, and that goes for our lightning wielders as well.

Laney: Wow! That's so awesome and tasty.

Nico: You said it! Wow! Lincoln, if there's a planet of Cheese in The Forbidden Zone and you absorb it tomorrow, can you create an unlimited supply of cheese wheels?

Then, Nico did the puppy eyes.

Nico: Please?

Lincoln: Okay, Nico, I'll do just that.

Nico: Yes!

Qin: (Snickers) You know how he is with his love of cheese.

Eddy came in and he was all covered in kiss marks!

WE GASPED!

Me: Eddy what happened!?

Luan: WHO DID THIS!?

Eddy: LEE KANKER THAT'S WHAT!

WE GASPED IN SHOCK!

Eddy: "What's with those stupid Kankers? Why can't they just leave us alone?" [He climbs onto the sofa and sits on it. A horrible stench emanates from his armpits.]

Edd: "GOOD GOLLY ALMIGHTY! WHAT IS THAT HORRIBLE ODOR? ED?"

Ed: "Not I, Double D. Talk to mister stinkpot."

Eddy: "Hey, I had a Kanker hairball stuck in my shower!" [Ed grins nervously.]

Edd: "Calm down, Eddy! I'm sure if we put our two and a half heads together we–"

Eddy: "YOU THINK OF SOMETHING, SMART GUY!"

Me: First Eddy you go take a shower.

Eddy: Okay.

Luan: I AM GOING TO FUCKING KILL THAT BITCH LEE!

Eddy then saw Scraggy staring at him.

Scraggy: Morning Eddy. Oh man are you okay?

Eddy: (Sighs) I had a rough time waking up. Lee Kanker assaulted me in my shower.

Scraggy: Oh man. I'm sorry.

Eddy: It's okay.

Eddy went to the shower and got a shower right.

He came out all clean.

He went to the table and we were having pancakes.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Vengeance Express 6, they've broken out of their cage in The M.O.E. yet again, and they're out to kill the Eds yet again!

Me: WHAT THE?!

Nico: The Vengeance Express 6 are at it again?! What the Hell?!

Lincoln: It can't be a coincidence, today's Eddy's big day, that means we're facing The Kanker Sisters for his big day.

Eddy: We can't let this go on any further! I say we hunt those Vengeance Express 6 kids down, and tear them all to bits! We'll send them running back to The Cul-De-Sac screaming for their lives as we make them and those stupid Kankers pay for everything they've done!

Eli: Wow...! He's mad now.

Lincoln: I've got a better idea, we'll hunt those twerps down and I'm going to hit them with my Gessius Flores Vengeance Curse and send them to Lynn's Table to be humiliated by all of us.

Me: Just like what you did on your birthday to Poromon's "guests".

Nico: I like it already, we'll have a little fun with those twerps by using all kinds of funny and silly pranks on them, but as for the Kankers, we'll use the violent stuff on them.

Lincoln: And we'll take them to trial, they don't deserve to die, we'll have those buttface bullies frozen in ice and thrown in prison forever. Alright, now let's finish breakfast and hunt those dorks down, they're in the southern part of Gotham Royal York.

Nico: So, that's where they're at, eh? Okay then.

We finished breakfast, and we headed to the southern part of Gotham Royal York to help Triple Berry unlock her Rainbow Power and take down The Vengeance Express 6 and Lincoln's going to curse them with The Gessius Flores Vengeance Curse and throw them into Lynn's Table as humiliation fodder.

Me: With Eddy coming in with lipstick marks on him like that, that is definitely a telltale sign that it's his day to shine.

Eddy: It sure is.

Qin: Yeah!

Camie: This will be funny and awesome.

Ymir: I'm excited!

Dina the Undine: Me too.

Universe 666 May: Same here.

Nico: Split Mushroom, I want to thank you, Matango Mushroom People, and your teams for coming

Split Mushroom: No problem Nico. This will be cool.

Gwen Tennyson: I hope we don't have mushroom pizza for lunch. After what we went through at a summer camp infected by alien mushrooms we swore to never touch mushrooms again. Even on pizza.

Me: I can see why.

Nico: Yeah.

Sofia Kinokogita: Yeah that is nuts.

Nico: Sofia, what do you like to do in your free time?

Sofia Kinokogita: I like to cook and help at Lynn's Table. Also serve food on skates and while doing so I bash the faces of the Wet Bandits in.

Lincoln: It's true. Look.

He showed a funny video on his phone of her skating and and serving food. She then bashed the Wet Bandits numerous times while doing so.

BAP BAP BAP BAP BAP BAP BAP BAP BAP BAP BAP BAP!

Blood turned into jewels from them.

Nico: That was really talented.

Laney: It sure is.

She served a bunch of hot dogs to a table.

Me: Still fun to see though.

Nico: That's a good job to have

Sofia Kinokogita: It sure is and it shows how talented and graceful I am.

Qin: It sure does.

Me: Nico you still full from eating that many hot dogs?

Nico: I burned off calories in yesterday's big mission

May: Good. But man That was the most hot dogs I've ever seen anyone eat!

Me: Holy fucking shit! And you beat Coup by one and he gave you his respect which was awesome!

Nico: He sure did! I didn't expect Chris to be there too.

Bakuto: Except he was hiding from Charles Yamamoto.

Ymir: Why?

Me: He accidentally beat Charles in an eating contest and "Disgraced" him.

Nico: Yep.

Stewie: Me and Brian killed Yamamoto by using this.

He held up the album for News of The World by Queen.

Brian: The Robot from Queen did him in.

Lori: I literally remember that!

Lincoln: Me too!

Laney: The music of Queen is good too.

Stewie: It sure is.

Poromon: I think it's cool too.

Me: Yep.

Kairi Yano: I find nothing scary about this.

Me: I showed everyone that it was the album of a song and the music was fun. Also we found that record in my family's attic and it was awesome.

Nico: Yep.

Kairi Yano: I see.

Me: Yeah. Lori, you and Jessie and Joan all did a great job yesterday.

Lori: That was literally so amazing!

Me: It sure was! We killed Vilius and destroyed Rasputin and brought justice to Anastasia and her family

Lori: He was one of the first villains we faced in the simulator

Ymir: I remember hearing about that. That was amazing.

Me: It was.

Nico: I heard all about how she defeated him back then and that was intense.

Me: Yep.

Qin: Wow!

Guren Nash: Boy that must've been an awesome adventure back then.

Me: It was.

Nico: How do you feel, Rice?

Rice: Better than ever now that Vilius is dead. All his lackeys are in the M.O.E.

Qin: Yes they are.

Nico: Yeah! And Lori's Akuma was a REALLY NASTY explosively gassy golfer.

Lori: That was my shoe!

Ymir: Does Lori always deny that?

Me: Lori has had a nasty flatulence problem for as long as I've known her and she always denies it.

Lynn: Yeah every time she farts she always blames her shoe or something.

Lucy Loud: Her farts are so bad even corpses don't smell that bad. Not even skunks come near her.

Me: Yep.

Ymir: Yuck!

Lori: IT WAS MY SHOE!

Me: See what I mean?

Nico: Didn't expect you to speak Russian though.

Lori: Yeah Anastasia has been teaching me and I wanted to literally say that to Rasputin.

Me: That was well done though Lori. You really put him in his place.

Lori: Thanks. (LOUD FART)

Me: Okay that one was not your akuma this time.

Lori: IT WAS MY SHOE!

Me: Not buying it.

Nico: Just one more big mission to go. And then, the real fun begins

Me: Yep.

Qin: This will be fun.

Hitch Trailblazer: We're excited for this too.

Me: Yep.

Eddy: Guys, in case Lee tries to force me into a wedding and I'm far away, I need a tracker put on me

Me: Okay then.

I put a tracer as tiny as a pin point on Eddy.

Me: There.

Eddy: Thanks.

Me: You're welcome.

Eddy: And thanks. You guys honestly are good friends. I mean that.

Nico: No problem.

Lincoln: Okay, guys, we're in for one crazy battle, we're here in the southern part of Gotham Royal York to help Triple Berry unlock her Rainbow Power and take down The Vengeance Express 6.

We had all of TLPS and The MOE with us.

Nico: I have had it with those dorks always breaking Vypra's rules and always breaking out of their cage to get revenge on the Eds. This time, there's going to be no mercy.

Me: We're gonna let loose with the pranks and mayhem galore on them.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive

levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and

rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Lane heard a Pokemon cry.

Lane: Huh? Where is that?

But then...

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

He got hit by strawberry pies!

We saw a Slurpuff that threw the pies.

Slurpuff: (LAUGHS LIKE CURLY HOWARD)

Me: A Slurpuff and he laughs like Curly.

Curly Howard: Boy and I like that ones style. NYUK NYUK NYUK NYUK NYUK!

Lane: Pie see what you mean! (LAUGHS) Get it?

WE LAUGHED!

Poromon: Nice to meet you.

Slurpuff: Same here. Put her there!

He shook his wing and then...

ZZZZZZAAAAAAAAAAAAAAAAAAAAPPPPPP!

Poromon screamed!

Slurpuff: (LAUGHS) The Joy Buzzer!

It had a Joy Buzzer on.

Patrick: I don't get it.

Me: (LAUGHS) This one is quite a card!

Lane: Perfect for me. You hungry?

Slurpuff: Sure! You got any Panther Pilsner Beer?

WE LAUGHED!

Moe Howard: (LAUGHS) He likes the same kind of beer we liked.

Me: Boy they made that beer back over 90 years ago during the Great Depression.

Poromon: We need to offer you one after we're done.

Me: Yeah but that was funny.

Lane gave it apples and it ate them.

Slurpuff: Thanks. That was fun.

Lane sat down and then...

LOUD FART!

Lane: WHOA!

Lane sat on a whoopee cushion!

Me: WHOA PARDON YOU LANE!

We laughed more!

Nico: Now that's funny!

Me: Yeah!

Lane: (LAUGHS) Yeah! That was a gas! (LAUGHS) Want to come with me?

Slurpuff: Sure!

POINK POINK!

He poked him in his eyes like Moe does.

Lane: OW!

Moe Howard: (LAUGHS) Just like me.

Me: That is funny! Boy I wonder if there is a Pokemon trio that acts like the Three Stooges.

Larry Fine: That would have been so funny to see.

Me: No kidding Chowderhead.

Larry Fine: Hey watch it!

WHAP!

I slapped Larry across his face.

Nico: Here's hoping.

Me: Yep.

Lana: LOOK OUT!

We saw a blue fireball blast coming at us and we ducked and it hit a tree and exploded!

MASSIVE FIERY EXPLOSION!

Qin: WHOA! What was that!?

Lola: LOOK!

We saw a Mega Charizard!

Me: WHOA! A Mega Charizard!

Nico: Which one?

Me: The Blue one!

Nico: WHOA!

Me: I Forgot there was more than one kind.

Kit Taylor: Lets see here.

He used telepathy and gasped!

Kit Taylor: It's my sister Vivian!

Me: (GASP) Vivian! Oh wow! You guys are going to love her story.

Kit: Lets go help her.

Me and Kit went over.

Kit Taylor: Viv it's me Kit! Remember?

She breathed blue fire and we absorbed it!

Me: WHOA! Powerful! And blue fire is hotter than orange fire.

Kit: It sure is. Okay then.

I fired waves of water and blasted her down.

I snapped my fingers and she reverted back and was a girl with red hair and red eyes and had red angel wings and had a Peculiar symbol on her forehead and had all the symbols of the Ryuki and Dragon Knight Riders in a circle around the Dragon Knight logo and the same symbol on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: There we go.

Nico: Wow!

She woke up.

Vivian Taylor: (Groans) What? What hit me?

Kit: You okay sis?

Vivian Taylor: (GASP) Kit!

She hugged him.

Vivian Taylor: I'm glad to see you.

Me: Long time no see Vivian.

Vivian Tayor: (GASP) J.D.? Is that you?

Me: Its been about 16 years Vivian.

Vivian Taylor hugged me.

Vivian Taylor: Oh wow! You've grown from that little guy that destroyed Xaviax the first time.

Me: You were also turned into a Blue Mega Charizard by Dark Gale.

Vivian Taylor: (GASP) Oh man! Wait I was battling a strange mantis monster.

Me: That was Zenobiter! He was one of the Ryuki monsters in Japan.

Vivian Taylor: Wow!

Me: I know. Also Dark Gale was a Pokemon Villain Organization we destroyed a while back.

Vivian Taylor: I see. What happened to Xaviax?

Me: He came back after 15 years in 2023 and on Natalia Somonmenchikov's big day we destroyed him and banished him to the Black Gates. Then about a year later on the final mission of the Bakugan Battle Planet missions with Hitch, Shanan and Deborah here, we destroyed him forever. Banishing him to the Black Abyss.

Vivian Taylor: Good riddance.

Zayto: It's true

Me: Yeah. Xaviax was completely overwhelmed by me. Back then 16 years ago I was nowhere near as powerful as I am now. Now here I am 16 years later and he was completely overwhelmed by our power.

Vivian Taylor: I'm glad he is gone.

Me: Yep. What is this symbol here?

I pointed to her cutie mark and on her forehead.

Vivian Taylor: Oh I became a new Kamen Rider. I am known as Kamen Rider Microox. It's a Destoroyah themed Kamen Rider and I have all the powers of each of the Dragon Knight and Ryuki Riders too.

Me: WHOA! A Kaiju themed rider.

Carol: That is so cool!

Vivian Taylor: It sure is.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new red clothes and Kit gave her Rider Belt and the Destoroyah Advent Deck and a Godzilla themed sword.

Vivian Taylor: I look awesome.

Me: You sure do.

Natalia Somonmenchikov: (Russian Accent) I'm Kit's sister

Vivian Taylor: Oh wow! So that makes me your sister too.

Me: Yep. Now we got a job to do.

Lincoln: (Sensed for The Vengeance Express 6) AHA! Gotcha, you pests! I spotted The Vengeance Express 6, they're 20 yards away, but they're heading for us to kill the Eds.

We were flying.

Nico: Where are they?

We were flying in the air, then...!

Lincoln: (ECHOING VOICE) PHOENIXHEART FIRESTORM KARMA BALL!

Lincoln fired the massive energy ball and it hit The Vengeance Express 6 and they got burned bad, and they went mad with rage as Lincoln landed.

Vengeance Express Kevin: DIE!

Me: You first dork!

Vengeance Express Kevin charged at Lincoln who kicked him away. But, then, Lincoln's eyes changed from deep sapphire blue to neon green with the golden yellow circles still surrounding his eyes, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Me: SWEET MOTHER OF MERCY!

Nico: HE'S USING THE POWER OF THE HULK ON THEM! DAMN!

Then, Lincoln clapped his hands together and released a loud sonic shockwave and The Vengeance Express 6 screamed in pain as they covered their ears which were bleeding!

We used our power to make the wall of fire even stronger than ever, and The Vengeance Express 6 was already fleeing the wall of fire.

Eddy hit them with 6 records that shattered and hit their heads.

Edd formed springs that sent them flying and smashed them into the ground.

Ed summoned ice cream carts and they smashed onto them.

Ed: The Vengeance Express 6 are in pain right now. They'll have to call you back.

Fluttershy had skunks spray them!

LIGHTHOUSE FOGHORN!

Laney had street lights drop on them.

Varie had HUGE Concrete pipes crush them.

Nico and Motormaster ran them over!

KRASMASH!

Nico: 10-4 Good Buddy!

Motormaster: Took the words right out of my mouth!

Me: YEAH!

Motormaster: I never get tired of doing that!

I read more verses. Then Trees fell on them!

CRASH CRASH CRASH CRASH CRASH CRASH!

Ed: Good morning trees!

Then sandboxes and sand fell on them.

MASSIVE CRASHES!

There was a rumble and a massive stampede of wild elephants and hippos appeared and trampled them!

Then thunderstorms rolled in and then...

MASSIVE THUNDERCLAPS!

They got struck by lightning and electrocuted them!

Then houses crashed onto them!

MASSIVE THUNDEROUS CRASHES!

THE VENGEANCE EXPRESS 6 WERE BRUTALLY MANGLED UP BAD!

Nico: That's gonna hurt!

Me: AYIYIYIYIYI!

Then sea bears appeared and roared! THEY MAULED THE SIX OF THEM ALL OVER!

Squidward: Now they know how I feel

Then Sea Rhinoceroses came and trampled them too!

Nico: YEAH!

Me: Watch this one!

I pulled out 6 grenades! I pulled the pins and ran fast and stuffed them down their pants.

Then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

They exploded! They were burned and charred all over!

Me: Thats gotta hurt! AYIYIYIYIYIYI!

ZOOM!

I ran fast and gave them all wet willies!

Horsea squirted ink and blinded them.

I ran fast and tied them up and put explosives on them and put them on a catapult.

Me: Buckle up boneheads because you're going for a ride!

I slashed the rope and they went flying into the air and I pressed a remote button and then...

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

They were badly burned all over the place!

Mevya hopped over to them and belched in their faces!

Me: NICE! Hey Sarah do you know what's more obnoxious than your big ugly mouth?

Vengeance Express Sarah: WHAT WAS THAT!?

I put on Earmuffs and turned my fingernails on my right hand into sharp claws.

Me: CHALKBOARD NAIL SCRATCH!

I pulled out a small chalkboard and scraped my nails on it and it made the most horrible scraping noise of all and she and Jimmy and the Vengeance Express 6 screamed in agony as their eardrums were bleeding!

Poromon: That's loud!

Nico: Take that!

Me: And this!

I put diving helmets with hose connected to them on them.

Me: Jackasses 3, 4, 5, 6, 7 and 8!

I farted in the hose!

LOUD FART!

They smelled it and then...

Vengeance Express 6: AHH AHH AHHH AHHAHAHAHAH! (VOMIT ATTACKS)

THEY VOMITED BAD AND FILLED UP THE HELMETS TO THE POINT WHERE THEIR FACES WERE COVERED!

WE LAUGHED HYSTERICALLY!

Stewie: I remember that!

Nico: That was funny!

Lori: Let me do one

She farted in the hose and they VOMITED EVEN WORSE FROM HER FARTS!

Nico: That wasn't your shoe this time!

Lori: Nope!

Me: (LAUGHS) What a funny battle!

Vivian: Now it's my turn!

She pulled out her Advent Deck.

Vivian: KAMEN RIDER!

She transformed and then the roar of Destoroyah was heard and then we saw her in an awesome new Destoroyah Rider form!

Vivian Taylor: THE KAIJU KNIGHT OF THE OXYGEN DESTROYER! KAMEN RIDER MICROOX!

We were in awe!

Me: WHOA! That is so cool!

Qin: I'll say!

Carol: A Destoroyah themed rider! How awesome is that!

MASSIVE FIERY EXPLOSIONS BLASTED OFF ALL OVER THE PLACE WITH INTENSE FORCE!

She then slashed the 6 of them with a Katana blade and blood gushed out all over the place!

Me: EEEEEEWWW!

Nico: WHOA! That was powerful!

Vivian Taylor: Many more where those came from.

Kit: Like old times?

Vivian: You know it.

Vivian and Kit: DRAGONIC KAIJU BLAST!

They fired waves of energy and blasted the Vengeance Express 6 all over the place!

Poromon: YEAH!

Qin: Awesome!

I fired energy blasts and blasted them all over.

Rayman fired a barrage of purple energy fists that attacked The Vengeance Express 6 with swift fury and brutality and we landed.

Vengeance Express Kevin: DORKS! NOW, YOU DIE!

Eddy: Bring it on, Shovel Chin! Let's dance!

Suddenly, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword.

Lincoln: You're not getting anywhere near our friends again, you shovel-chinned pile of sewage breath! (ECHOING VOICE) DRAGONHEART STINGER!

Lincoln dashed at Vengeance Express Kevin and the others with his greatsword pointed at them with streams of water swirling around him and he thrusted his massive greatsword at Vengeance Express Kevin and he got hit and the streams of water hit him and the others and they got soaked.

Nicole: Now, he's using an elemental version of the Stinger from Devil May Cry?! If he uses a dark elemental version of Dance Macabre, I'm gonna freak out and blast that pervert, Jiraya, into the bathhouse, so he can get his ass kicked again!

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by light.

Lincoln: (ECHOING VOICE) FAIRYHEART HOLY LIGHT OVERDRIVE!

Lincoln swung his massive greatsword three times and fired three shockwaves of light that hit The Vengeance Express 6 and they got hit hard.

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by ice.

Lincoln: (ECHOING VOICE) DRAGONHEART ARCTIC SNOW STORM ICE NEEDLE STORM!

Lincoln swung his massive greatsword and fired a massive wave of ice needles that hit the dorks and they got pierced badly.

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by darkness.

Lincoln: (ECHOING VOICE) GHOSTHEART DARKNESS SHADOW STORM DANCE MACABRE!

Lincoln charged at The Vengeance Express 6 while surrounded by a black and purple darkness aura, and as he got near, he swung his massive greatsword at the dorks and he did it multiple times in a dark dance of sword swings as dark energy was being fired at them, and at the near climax, he did two swings that sent two streams of darkness up at the dorks, and then, he winds up, and ...!

Lincoln: GET OUT OF HERE, YOU DORKS!

LINCOLN SLASHED AT THEM WITH ONE LAST SWING AND FIRED ANOTHER STREAM OF DARKNESS AT THEM AND A MASSIVE ARMY OF GISELLE RAZOR'S THUGS WHO SUDDENLY APPEARED OUT OF NOWHERE AND PUT UNDER LINCOLN'S CONTROL VICIOUSLY ATTACKED THE DORKS WITH ABSOLUTE FURY!

But, then, Lincoln attacked the thugs by slashing them, and that caused Lincoln to suck out all of their energy, blood, muscle mass, testosterone and virility which made him stronger, and the thugs turned into lifeless husks and turned to dust.

Nicole: Okay, that one may not have summoned the dead, but it exposed more of Giselle Razor's thugs and they got killed.

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by lightning and wind.

Lincoln: (ECHOING VOICE) THUNDERBIRDHEART LIGHTNING TORNADO!

Lincoln swung his massive greatsword and fired a massive tornado of lightning that dragged the dorks in and they got battered by the winds and shocked by the lightning!

Me: Wow...!

Then, the 14'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by moonlight.

Lincoln: (ECHOING VOICE) WOLFHEART MOONLIGHT FIRESTORM!

Lincoln swung his massive greatsword and fired a stream of moonlight and blue wolf fire right at the dorks and they got severely burned and clobbered.

Me: HOLY MOLY!

Kibal: Yikes, he's been a master of the power of the wolf this whole time before you met him?!

Me: Looks like it, and he's the caretaker of the Universe 666 Miraculous which also includes your Universe 666 counterpart, Kibal.

Then, Lincoln fired five massive balls of fire from his left hand and they orbited around The Vengeance Express 6, and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of the Ancient Gods and Goddesses.

Arpina Infernaira: Ooh! Now, that's just brutal.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and it sunk into the ground unleashing a storm of lightning bolts and raging blue fire, and...!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Eddy, and the bad news: it's a clone of Lee Kanker.

Nebula Lanaia: Then, it's time we kill her for good.

Lincoln: Even if it's a clone and not the real one, she's still just as dangerous.

Eli: Lincoln's right, we're gonna get rid of her. Whoa, and one of The Anothers is The Avatar of The Wood Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Qin: So we got Another Matango Mushroom People, Mayor Toadstool, Shroomy, SCP 5771, Mushroom Phantom Kraurum and Wild Wheel.

Me: Which means that Split Mushroom, Sofia Kinokogita, Mushroommon, Vinnia Venomdake, Shamiya Brodie, and Rosalina are up.

Nico: Yep.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four

large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Mayor Toadstool, Shroomy, SCP 5771, Mushroom Phantom Kraurum and Wild Wheel.

Nico: WHOA!

Lola: Yeah!

Another Mayor Toadstool: (In a girls voice) This will be fun.

They reverted back and were the gene-slammers of Fiend Sword and Boo Koo.

Nico: Fahra Fiend and Brenda Bookworm!

Brenda Bookworm: Good to see you Nico.

Fahra Fiend: Same here.

Me: Fiend Sword and Boo Koo's gene-slammers.

Brenda Bookworm: Yep.

Twilight Sparkle: You like reading like me?

Brenda Bookworm: I sure do. It's my form of fun.

Me: You and Twilight have so much in common. By the way girls are the Anothers friendly or hostile?

Fahra Fiend: One is friendly and the other is not.

Me: I had a feeling.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now we wait.

Me: Yep.

Jonny: "Runaway wagon. Runaway wagon!"

[Jonny and Plank's wagon comes racing down the hill. Neither of the two are anywhere to be seen. The wagon runs past the kids and into a tree. A bound Jonny and Plank fall out.]

Sarah: "What happened, Jonny?"

Me: Are you okay?

Jonny: "We were...ambushed. She circled our wagon. Oh, look what that outlaw...did to him!"

[Jonny holds up Plank, who has makeup on his face and clouds of perfume coming off his body.]

The Kids: "EWWW!"

Eddy: "What stinks?"

Ed: "Plank reminds me of fresh-cut spring flowers strewn across a babbling brook with a hint of lemon."

Jonny: "She is headed this way!"

Me: I have a feeling I know what is coming.

Nico: Who did this?

Me: I'll give you 2 guesses but I know you're going to need one.

Nico: Lee Kanker!

Luan: And she is right... (Senses something) BEHIND ME!

She's The Wood Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Wendra Wood is a master of the powers of The Watery Clow Card and she's a powerful master of wood, plants, nature, the forest, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by putting poison ivy down their pants and leaving them to scratch themselves raw!

Me: HOLY CRUD!

Zocks: (gets out Dekaranger gear) Because we can grant it instead

They got weapons from said teams.

Wendra Wood: No he didn't. I used my powers and trapped him in a tree for 12 hours and ran.

Sakura Knudson: That explains how I found him in a tree. Me and the Timejackers tickled his feet till he cried.

Me: WHOA! We didn't do the entrance.

Lola: LOOK!

We looked and in the sky we saw SPELLPYRE PHOENIX!

Me: WHOA! Spellpyre Phoenix!

Nico: COOL!

It landed.

Spellpyre Phoenix: (In a girls voice) Looks like the party has started.

Nico: Zennia Spellpyre!

She reverted back and was a girl with purple hair and had orange eyes and red sclera and had red clothes and fire angel wings and had Spellpyre Phoenix on her forehead and had a Phoenix with a Flame on her arm as a cutie mark and had a fire sword!

Zennia Spellpyre: Good to see you again Nico. I got this.

She fired waves of fire and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Zennia Spellpyre: Thanks! It was fun. Also if I see that bitch Crackhouse Minnie again I'm going to rip her apart and make sure she never torments Crackhouse Mickey again.

Nico: YOU TELL HER!

Crackhouse Minnie: (OFFSCREEN) WWWWWWWHHHHAAAAAAAAAAAAAAAAAAATTTTTTT!?

Nico: Speak of the Devil.

Then Crackhouse Minnie came!

Crackhouse Minnie: YOU'RE FUCKING DEAD! NO ONE TALKS THAT WAY TO ME AND LIVES! YOU ARE FUCKING DEAD!

And Zennia teleported and flew at her and kicked her in her face and pulverized her in her face and brutally bashed and pulverized her ferociously!

Nico: HOLY CHEESEWHEELS!

She brutally pulverized her all over with the fury of a bunch of vikings and bashed her all over.

Me: YEAH!

She was mangled brutally all over!

Zennia Spellpyre: You do those chores whether you like them or not bitch!

Qin: You tell her

Sofia: Do you have any good memories of Nico?

Zennia Spellpyre: I sure do. When me and Nico went after Crackhouse Minnie and put her in her place and pulverized her brutally.

Nico: Yep. It was fun.

Qin: Cool!

Laney: Yeah.

Nico hugged her.

Nico: I've missed you.

Zennia Spellpyre: Same here.

We went back home and Vypra took Crackhouse Minnie back to HQ.

Lincoln: Ah, we're here in Sherwood Forest, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're here to take down the clone of NaturonGenbumon who has The Dark Wood Card in his hands, and once I suck out the powers of The Dark Wood Card, I'm also going to absorb the clone of NaturonGenbumon.

Split Mushroom: It's not a coincidence that The Dark Wood Card wound up in his hands, right?

Lincoln: Not exactly, and we're gonna be in for a tough one, NaturonGenbumon is the hypothetical Akuma of Ebonwumon and is a master of turtles, islands, nature, wood, flowers and grass and he is a GINORMOUS TURTLE that is as big as half of the country of China and can easily be seen from space. He is also a Dark Sovereign and a terrifying force of destruction. He is The Dark Sovereign of the North! He also has the power to destroy entire planets! He is one of The Dark Sovereigns of Doom!

Suddenly, we spotted the clone of NaturonGenbumon, and then, Lincoln blasted him forcing The Dark Wood Card to come out and took on her true form. Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Wood Card and he began sucking out all her wood powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Wood Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Wood Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Wood Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of NaturonGenbumon.

We turned to the clone of NaturonGenbumon who roared in anger at us and fired nature, wood, flowers and grass at us, but Lincoln absorbed the islands, nature, wood, flowers, and grass into his body.

Lincoln: Okay, let's get him!

Robin Hood went after the clone of NaturonGenbumon, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit him, then he attacked him with the blades on his bow leaving scars on him, and he fired arrows at him that transformed into many arrows with leaves surrounding them and he got hit all over the place.

Lincoln, Robin Hood Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after the clone of NaturonGenbumon, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at her, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at her with his massive greatsword and shot her with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit him on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to the clone of NaturonGenbumon, and he screamed in agonizing pain.

Lincoln continued smashing the clone of NaturonGenbumon hard with his extremely massive godly superhuman strength, and he was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash him all over the place!

Qin: That clone doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at the clone of NaturonGenbumon and he got beaten up real good and he was mangled!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of NaturonGenbumon and he also sucked out all the energy remaining in his soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Wood Card and Lincoln absorbed the clone of NaturonGenbumon.

Me: And Sherwood Forest is still looking great as ever.

Maria: That's for sure, and Robin Hood really let that clone have it. But, his attacks had grown even stronger! Did you see how his arrows hurt that clone of NaturonGenbumon, and he's the size of half of China!

Nico: I know, but this means, his powers are evolving even more and so are ours, and we've taken down villains bigger than him, literally.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blue hair, blue eyes, massive blue angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, blue sleeveless strapless top, blue skirt with Gem-Knight Iolite, white bridal gloves, red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Iolite, she has a fire greatsword, and with her are the seven girls.

Lincoln: (GASPS) Irene Iolite, Avatar and Gene-Slammer of Gem-Knight Iolite.

Irene Iolite: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Irene Iolite had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Irene Iolite was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Matilda Roo: (Australian Accent) Same here.

Irene Iolite: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Irene Iolite's waist and hugged her, and Irene Iolite is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Irene Iolite: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Irene Iolite, Avatar and Gene-Slammer of Gem-Knight Iolite, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Iolite gems and crystals. She's known as The Garnet Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Irene Iolite came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Iolite gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Iolite gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Elana Moros, Gene-Slammer of Steelswarm Roach and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Irene's parents and her little sister, Iona, in cold blood, and she swore to kill Elana Moros and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Irene.

Lincoln with his massive muscular arms still wrapped around Irene Iolite's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Irene Iolite: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Irene Iolite with Iolite gems on the gold lightning bolts and Iolite crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Irene Iolite: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Irene Iolite.

Irene Iolite had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Irene Iolite's waist, and he leaned down to her face and kissed her on the lips, and with Irene Iolite's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Irene Iolite had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Irene Iolite: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The seven girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the seven girls are Emi Hanazono, Rikako Jinnai, Misato Suzuyama, Mia Tougane, Yuka Karasuma, Erina Sayama, and Rin Yoshimura from E School Life.

Lincoln: Oh whoa, it's Emi Hanazono, Rikako Jinnai, Misato Suzuyama, Mia Tougane, Yuka Karasuma, Erina Sayama, and Rin Yoshimura from E School Life.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're cute school girls.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Emi Hanazono: Yes, we're okay, thanks to you.

Then, when Emi Hanazono and the other six girls saw who it was that saved them from The Dark Wood Card and the clone of NaturonGenbumon, their faces turned atomic red upon seeing the 14'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of

Emi Hanazono: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Rikako Jinnai: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Emi Hanazono, Rikako Jinnai, Misato Suzuyama, Mia Tougane, Yuka Karasuma, Erina Sayama, and Rin Yoshimurawith colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's clones.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long golden yellow hair, yellow eyes, massive golden yellow angel wings, and she has on a golden yellow bikini.

Lincoln: (GASPS) Winnie Goldhoney, Queen of the Honeyairans of Planet Honeykaira.

Nico: The only surviving Honeyairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Winnie Goldhoney, Queen of the Honeyairans of Planet Honeykaira, she's Lincoln's Guardian Angel from the planet of Honeykaira in The Forbidden Zone. She was the Queen of the Honeykairans who ruled the planet of Honeykaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over honey and the ability to grow even stronger, but she was also born with angel wings, the powers of honey, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Winnie Goldhoney came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of honey, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of honey, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Honeykairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them trapped in a prison of honey with the power of Honeykaira.

Winnie Goldhoney: And I knew Lincoln absorbed the souls of the male Honeykairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Winnie Goldhoney: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Winnie Goldhoney to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides

and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Winnie Goldhoney with golden yellow gems on the gold lightning bolts and golden yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Winnie Goldhoney: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape

measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Winnie Goldhoney: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Honeykairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Wood Card of all its powers and absorbed the clone of NaturonGenbumon after he and all of us took him down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Irene Iolite saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Irene Iolite: My God, I was right that Lincoln's really grown into a 14'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Irene, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Irene Iolite: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Irene Iolite: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Robin Hood: Everything seems eerily quiet. I know we've got to deal with The Kankers, but what also has me concerned is...!

Lincoln: I know. Tomorrow is the big day: the day we fulfill The Prophecy of Amaterasu and destroy Dark Chase Young for good, and knowing him, he's going to try yet again to destroy us. However, we have dealt with all of his schemes especially when he poisoned Lori, Lynn, Lola, Lisa, Luan, Chandler, Principal Huggins, Isabella Abaddon, and many and turned them into ruthless murderous monsters, and after the battle with Team Dark Phoenix Storm years ago, we brought back my ancestors and we took down Morag, and years later, we killed Yami, one of the two dark individuals who wanted me dead, along with Shadoan and Akuro from Okami, the demons who created The Dragon Stone under Dark Chase Young's order along with The Dark Side Potion and destroyed those two objects and sent them to The Black Abyss, and during my big day, I'd finally gotten 403 years of divine retribution for my ancestors when we took Morag down for good and threw her in prison, and freed Serena and Tyris' grandmother and also freed his army of Ancient Warriors who gave me their skills and strength which I will use on that bastard.

Eli: Dark Chase Young really is the ultimate embodiment of evil.

Me: That he is, and we'll finally be rid of him tomorrow. We'll also hold a huge party at Loch Loud the day after.

Nico: That'll be awesome.

Lori: We'll be rid of Dark Chase Young for good, that monster's plagued our family for over 400 years, even though Aggie was the one who killed our ancestors, it was Dark Chase Young who'd masterminded the whole thing.

Lynn: Not to mention he also promised Andross power which caused him to rebel and that caused The Lylat Wars.

Luan: And promised power to Salazar Slytherin by destroying all non-magical beings, which meant all of humanity.

Lola: He's an absolute monster even worse than a clod.

Nebula Lanaia: And tomorrow, he's going to suffer the consequences of all his crimes.

Lynn Sr.: That's for sure, Lanaia. No one hurts our kids and tries to destroy our family along with the lives of everyone on Earth and the universe and gets away with it.

Rita: And it's not just for the 403 years of misery he'd caused our family, there's also 1,500 years of pain and suffering he'd inflicted on everyone.

Lincoln: In total, that's 1,903 years of divine retribution we're going to deliver unto Dark Chase Young.

Nico: (Whistles) 1,903 years of pain and suffering he inflicted on everyone in his path?! Dang, even the scale of evil would fall apart at the multitude of crimes that draconic nightmare had committed over the millennia.

Me: That's for sure, that piece of garbage is done for tomorrow, we're gonna make sure of that!

We all agreed: tomorrow is doomsday for Dark Chase Young: The Sun of Ultimate Justice shall bring an end to The Eternal Darkness of The Incarnation of Evil and Destruction!

We got a shower, and then, Lincoln, Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie are heading to Emerald Coast.

Lincoln snapped his fingers, and the 14'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Chili Pepper Cookie: Wow, we're here in Emerald Coast, it's so beautiful.

Lincoln: You said it, Chili Pepper Cookie, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Candy Apple Cookie: (Swooning) What a handsome and manly wolf hunk.

Suddenly, they saw the clone of Dawnhammer.

Caramel Choux Cookie: What is that?

Lincoln: That's the clone of Dawnhammer, the Hypothetical Akuma of of Grumblemon and he is a master of earth and rock and he is a deadly golem of earth.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Dawnhammer and he began absorbing him and assimilating Dawnhammer's powers of earth, rock, and superhuman strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Dawnhammer, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie and he hugged them in his abnormally massive and powerful muscular arms, and Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: Wow, now Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie are in your harem, Linky.

Chili Pepper Cookie, Candy Apple Cookie, Caramel Choux Cookie, Cherry Cookie, Cherry Blossom Cookie, Blackberry Cookie, Onion Cookie Girl showed the marks Lincoln made on the right sides of their trapezius.

Jenna: You had no trouble at all.

Lincoln: Unfortunately, we did. Alecto Slytherin the sent clone of Dawnhammer, the hypothetical Akuma of Grumblemon after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into his chest, and I absorbed him and assimilated Dawnhammer's powers of earth, rock, and superhuman strength. Then, I sucked out every bit of energy from his soul and as the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Chili Pepper Cookie: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

I was reading a book in my bedroom.

There was a knock on my door.

Me: Come in!

Poromon and the mascots came in.

Poromon: Trash call!

Me: Oh. Let me get my garbage.

I went and got a bunch of trash bags.

Me: (GROANS) Whoa! This oughta be enough.

Poliwag: You have a lot of garbage J.D.

Me: I know.

We got out trash.

Luan: Time to take out the trash!

SpongeBob: (Singing) Taking out the trash. Taking out the trash. Taking out the trash!

We got all of our trash bags full of garbage.

Poliwag: Don't know why we should do all this. Let's go dumpster diving instead!

Eddy: Not happening!

Patrick: Dumpster diving is what I do!

Izzy Moonbow: And me too for my Unicycling.

Ymir: Unicycling?

Me: Her version of making stuff out of old stuff. One mans trash is another mans treasure. She turns old stuff into new stuff.

Izzy Moonbow: It's how I got my cutie mark. I made some junk into an amazing fountain.

Ymir: Oh I see.

We took our garbage to the dump.

SpongeBob: (Singing in William Tell) To the dump to the dump to the dump dump dump.

Poliwag: Seriously, let's go dumpster diving!

Beastbox: We said no!

Poliwag: Aww!

We got to the dump and Lincoln was holding Rarity bridal style.

Ymir: Why are you holding Rarity like that Lincoln?

Lincoln: Oh Rarity doesn't like the dump because it's a filthy place for her. She likes to stay clean at all tiimes.

Rarity: It's true darlings.

Lola: She and I have so much in common.

Ymir: I see.

Me: Whenever we go to the dump or a filthy muddy place or any place like that we always hold the clean members of the team with us to prevent them from getting filthy.

Beastbox: He's right on that.

Ymir: I see.

Nico: Yep.

We dropped the bags off at the dump.

Me: Ahh. Oh one sec.

I used my powers and separated the recycleable stuff from the junk and all that.

Me: There.

Highbrow: Look at all this garbage!

Me: I know. Whew! Lots of stuff.

Camie: No kidding there. But at least we got rid of all the stuff.

Me: Too true.

Then I felt a cold draft lick my back.

Me: (SHIVERS) WHOA! Man did it get cold all of a sudden?

Nico: No why?

Me: Weird.

Horsea: HEY! PUT ME DOWN!

We saw a Mega Yanmega picking up Horsea!

Me: WHOA! A Mega Yanmega!

Horsea: Put me down you overgrown dragonfly!

It then dropped her into a pool full of slop!

KRASPLAT!

Nico: Where did that come from?!

Horsea came out and she smelled like shit and the Mega Yanmega was laughing hysterically at her!

Horsea: THAT IS NOT FUNNY!

Maria: YEAH!

Me: I think it's one of Dark Gale's work!

Shane: Lets see.

He used telepathy and gasped!

Shane: It's my sister Hailey! And you guys are going to get a shock from her.

Me: Whoa! Lets go help her.

Me and Shane went over.

Shane Clarke: Hailey it's okay sis. It's me Shane.

She used Bug Bite on Horsea but she put her clone in front of her!

CHOMP!

The clone screamed in pain!

Me: YIKES!

Maria: (Sniffs)

SEAL BARK!

Maria: OH GOOD GOD! Horsea you smell horrible!

Mevya: Yeah you smell worse than me!

Horsea: Blame that cretin there! She threw me into a pool of liquid garbage!

Me: YUCK! Lets get her back to normal.

Me and Shane blasted her all over.

I snapped my fingers and she reverted back. She was a girl with blue hair, blue eyes, blue angel wings and had a wolf symbol with the Ninja Storm symbol, Wolf Moon and a badge for Outpost 31 on her forehead and her arm.

We wrapped her in a blanket.

Me: There. Lets get home.

We teleported back home and brought Hailey to the sofa.

She woke up to see Horsea's smiling face.

Hailey Clarke: (Groans) Huh? A Horsea?

Horsea: You attacked my clone (Gets mad) but you THREW ME INTO A POOL FULL OF SLOP! I OUGHTA MAKE YOU EAT ROTTEN EGGS FOR THAT!

Maria: (Picks her up) Whoa whoa whoa. Easy Horsea.

Hailey: I'm so sorry!

Maria: It's not your fault. Lets get little miss grumpy here to the tub.

They went to the bathroom.

Shane: Hey sis.

Hailey: Shane!

She hugged him.

Hailey Clarke: I'm glad you're okay.

Shane: Me too sis.

Me: You were turned into a Mega Yanmega by Dark Gale.

Hailey Clarke: Oh man! But I never heard of them. I was battling this weird white fire Samurai monster.

Eli: (GASP) I know who you are talking about. That was Chubouzu from the Hurricanger VS Gaoranger movie.

Nico: WHOA MAN!

Me: That was a Japanese monster. Wow!

Hailey Clarke: Amazing!

Me: Yep. Also Dark Gale was a Pokemon Villain organization we destroyed a while back.

Hailey Clarke: I see.

Me: Yeah. Also I killed Lothor.

Hailey Clarke: You did J.D.?

Me: Yep. During the epic battle we had with the Void Queen for the Dino Fury Rangers.

Nico: After wanting to do it for so long

Me: Yeah after I think about 5 years.

Hailey Clarke: Ah you were wanting to test your full power about all the Power Rangers enemies.

Me: Exactly. How did you know?

Hailey Clarke: I know the feeling myself. I already beat Count Radiguet, Star King Bazeu, Galactic Super Beast Vulgyre and Black Cross Führer.

WE GASPED!

Me: Those were the main bad guys of Jetman, Changeman, Fiveman and Gorengers!

Nico: WHOA! That is cool!

Poliwag: What color are you?

Hailey Clarke: I'm the White Ninja Storm ranger and I use the power of ice.

Me: WHOA! That is cool! No pun intended.

Hailey Clarke: Yep.

Me: I noticed on your cutie mark you have the badge of outpost 31. Did you know anyone there?

Hailey Clarke: Oh no. I just thought it was cool and I added that to my mark for fun.

Me: I see.

Kate Lloyd: What happened there was an absolute nightmare for me and many people there in Antarctica.

Me: It's a horrifying story.

Nico: Yeah.

Hailey Clarke: Let me guess? The Thing and how it killed everybody there?

Me: Yep.

Hailey Clarke: Oh man. That is bad.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new blue clothes and a wolf sword and Shane gave her Morpher to her and her symbol was white and had a wolf pawprint on it.

Hailey Clarke: I look amazing.

Me: You sure do.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails

even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Lee Kankerstarts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase

Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Horsea came back all clean and smelling like flowers.

Sunny Flare: Hey, Horsea. You feeling okay now?

Horsea: Smell much better now.

Nico: Good.

Ed: Horsea smells like fresh cut spring flowers strewn across a babbling brook with a hint of lemon.

Eddy: Shut up Ed.

Hailey: Again, Horsea, I'm so sorry.

Horsea: It's okay Hailey. I forgive you.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Lee Kanker, Evil May, and Evil Marie, they're on the loose yet again, and bad news: Lee's kidnapped Eddy's parents to force Eddy into a wedding with her! When we saw it, we knew it meant trouble and we were pissed off!

Lincoln, me, and Nico: YOU HILLBILLY LEVEL 10 KISSY-FACED TRAILER TRASH SLUTS FROM HELL!

Eli: OKAY, NOW THEY'RE GONNA GET IT!

Lincoln: You said it.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it's Lee Kanker, Evil May, and Evil Marie, they're on the loose yet again, and bad news: Lee's kidnapped Eddy's parents to force Eddy into a wedding with her!

EVERYONE GASPED!

Luan: THAT THREE-EYED BANSHEE!

Lori: She's literally gone too far! Now, those stupid Kankers are going to pay!

Then, my tracker went off!

Me: Looks like Eddy found out! He's heading for the Peach Creek sector, specifically The Trailer Park!

Jonny: We better get over there!

Nico: We need to get Eddy's parents out of here and fast.

Lincoln sent a telepathic message to Eddy.

Lincoln: I just sent a telepathic message to Eddy, now we got to get to The Trailer Park, rescue Eddy's parents, and then, we're gonna beat those stupid Kankers to a bloody pulp before we tie them up and drag them to court.

Nico: Finally, we're gonna get rid of those stupid Kankers for good. Alright, team, let's go, this is the last time we ever have to deal with The Kanker Sisters!

Lincoln: They're finished, this time, we're gonna tear them apart.

The previous group came along with Dark Spicer.

Dark Spicer: I heard the Kanker's are back and causing trouble.

Me: They sure are Dark and we were just about to call you.

Dark Spicer: I was in the area and saw Eddy running somewhere and knew something was up.

Me: Good call.

Merman: Can me, Iron Lung, Vanitas, Leo Corbett, Kaos, Mr. Fizz, Technus, Dr. Viktor, Comic Book Guy, and Juggernaut go with you guys?

Nico: Yes you can guys.

Qin: Yeah.

Merman: Cool.

Dark Spicer: I'm ready to kick some ass.

Me: Me too.

Kevin: Lets build our weapons and get ready!

They went and got building.

Squawktalk: Boss, which Gene Slammer do you think you'll meet next?

Nico: Giant Albatross from Magic the Gathering next.

Me: Ooh cool!

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Baphomet from Dungeons and Dragons, he's come back and he wants revenge on us. When we saw it, we knew it meant trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Baphomet from Dungeons and Dragons, he's come back and he wants revenge on us.

Mele Finau Cooper: If that is so, then, we must be ready to take him down again, and I hope you're ready to absorb him once more.

Lincoln: That I am, Mele.

Nico: That monster deserves to pay just what happened two years ago. Alright, team, let's get going, time to save Eddy's parents.

Lincoln: And take down The Kanker Sisters once and for all, and once we get done with them, you're next, Baphomet.

Mele Finau Cooper: You should've never returned from the dead, Baphomet, this time, your reign of eternal darkness shall end here.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to the Peach Creek sector specifically The Trailer Park to rescue Eddy's parents and take down The Kanker Sisters, and once we get done with those trailer trash sluts, Mele Finau Cooper and Lincoln are going to destroy Baphomet and send him to The Black Abyss after Lincoln absorbs him.

We were off to the Peach Creek Sector.

We arrived but we saw the entire cul-de-sac completely in ruins!

WE GASPED!

Qin: Oh my god!

We saw all the houses completely destroyed and on fire and fire hydrants were broken and the ground was all broken apart and more!

Me: What happened here?

Eli: Looks like a Kanker Hissy Fit.

Camie: Oh man.

Me: The Kankers are completely out of control.

Marie K.L.: I can't believe my former sisters would be like this and I can't believe I would do all this too.

Eddy: Hey, guys. Over here!

Iron Lung: Eddy! There you are!

We saw him in his house and it was still intact.

Me: Eddy's house is still intact. I wonder why the Kankers destroyed all the others but not Eddy's.

Nico: Good question.

We went in.

Me: Okay I have a plan but Eddy is not going to like it.

Eddy: I think I already know what it is.

Rhino: If this is going to work, you need to put on your best tuxedo

Me: Right.

We gave him a good black tuxedo.

Kaos: I, Kaos, have the bag of nickels ready!

Me: Good.

Jimmy: I got nasty perfume ready.

Sarah had bear traps, Jonny had acorn bombs and more.

I got my wonder ride books for pranks ready.

We had bowling ball bazookas and more.

Qin: It's like we're going into a full scale war.

Lola: Yep.

Ketchup and mustard blasters, mayonnaise bombs, pickle tanks and more. We were ready.

Centaur Man: Good thing that tracker's on you

Eddy: Yep.

Me: Good thing too.

Qin: Yep.

Me: I've had it with the Kankers.

Qin: Me too.

Nico: Same here.

Technus: Do you know where the wedding's taking place?

Me: If my guess is correct, in the Kanker's trailer.

Camie: Too small for it.

Qin: Yeah but their trailer is very spacious.

Varie: Yep.

Batch: Alright. You'll go in alone but interrupt the wedding before the person in the position of the priest finishes

Eddy: Okay.

Me: Alexander Avalon, when we give the signal, use the Sleep Card and Silent Card to make sure we get them out unnoticed.

Alexander Avalon: Right. You can count on that.

Me: Okay.

We were flying in the air and we heard the ugly laughter of The Kankers from The Trailer Park, and we saw Eddy heading there at once.

Luan: Those trailer trash sluts are gonna get it. I can't believe Lee would do that! Ugh!

Nico: This has gone on long enough.

Nico: Now all we have to do is wait until Eddy interrupts the wedding.

Me: Wait till the right moment.

Evil Marie was the priest.

Evil Marie: If anyone has any objections as to why these two should not be married, Speak up or shut up.

Eddy: I object!

Eddy: I object! (punches Lee)

POW!

Evil May: Drama!

Eddy: Did you really think I was gonna marry you?

Lee: Well, kinda!

Eddy: I'd never marry a monster like you! (gets out blaster)

Lee: THEN WE ARE BREAKING UP, RIGHT NOW!

Me: NOW!

Alexander Avalon fired blasts of sleeping mist from his staff and using The Sleep Card, it made them even stronger, and they hit The Kankers and they fell asleep, and then, he used The Silent Card to silence the area and he snuck in and grabbed Eddy's parents and grabbed Eddy.

Me: Nice one.

Eddy: You got my parents out?

Lincoln: Thanks to Alex using The Sleep and Silent Cards, nice move.

Nico: If you used The Silent Card, you'd make a good addition to The Cooper Gang. Alright, time to get in there and clean this mess up.

Me: Now we got the Akuma to deal with.

Mr. McGee: Thanks for saving us guys.

Mrs. McGee: Yeah we owe you.

Nico: Let's get in there!

Me: Wait! We haven't battled the Akuma yet.

Nico: Oh right! That first.

Lincoln: And I just got a premonition on who it is. It's King Jawbreaker. The Hypothetical Akuma form of Eddy and a master of jawbreakers and a really powerful one that wants to make sure all people suffer by smashing their teeth out!

WE GASPED!

He showed a sketch of him and he was a knight king with a jawbreaker mace club.

Nico: WHOA! He looks tough! What was his motive behind his creation.

Jamesdean5842: He's actually one of the prototype akumas I made before the start of this entire series of Loud House

Revamped. So it was undecided.

Tyzonn: I think He was made because of the Kankers destroying the entire Cul-De-Sac and killing all their families all over

Jamesdean5842: Now that is a very good reason for it. Perfect.

Tyzonn: Thanks.

Qin: WHOA MAN!

Eddy: That is nuts!

Me: It sure is.

Eli: LOOK OUT!

We ducked and I grabbed a REALLY HEAVY JAWBREAKER MACE CLUB!

Me: WHOA!

THUNDEROUS CRASH!

It crashed into the ground with the force of Thor's hammer!

Me: HOLY SHIT! This mace club is as heavy as your hammer Thor!

Thor: When it's made of candy? I doubt it!

Me: Well jawbreakers are strong enough to break your teeth and are heavy.

Nico: He's right.

Thor: Thou makes a good point.

A roar was heard and I jumped and we saw KING JAWBREAKER!

Me: WHOA!

He went at me and I ducked under a swing of his mace and kicked him down.

Me: WHOA! He is RUTHLESS!

Juggernaut: Eddy? Is that you?

SMASH!

He smashed Juggernaut in his head and knocked him down!

Me: WHOA! That is a powerful mace club!

King Jawbreaker: And I'm going to smash your face in!

Me: Bring it on you no necked chump!

Tyrone McGee: Lets play uncle!

Dark Spicer: Dude, you need to calm down!

King Jawbreaker bashed him in his crotch with his mace!

WE WINCED!

Me: I guess that's a no!

I jumped him and we pinned him and Tyrone grabbed his ankle and twisted it!

TOINK TOINK TOINK TOINK TOINK!

King Jawbreaker: UNCLE UNCLE UNCLE!

Tyrone: SAY WHAT!?

King Jawbreaker: UNCLE UNCLE UNCLE!

Dark Spicer: Here's your warning: Your ass is about to be kicked!

Me: BIG TIME!

I punched him ferociously and Dark turned into his Fourarms form, Menace Arms, and bashed him into pulp!

King Jawbreaker: My turn!

He went at us and I kicked his mace out of him and it landed on the ground.

Me: Okay I don't care if it only works for you.

I grabbed the mace and used all my power! I lifted it up and roared in fury and swung it and then smashed it onto King Jawbreaker's head and knocked him down!

SUPER MEGA KRASMASH!

He was knocked out!

CLANG CLANG CLANG CLANG!

Nico, Varie, Thor and Qin's jaws dropped and Eli put them back!

Thor: J.D. succeeded in lifting his hammer!

I was shocked! I saw that I did it!

Me: I don't believe it! I did it!

Poliwag was about to lick it.

Lusamine: Poliwag, what are you doing?!

Poliwag: It's a jawbreaker mace. What did you expect?

He licked it.

Poliwag: Cotton candy flavor.

Me: Wow!

Nico: Yeah! NOW we can get the Kankers.

Suddenly, the spirits of The Eds and The Kids of The Cul-De-Sac appeared and they attacked The Kankers who already woke up with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared!

And when Lee saw Eddy's parents with us, she got mad.

Lee: Hey, didn't I tell you two to keep an eye on them?!

Evil Marie: Oh, shut your trap! This is all your fault, May!

Evil May: No, it isn't!

Evil Marie: Yes, it is!

Lee: IT'S BOTH YOUR FAULTS!

Evil May and Evil Marie: WHAT DID YOU SAY?!

Then, they got into a huge fight cloud!

THE KANKERS WERE PULVERIZING EACH OTHER AND BLAMING ONE ANOTHER FOR THE FREEING OF EDDY'S PARENTS!

Me: Damn, you just caused absolute chaos among those trailer trash bitches, Alexander.

Marie K. Loud: This sort of thing happens all the time, and it always ends in that manner.

Linka: As much as I want to see them kill each other, we don't have time for that.

Leni: I agree. We better hose them down.

Luan: Besides, if anyone's going to beat them up, it's us. Having them beat each other up is just a bonus for us.

Maria: Got it. HEY, KANKER SLUTS!

Lincoln, Maria, and the other water wielders fired blasts of water that drenched The Kankers hard, and they were soaked, but also covered in bruises from their own beatdowns!

Nico: You hillbilly trailer trash rapist freaks from Hell are finished! It's bad enough you bitches caused Ed to go crazy and try to get him kicked out months ago! Yeah, we already knew you bitches were behind that!

Me: But, when you kidnapped Eddy's parents and forced him to marry you, Lee, you've done it now, you've crossed the fucking line!

Louds, Marie K. Loud, The Eds, and The Cul-De-Sac Kids: Now, you're finished, Kankers! Your time has come!

Me: It's time for you buttkissing freaks to go!

Dark Spicer: Here's your warning: Your asses are about to be kicked!

Dark turned into Hot Burn.

Dr. Viktor: Ah, seeing that brings back memories.

Me: Yeah!

Lee punched Juggernaut down!

But her punches only made him angrier!

Juggernaut: DON'T YOU KNOW WHO I AM!?

Lee: DO I LOOK LIKE I CARE!?

Juggernaut: I'M THE JUGGERNAUT BITCH!

He smashed her down!

As Hot Burn charged at Lee, RD Lincoln saw Poromon eating some food.

RD Lincoln: Poromon, what are you doing?!

Poromon: Can't let this food go to waste!

Nico: Aw Poromon.

He and the mascots ate all the food.

After it was done the Mascots came back and then Juggernaut lifted the trailer and then...

KRASMASH!

HE SMASHED THE ENTIRE TRAILER ONTO LEE, EVIL MAY AND EVIL MARIE AND CRUSHED THEM INTO PULP!

Me: Nice one Cain!

Hot Burn fired waves of purple fire and blasted the Kankers!

Dark turned into Feralhound.

Lee: You ruined my wedding!

I fired waves of energy and blasted them all over the place!

Skarr: That was cruel. I love it!

Me: Thank you.

Dark turned into Anti Matter.

He gave them nasty wet willies.

I punched the three girls in their faces and bashed their teeth out!

Me: You jerkwads are nothing but a bunch of worthless pieces of shit! Also that shitty ship in a bottle you have? It's pathetic!

THEY WERE REALLY PISSED!

Evil May: WE WILL RIP YOU APART!

I bashed her and knocked out her buckteeth!

Me: What an eyesore. Bowling ball bazookas fire!

Me: YEAH!

Me: What's the matter you fatassed bitches? Are you all gonna cry?

Lee: I WILL FUCKING KILL YOU!

Dark turned into Menace Arms again.

Vanitas: Save some for me! You and I were one of the originals, remember?

Menace Arms: I know.

Vanitas and Menace Arms bashed and slashed and pulverized them.

I then took my three fingers and poked Lee in her eyes and she screamed in pain!

Me: Take that fatasses!

Menace Arms charged at them And bashed and pulverized them all over the place!

They then ran like cowards!

Me: Running away?

I fired a beam of energy and it turned a trailer into a HUGE Bar of soap!

Ed: EVIL SOAP!

Shane and Hailey: MEGA ICESTORM BARRAGE!

They fired waves of energy and blasted them.

Me: You think that's cool guys wait till you see what I did to your finisher blaster. Check this out! (SNAPS FINGERS)

I called their weapons and all that and then they formed into an awesome new SUPER POWERFUL ULTRA LIGHTNING STORM SUPERCANNON!

Shane: WHOA! That is intense!

Tori Hanson: WHOA! You really were busy!

Me: Just wait till you see what it can do. But be ready guys, it packs a MASSIVELY powerful recoil.

Deathbite charged at them And bit their legs!

CHOMP!

They screamed in agony!

Shane: Lets see what this baby can do. HYPERCANE SUPER SOLAR STORM BLAST!

They charged it up and a POWERFUL SOLAR ENERGY BLAST FIRED FROM IT AND THE RECOIL BLEW SHANE BACK AND VARIE CAUGHT HIM! The solar energy blast then slammed into the Kankers and exploded with incredible and unbelievable power!

Nico: Well done J.D.!

Shane: That was intense!

When the smoke cleared, the Kankers were burned to a crisp!

Me: OUCH! Man Lothor is REALLY SCREWED!

Hailey Clarke: He sure is!

Dark turned into Trojanware.

He fired laser blasts and bted them all over!

The Kankers got up and were really pissed now!

Me: I made that blaster because Solar Storms are far more powerful than regular storms on Earth and all that.

Nico: Good reason.

Trojanware: Got anything for me to merge with?

Cybertron Scattershot: Try merging with me.

He transformed into his missile tank mode and Trojanware merged with him and Cybertron Scattershot turned into an awesome and more amazing tank!

Me: WHOA!

Cybertron Scattershot: WOW! We sure look awesome!

Trojanware: Try looking at what we can do with Cyber Key Power!

Cybertron Scattershot: Lets show what we can do!

Scattershot and Trojanware: CYBER KEY POWER!

They used the Autobot key and got amazing new blasters and turrets that popped out! They fired and blasted the Kankers all over the place!

Cybertron Scattershot: That was awesome!

Trojanware: It sure was!

He reverted Cybertron Scattershot back and Dark turned into Boodunce!

Me:YEAH!

Hailey was surprised as her body started trembling. She yelled out in surprise as her body started expanding. Same with Vivian Taylor.

Vivian Taylor: NO! We control the power! It doesn't control us.

They concentrated and reigned in the powers of Mega Charizard and Mega Yanmega and transformed and blasted them all over!

Boodunce blasted the Kankers all over the place!

Vivian and Hailey reverted back.

Me: YEAH!

Boodunce possessed Lee and made her beat herself up.

BAP BIFF WHAM SMASH WHOMP!

Evil Marie and Evil May went at her and Boodunce left Lee and they collided with her!

KRASMASH!

Vilius and Rasputin as they were riddled with bullets as we all heard Caleb's wicked and insane laughter as he continued to shoot at Vilius and Rasputin with darkness and malice. Caleb landed as the barrier came down.

Lincoln, Eddy, Nico, and I and the rest of us went after The Kankers and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at The Kankers, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Eddy, Nico, and I and the rest of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was pissing off The Kankers even more, and we also fired energy blasts that shattered The Monitor Orb in Lee's forehead and we got a massive power boost and she screamed in pain.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Kankers and we all found ourselves not only in Heaven, but also, in space.

We then dragged The Kankers back to The Gotham Royal York Courthouse before Katie Rockell, and the trial began with The Eds and the Kids of The Cul-De-Sac and Marie K. Loud giving testimony after testimony of every last crime The Kankers committed, and the jury and everyone in the world were still disgusted by that. It didn't take long for the jury to come to the conclusion after only ten seconds of deliberation as they came back in.

Katie Rockell: Has the jury reached a verdict?

Foreman: We have, Your Honor. We the jury find the defendants, Lee Kanker, Evil May Kanker, and Evil Marie Kanker, guilty on all charges!

We knew this would be the outcome: Kankers, you're done.

Katie Rockell: This is indeed one of the worst cases I have ever tried in my years on the bench. You three monsters have caused enough terror and destruction to Peach Creek and the world for the very last time. It is with the judgement of this court that I sentence you, Kanker Sisters, to Eternity in The Uranus Prison with no chance for parole, and to make sure you don't try anything. Lincoln?

Eddy: Wait! We want to say something to them first.

They went over to Lee.

Eddy, Dark, and Albedo walked over to Lee in front.

Dark Spicer: Told you your ass was going to be kicked.

Lee: Wanna know what's funny?

Eddy: Not in the mood for your jokes. You caused destruction to a lot of places. You and me? We don't share the same sense of humor.

Lee: But we DO share the same world. (to Albedo) Your old buddies are coming. You better be prepared for them!

Albedo: (not even flinching) We'll be waiting.

Eddy: Yep.

They came back.

Lincoln fired blasts of ice separately at The Kankers which froze them individually in three blocks of ice that don't even melt at all, and he beamed them to The Uranus Prison where they were thrown in individual prison cells in Solitary Confinement, specifically freezer block cells and they'll stay there for eternity.

We got out of the courtroom.

Eddy: Now, we're finally rid of those stupid Kankers for good!

Luan: Good riddance.

Lincoln: We can finally breathe easy without the threat of The Kankers running loose again. Now, there's one last thing to do and one last loose end to tie up: Baphomet.

We then turned our attention to Baphomet who was still in suspended animation.

Baphomet: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU!

Time to die, you feral demon.

Lincoln, Mele Finau Cooper, Nico, and I went after Baphomet, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Baphomet, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Mele Finau Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Mele Finau Cooper, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Baphomet even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Baphomet and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Baphomet and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Baphomet and he began absorbing him and assimilated Baphomet's dark magic, extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Baphomet and he also sucked out all the energy remaining in his soul and he was sent to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Mele Finau Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine

sets of large black angel wings underneath her massive black angel wings are permanent.

Mele Finau Cooper: It's over for you, Shar, and to this we say good riddance. Thanks for helping me get rid of that nihilistic goddess of darkness, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Mele.

Me and Nico: Our pleasure, Mele.

Suddenly, Mele Finau Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Mele Finau Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Mele Finau Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Mele, you transformed and you guys really let Baphomet have it.

Me: That's for sure, and he got what she deserved. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Lady Lapis Lazuli.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Lady Lapis Lazuli.

Catherine Diamantis: There's only one person who matches this: Laura Lapis Lazuli, Avatar and Gene-Slammer of Gem-Knight Lady Lapis Lazuli, and you guys are going to love meeting her, Laura Lapis Lazuli, Avatar and Gene-Slammer of Gem-Knight Lady Lapis Lazuli, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals. She's known as The Lapis Lazuli Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Laura Lapis Lazuli came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Rene Alaister, Gene-Slammer of Steelswarm Roach and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Laura's parents in cold blood, and she swore to kill Rene Alaister and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Laura lost her parents when Rene Alaister killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Lincoln then looked out into the horizon.

Lincoln: This is it, tomorrow is the day, the day when we fulfill the ultimate part of The Prophecy of Amaterasu. Dark Chase Young, you have destroyed far too many lives for the final time. (Deep Sapphire Eyes turn red) We're coming for you, we'll make sure you pay for 1,903 years of pain and suffering you have wrought: the 1,500 years you'd spent destroying the lives of everyone around you and for orchestrating the dark events of 1621 that led to my ancestors' deaths 403 years ago just to stop the prophecy from coming true.

Me: Yep. The prophecy is upon us!

Harpymon: That's it for Lee.

Thundermon: Now, the Eds all have had their days.

Electropede: What about Jonny and Jimmy?

Chillyfish: We'll cross that bridge when we get to it.

Me: Yep.

Dumbbelltron: Let's celebrate!

Eddy: Jawbreakers are on me!

Nico: Awesome! Great job today everyone.

Eddy: (To the viewers) Now we are free of the Kankers forever.

We then left to celebrate with jawbreakers. But unknown to us, a certain robot watched the whole thing.

Chameleon Bot: Life Form Data has been successfully copied. (leaves)

We went to the Candy Store after fixing up the area.

We returned home, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, we took down The Kankers for good.

Anna Anyanova: That's for sure. And now, tomorrow is the big day: Lincoln's going to fulfill the ultimate part of The Prophecy of Amaterasu, and Dark Chase Young is going to pay for 1,903 years of pain and suffering, this will be his end.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Alexander Avalon was out in the city and looking out into the skies.

Alexander Avalon: So far so good. We took down The Dark Wood Card, but tomorrow, I got the feeling we're going to take on the dark version of The Jump Card, and that one was a wild capture since Sakura had to capture it and she used The Wood Card to trap it, but we'll be ready for them.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, but we're ready along with tomorrow. Dark Chase Young, your time is finally up.
